On February 26, 2018, Qualcomm Incorporated ("Qualcomm") published the following newspaper advertisements.

Qualcomm inventions allow the world to connect. And San Diego to prosper.

When Qualcomm connected the phone to the internet, we created the mobile revolution. We also created tens of thousands of jobs in San Diego and the foundation for a vibrant economy that contributes tens of millions of dollars to San Diego each year.

Qualcomm stockholders may have received Blue proxy cards from Broadcom, asking them to give control of Qualcomm's Board of Directors to Broadcom's conflicted nominees. Broadcom is attempting to gain control of Qualcomm's Board in order to force through a proposal that materially undervalues Qualcomm and has an unacceptably high level of risk.

Qualcomm stockholders, your vote matters. Please vote the WHITE proxy card today.

Make your voice heard and vote
FOR ALL of Qualcomm's highly
qualified directors on the WHITE
proxy card today!

Even if you have already voted,
you can still vote on the WHITE card
