[ ], 2018

To the Stockholders of Qualcomm:

On November 6, 2017, Broadcom Limited (“Broadcom”) announced a proposal (the “Proposed Transaction”) to acquire all of the outstanding shares of Qualcomm Incorporated (“Qualcomm”) common stock for per share consideration of \$70.00, consisting of \$60.00 in cash and \$10.00 in Broadcom shares. Prior to and following our proposal on November 6, 2017, we have repeatedly expressed to Qualcomm our desire to enter into negotiations regarding a business combination that would provide substantial value to Qualcomm stockholders. However, the Qualcomm board of directors (the “Qualcomm Board”) has rejected our proposal and Qualcomm has been unwilling to engage with us.

We are sending you the enclosed proxy statement and accompanying **BLUE** proxy card or **BLUE** voting instruction form because we are soliciting proxies from Qualcomm’s stockholders to be used at the 2018 annual meeting of Qualcomm’s stockholders. At this annual meeting, eleven directors will be elected to serve for terms expiring at Qualcomm’s 2019 annual meeting, and certain other business will be transacted. Qualcomm has announced that the 2018 annual meeting will be held on March 6, 2018 at [ ], at [ ], and that the record date for determining the holders of record of Qualcomm common stock who are entitled to vote at the 2018 annual meeting is the close of business on [ ].

As we describe in the accompanying proxy statement, we are proposing eleven independent, highly qualified candidates for election to the Qualcomm Board at the 2018 annual meeting of stockholders. We are seeking your support for the election of the eleven independent, highly qualified nominees to the Qualcomm Board because we believe that Qualcomm stockholders would be better served by these candidates than the current directors of Qualcomm who have refused to engage with us on a compelling, value-enhancing opportunity for Qualcomm stockholders. Specifically, as described in the enclosed proxy statement, despite our repeated attempts to engage in discussions with Qualcomm, the Qualcomm Board has rejected our compelling, value-enhancing proposal, notwithstanding our willingness to offer a substantial premium for Qualcomm shares, and the incumbent Qualcomm directors refuse to discuss our proposal with us.

We believe that you are entitled to have a board of directors that will, consistent with its fiduciary duties, exercise independent judgment and act in your best interests by engaging in good faith and constructive discussions with us regarding a business combination that has significant industrial logic and presents a compelling, value-enhancing opportunity for Qualcomm stockholders. We believe that your vote for the eleven independent nominees will send a clear and strong message to the Qualcomm Board to engage with Broadcom regarding a business combination, and, if the newly elected directors deem it appropriate in the exercise of their fiduciary duties, to approve the Proposed Transaction and/or another business combination with Broadcom.

To ensure continuity, Broadcom would support a decision by the eleven new directors, upon their election, to increase the size of the Qualcomm Board and reappoint Mark D. McLaughlin, Anthony J. “Tony” Vinciguerra and Jeffrey W. Henderson as directors.

**We believe that you deserve a board of directors that is answerable to you and will act in your best interests. We urge you to send a strong message to Qualcomm by voting for the eleven independent nominees, showing that you want a board that will act in your best interests and engage with Broadcom regarding the Proposed Transaction and/or another business combination with Broadcom.**

WHETHER OR NOT YOU PLAN TO ATTEND THE 2018 ANNUAL MEETING, WE URGE YOU TO VOTE FOR THE ELECTION OF THE BROADCOM NOMINEES BY SIGNING, DATING AND RETURNING THE ENCLOSED **BLUE** PROXY CARD IN THE POSTAGE-PAID ENVELOPE (OR BY SUBMITTING YOUR VOTING INSTRUCTIONS BY INTERNET OR TELEPHONE AS DESCRIBED ON THE ENCLOSED **BLUE** PROXY CARD) AS SOON AS POSSIBLE.

*WE URGE YOU NOT TO SIGN OR RETURN QUALCOMM'S WHITE PROXY CARD OR OTHERWISE PROVIDE PROXIES SENT TO YOU BY QUALCOMM. IF YOU HAVE ALREADY RETURNED QUALCOMM'S WHITE PROXY CARD, YOU HAVE EVERY RIGHT TO CHANGE YOUR VOTE BY RETURNING A LATER DATED **BLUE** PROXY CARD.*

REMEMBER, IF YOU HOLD YOUR QUALCOMM SHARES WITH A BROKERAGE FIRM, BANK OR OTHER NOMINEE, THE BROKERAGE FIRM, BANK OR OTHER NOMINEE MUST VOTE YOUR QUALCOMM SHARES FOR YOU, BUT CAN DO SO ONLY UPON RECEIPT OF YOUR SPECIFIC INSTRUCTIONS. ACCORDINGLY, IF YOU HOLD YOUR QUALCOMM SHARES WITH A BROKERAGE FIRM, BANK OR OTHER NOMINEE, IT IS IMPORTANT THAT YOU PROMPTLY RETURN YOUR **BLUE** VOTING INSTRUCTION FORM TO YOUR BROKERAGE FIRM, BANK OR OTHER NOMINEE OR CONTACT THE PERSON RESPONSIBLE FOR YOUR ACCOUNT AND GIVE INSTRUCTIONS TO HAVE YOUR SHARES VOTED FOR THE ELECTION OF THE BROADCOM NOMINEES.

OF  
QUALCOMM INCORPORATED

PROXY STATEMENT  
OF  
BROADCOM LIMITED  
BROADCOM CORPORATION

---

This proxy statement and the accompanying **BLUE** proxy card are being furnished to you by Broadcom Limited (“Broadcom Limited”), and its indirect subsidiary, Broadcom Corporation (“Broadcom Corporation”) (throughout this proxy statement, we sometimes refer to Broadcom Limited and Broadcom Corporation together as “Broadcom”, “we”, “our” or “us”), in connection with the solicitation of **BLUE** proxies from you, holders of shares of common stock, par value \$0.0001 per share (“Qualcomm common stock”), of Qualcomm Incorporated (“Qualcomm”). Broadcom intends to vote such proxies at the annual meeting of Qualcomm’s stockholders, which Qualcomm has announced is scheduled to be held on March 6, 2018 at [ ], at [ ], including any adjournments or postponements thereof or any special meeting that may be called in lieu thereof (the “Annual Meeting”), in order to take the following action:

1. To elect each of Samih Elhage, Raul J. Fernandez, Michael S. Geltzeiler, Stephen J. Girsky, David G. Golden, Veronica M. Hagen, Julie A. Hill, John H. Kispert, Gregorio Reyes, Thomas S. Volpe and Harry L. You (each, a “Broadcom Nominee” and, collectively, the “Broadcom Nominees”) as directors to serve on the Qualcomm board of directors (the “Qualcomm Board”) to hold office until the next annual meeting of stockholders and until their respective successors are elected and qualified, in accordance with Qualcomm’s restated certificate of incorporation (“Certificate of Incorporation”) and amended and restated bylaws (“Bylaws”), to replace the eleven current directors of Qualcomm whose terms expire at the Annual Meeting (the “Nomination Proposal”).
2. To amend the Bylaws to undo any amendment to the Bylaws adopted without stockholder approval up to and including the date of the Annual Meeting that changes the Bylaws in any way from the version that was publicly filed with the Securities and Exchange Commission (the “SEC”) on July 15, 2016 (the “Bylaw Proposal” and, together with the Nomination Proposal, the “Broadcom Proposals”).

In addition to soliciting proxies for the Nomination Proposal and the Bylaw Proposal, Broadcom is also soliciting proxies to take the following actions with respect to the other proposals that Qualcomm has announced will be voted on at the Annual Meeting (which are collectively referred to as the “Other Proposals”), each as set forth in Qualcomm’s preliminary proxy statement for the Annual Meeting, as filed with the SEC on December 22, 2017 (the “Qualcomm proxy statement”):

3. To ratify the selection of PricewaterhouseCoopers LLP as Qualcomm’s independent public accountants for its fiscal year ending September 30, 2018 (“Proposal 3”).
4. To approve, on an advisory basis, compensation paid to Qualcomm’s named executive officers (“Proposal 4”).
5. To approve an amendment to the Amended and Restated QUALCOMM Incorporated 2001 Employee Stock Purchase Plan, as amended, to increase the share reserve by 30,000,000 shares (“Proposal 5”).
6. To approve an amendment to the Certificate of Incorporation to eliminate certain supermajority voting provisions and obsolete provisions (“Proposal 6”).

---

7. To approve an amendment to the Certificate of Incorporation to eliminate provisions requiring a supermajority vote for certain transactions with interested stockholders (“Proposal 7”).

Qualcomm has set the close of business on [            ], as the record date for determining stockholders entitled to vote at the Annual Meeting (the “record date”). The principal executive offices of Qualcomm are located at 5775 Morehouse Dr., San Diego, California 92121.

This proxy statement and the accompanying **BLUE** proxy card are first being sent or given on or about [            ], 2018 to all holders of record of Qualcomm common stock as of the record date.

As of the date of this preliminary proxy statement, Broadcom does not know of any other business that will be presented at the Annual Meeting. If, however, other matters are properly presented at the Annual Meeting but were not known a reasonable time prior to the mailing of the definitive proxy statement, and you have signed, dated and returned the enclosed **BLUE** proxy card (or submitted your voting instructions by Internet or telephone as described on the enclosed **BLUE** proxy card), the named proxies will vote the shares represented thereby in their discretion in relation to such business.

We believe that all of the Broadcom Nominees are highly qualified to serve as directors on the Qualcomm Board and are independent within the meaning of the listing standards of the NASDAQ Stock Market LLC (“NASDAQ”). In addition, we believe that all of the Broadcom Nominees are independent under the heightened independence standards applicable to audit or compensation committee members under the rules of NASDAQ and the SEC. None of the Broadcom Nominees are employed by or otherwise affiliated with Broadcom or any of Broadcom’s subsidiaries, or have any material relationship with Broadcom or any of its subsidiaries (except for the agreements described in the section entitled “Arrangements between Broadcom and the Broadcom Nominees” in this proxy statement). None of the Broadcom Nominees are employed by or otherwise affiliated with Qualcomm or any of its subsidiaries. The Broadcom Nominees have not made any commitment to us if elected.

Each of the Broadcom Nominees has specifically acknowledged that there is not, and cannot be, any agreement between such Broadcom Nominee and Broadcom regarding the decisions such Broadcom Nominee will make as a director of Qualcomm. Accordingly, we expect that the Broadcom Nominees will exercise their independent judgment in all matters before the Qualcomm Board in accordance with their fiduciary duties to Qualcomm and the Qualcomm stockholders and applicable law, including with respect to the Proposed Transaction or any other transaction.

On November 6, 2017, we announced a proposal to acquire all of the outstanding shares of Qualcomm common stock (the “Proposed Transaction”) for per share consideration of \$70.00, consisting of \$60.00 in cash and \$10.00 in Broadcom shares.

We are seeking your support for the election of each of the Broadcom Nominees to the Qualcomm Board because we believe that Qualcomm stockholders would be better served by these candidates than the current directors of Qualcomm who have refused to engage with us on a compelling, value-enhancing opportunity for Qualcomm stockholders. Prior to and following our proposal on November 6, 2017, we have repeatedly expressed to Qualcomm our desire to enter into negotiations regarding a business combination that would provide substantial value to Qualcomm stockholders. However, the Qualcomm Board has rejected our proposal and Qualcomm has been unwilling to engage with us.

We nominated the Broadcom Nominees, submitted the Bylaw Proposal and are sending you this proxy statement and accompanying **BLUE** proxy card to give you a direct voice with respect to the Proposed Transaction.

We believe the election of the Broadcom Nominees will demonstrate that the Qualcomm stockholders support the Proposed Transaction, and establish a Qualcomm Board that is more likely to act in your best

**IMPORTANT**

WE ARE NOT ASKING YOU TO VOTE ON OR TO APPROVE OUR PROPOSAL FOR A BUSINESS COMBINATION BETWEEN BROADCOM AND QUALCOMM AT THIS TIME. HOWEVER, WE BELIEVE THAT A VOTE “**FOR**” EACH OF THE BROADCOM NOMINEES WILL SEND A CLEAR AND STRONG MESSAGE TO THE QUALCOMM BOARD THAT IT SHOULD GIVE PROPER CONSIDERATION TO OUR PROPOSAL AND MAY BE AN IMPORTANT STEP IN FACILITATING NEGOTIATIONS BETWEEN BROADCOM AND QUALCOMM WITH RESPECT TO A BUSINESS COMBINATION TRANSACTION.

THIS SOLICITATION IS BEING MADE BY BROADCOM AND NOT ON BEHALF OF THE QUALCOMM BOARD OR QUALCOMM’S MANAGEMENT.

WHETHER OR NOT YOU INTEND TO ATTEND THE ANNUAL MEETING, YOUR PROMPT ACTION IS IMPORTANT. WE URGE YOU TO MAKE YOUR VIEWS CLEAR TO THE QUALCOMM BOARD BY AUTHORIZING A PROXY TO VOTE WITH RESPECT TO THE BROADCOM NOMINEES BY FOLLOWING THE INSTRUCTIONS ON THE ENCLOSED **BLUE** PROXY CARD OR **BLUE** VOTING INSTRUCTION FORM AS SOON AS POSSIBLE.

**YOUR VOTE IS IMPORTANT, NO MATTER HOW MANY OR HOW FEW QUALCOMM SHARES YOU OWN.**

If your shares of Qualcomm common stock are held in your own name, please authorize a proxy to vote by signing and returning the enclosed **BLUE** proxy card in the postage-paid envelope provided (or by submitting your voting instruction by Internet or telephone as described on the enclosed **BLUE** proxy card) as soon as possible.

If your shares of Qualcomm common stock are held in “street name” with a brokerage firm, bank or other nominee as of the close of business on the record date, only that holder of record can vote those shares and such holder of record may only do so upon receipt of your instructions on the enclosed **BLUE** voting instruction form to vote your Qualcomm shares. Accordingly, it is critical that you promptly give instructions to your brokerage firm, bank or other nominee to vote “**FOR**” the election of the Broadcom Nominees, “**FOR**” the approval of the Bylaw Proposal and to vote with respect to the Other Proposals. Please do so for each account you maintain.

This proxy statement is dated [                    ], 2018. You should not assume that the information contained in this proxy statement is accurate as of any date other than such date, and the mailing of this proxy statement to Qualcomm stockholders shall not create any implication to the contrary. You are advised to read this proxy statement and other relevant documents when they become available because they contain, and will contain, important information.

## REASONS TO VOTE FOR BROADCOM NOMINEES AND BYLAW PROPOSAL

Broadcom urges all holders of shares of Qualcomm common stock to vote **FOR** the election of each of the Broadcom Nominees and the Bylaw Proposal.

On November 6, 2017, we announced the Proposed Transaction, in which we would acquire Qualcomm for per share consideration of \$70.00, consisting of \$60.00 in cash and \$10.00 in Broadcom shares. We are seeking your support for the election of each of the Broadcom Nominees to the Qualcomm Board because we believe that Qualcomm stockholders would be better served by these candidates than the current directors of Qualcomm who have refused to engage with us on a compelling, value-enhancing opportunity for Qualcomm stockholders. Prior to and following our proposal on November 6, 2017, we have repeatedly expressed to Qualcomm our desire to enter into negotiations regarding a business combination that would provide substantial value to Qualcomm stockholders. However, the Qualcomm Board has rejected our proposal and Qualcomm has been unwilling to engage with us.

**We believe that a vote FOR the election of each of the Broadcom Nominees will send a clear and strong message to the Qualcomm Board that the Qualcomm stockholders want the Qualcomm Board to:**

- **focus on creating stockholder value;**
- **objectively evaluate the Proposed Transaction or any other business combination with Broadcom; and**
- **engage with Broadcom regarding the Proposed Transaction or any other business combination with Broadcom that would deliver significant value to the Qualcomm stockholders.**

The purpose of the Bylaw Proposal is to prevent the incumbent directors of Qualcomm from undermining Qualcomm's corporate governance regime by amending the Bylaws whether in an attempt to impede the nomination or potential election of the Broadcom Nominees or otherwise.

## QUESTIONS AND ANSWERS RELATING TO THIS PROXY SOLICITATION

The following are some of the questions you may have as a stockholder of Qualcomm, as well as our answers to those questions. The following is not a substitute for the information contained in this proxy statement, and the information contained below is qualified in its entirety by the more detailed descriptions and explanations contained elsewhere in this proxy statement. We urge you to read this proxy statement carefully and in its entirety.

### **Who is making this solicitation?**

The solicitation is being made by Broadcom Limited and Broadcom Corporation, and *not* by Qualcomm or Qualcomm management. Under the rules of the SEC, the Broadcom Nominees and certain of Broadcom Limited's directors, executive officers and employees are or may be deemed to be participants in the solicitation.

Broadcom Limited is the successor to Avago Technologies Limited as a result of the business combination between Avago and Broadcom Corporation completed on February 1, 2016, at which time Broadcom Corporation became an indirect subsidiary of Broadcom Limited.

Broadcom is a leading designer, developer and global supplier of a broad range of semiconductor devices with a focus on complex digital and mixed signal complementary metal oxide semiconductor based devices and analog III-V based products. Broadcom has a history of innovation and offers thousands of products that are used in end products such as enterprise and data center networking, home connectivity, set-top boxes, broadband access, telecommunication equipment, smartphones, data center servers and storage systems, factory automation, power generation and alternative energy systems, and electronic displays.

For additional information regarding Broadcom, please see the section entitled "Certain Information Regarding Broadcom." For information regarding directors, executive officers and certain employees of Broadcom who may assist in the solicitation of proxies, as well as the Broadcom Nominees, please see *Annex A* to this proxy statement.

### **Why are we soliciting your vote on the Broadcom Proposals?**

We believe that the current members of the Qualcomm Board are not acting in your best interests.

On November 6, 2017, we announced the Proposed Transaction to acquire all of the outstanding shares of Qualcomm common stock for per share consideration of \$70.00, consisting of \$60.00 in cash and \$10.00 in Broadcom shares.

We are seeking your support for the election of each of the Broadcom Nominees to the Qualcomm Board because we believe that Qualcomm stockholders would be better served by these candidates than the current directors of Qualcomm who have refused to engage with us on a compelling, value-enhancing opportunity for Qualcomm stockholders. Prior to and following our proposal on November 6, 2017, we have repeatedly expressed to Qualcomm our desire to enter into negotiations regarding a business combination that would provide substantial value to Qualcomm stockholders. However, the Qualcomm Board has rejected our proposal and Qualcomm has been unwilling to engage with us. A negotiated transaction with Qualcomm remains our strong preference. However, we intend to commence an exchange offer to acquire any and all of the outstanding shares of Qualcomm common stock if Qualcomm does not engage with us.

We believe that the election of the Broadcom Nominees will demonstrate that the Qualcomm stockholders support the Proposed Transaction and establish a Qualcomm Board that is more likely to act in your best interests. We believe that your vote for the Broadcom Nominees will send a clear and strong message to the Qualcomm Board to engage with Broadcom regarding the Proposed Transaction or another business combination with Broadcom, and, if the newly elected directors deem it appropriate in the exercise of their fiduciary duties, to approve the Proposed Transaction and/or another business combination with Broadcom.

## [Table of Contents](#)

Except as discussed in the section entitled “Proposal 2: Bylaw Proposal”, we are not currently aware of any Bylaws or Bylaw amendments that would be changed by the Bylaw Proposal, but we believe that it is in the best interests of Qualcomm and its stockholders that the Bylaws not be further amended by the Qualcomm Board without the approval of Qualcomm stockholders. The purpose of the Bylaw Proposal is to prevent the incumbent directors of Qualcomm from undermining Qualcomm’s corporate governance regime by amending the Bylaws whether in an attempt to impede the nomination or potential election of the Broadcom Nominees or otherwise.

### **What are we asking you to vote for?**

We are asking you to vote **FOR** the following Broadcom Proposals:

1. To elect each of Samih Elhage, Raul J. Fernandez, Michael S. Geltzeiler, Stephen J. Girsky, David G. Golden, Veronica M. Hagen, Julie A. Hill, John H. Kispert, Gregorio Reyes, Thomas S. Volpe and Harry L. You as directors to serve on the Qualcomm Board to hold office until the next annual meeting of stockholders and until their respective successors are elected and qualified, in accordance with Qualcomm’s Certificate of Incorporation and Bylaws, to replace the eleven current directors of Qualcomm whose terms expire at the Annual Meeting.
2. To amend the Bylaws to undo any amendment of the Bylaws adopted without stockholder approval up to and including the date of the Annual Meeting that changes the Bylaws in any way from the version that was publicly filed with the SEC on July 15, 2016.

Please see the sections entitled “Proposal 1: Election of the Broadcom Nominees” and “Proposal 2: Bylaw Proposal” for a more complete description of the Broadcom Proposals and related matters.

We urge you to return the **BLUE** proxy card and vote FOR the election of our independent Broadcom Nominees and FOR the Bylaw Proposal.

### **What other matters are before the Qualcomm stockholders at the Annual Meeting?**

At the Annual Meeting, stockholders will also be asked to consider the following matters:

- Proposal 3: To ratify the selection of PricewaterhouseCoopers LLP as Qualcomm’s independent public accountants for its fiscal year ending September 30, 2018.
- Proposal 4: To approve, on an advisory basis, compensation paid to Qualcomm’s named executive officers.
- Proposal 5: To approve an amendment to the Amended and Restated QUALCOMM Incorporated 2001 Employee Stock Purchase Plan, as amended, to increase the share reserve by 30,000,000 shares.
- Proposal 6: To approve an amendment to the Certificate of Incorporation to eliminate certain supermajority voting provisions and obsolete provisions.
- Proposal 7: To approve an amendment to the Certificate of Incorporation to eliminate provisions requiring a supermajority vote for certain transactions with interested stockholders.

We recommend voting “**FOR**” Proposal 3, Proposal 6 and Proposal 7, and we have no recommendation with respect to Proposal 4 or Proposal 5. Please see the section entitled “The Other Proposals” for a more complete description of the Other Proposals and related matters.

### **If I vote for the Broadcom Proposals, am I agreeing to a business combination between Qualcomm and Broadcom?**

No. Although the election of the Broadcom Nominees to the Qualcomm Board is an important step toward a potential business combination between Qualcomm and Broadcom, we are not asking Qualcomm’s stockholders

---

to consent to or vote on a merger with Broadcom or tender their shares into any exchange offer at this time. None of the Broadcom Nominees has committed to support the Proposed Transaction or any other business combination of Broadcom and Qualcomm, and we expect that the Broadcom Nominees will exercise their independent judgment in all matters before the Qualcomm Board in accordance with their fiduciary duties to Qualcomm and the Qualcomm stockholders and applicable law, including with respect to the Proposed Transaction or any other transaction.

### **Who are the Broadcom Nominees?**

We are proposing that Samih Elhage, Raul J. Fernandez, Michael S. Geltzeiler, Stephen J. Girsky, David G. Golden, Veronica M. Hagen, Julie A. Hill, John H. Kispert, Gregorio Reyes, Thomas S. Volpe and Harry L. You serve on the Qualcomm Board as directors for one-year terms expiring at the next annual meeting of Qualcomm stockholders and until their successors are duly elected and qualified, in accordance with Qualcomm's Certificate of Incorporation and Bylaws, to replace the eleven current directors of Qualcomm whose terms expire at the Annual Meeting.

Based on publicly available information, the Qualcomm Board currently consists of eleven directors, with the term of office expiring at the Annual Meeting. All directors are elected at each annual meeting to serve until the next annual meeting and until a successor is duly elected and qualified.

We believe all the Broadcom Nominees are highly qualified to serve as directors on the Qualcomm Board and are independent within the meaning of the listing standards of NASDAQ. In addition, we believe all the Broadcom Nominees are independent under the heightened independence standards applicable to audit or compensation committee members under the rules of NASDAQ and the SEC. Each Broadcom Nominee has a proven track record of accomplishment in his or her areas of expertise, and together they will bring significant technology sector, financial and operational experience to the Qualcomm Board. None of the Broadcom Nominees are employed by or otherwise affiliated with Broadcom or any of Broadcom's subsidiaries, or have any material relationship with Broadcom or its subsidiaries (except for the agreements described in the section entitled "Arrangements between Broadcom and the Broadcom Nominees" in this proxy statement). None of the Broadcom Nominees are employed by or otherwise affiliated with Qualcomm or any of its subsidiaries. The Broadcom Nominees have not made any commitment to us if elected. Each of the Broadcom Nominees has specifically acknowledged that there is not, and cannot be, any agreement between such Broadcom Nominee and Broadcom regarding the decisions such Broadcom Nominee will make as a director of Qualcomm. Accordingly, we expect that the Broadcom Nominees will exercise their independent judgment in all matters before the Qualcomm Board in accordance with their fiduciary duties to Qualcomm and the Qualcomm stockholders and applicable law, including with respect to the Proposed Transaction or any other transaction.

The principal occupation, business experience and certain other information with respect to each Broadcom Nominee are set forth in this proxy statement under the section entitled "Proposal 1: Election of the Broadcom Nominees," which we urge you to read.

### **Who can vote at the Annual Meeting?**

Qualcomm has fixed the close of business on [ ], as the record date for determining the Qualcomm stockholders who will be entitled to vote at the Annual Meeting. Accordingly, if you own shares of Qualcomm common stock at the close of business on [ ], you have the right to vote on all matters presented for stockholder action at the Annual Meeting.

According to the Qualcomm proxy statement, there were 1,480,685,518 shares of Qualcomm common stock outstanding as of December 11, 2017. Each share of Qualcomm common stock is entitled to one vote on each matter properly brought before the meeting.

---

## [Table of Contents](#)

Many Qualcomm stockholders hold their shares through a brokerage firm, bank or other nominee, rather than directly in their own name. As summarized below, there are distinctions between shares held of record and those owned beneficially:

- *Stockholder of Record*—If your shares are registered directly in your name, you are considered the stockholder of record of those shares. As the stockholder of record, you can submit your voting instructions by Internet, telephone or mail as described on the enclosed **BLUE** proxy card.
- *Beneficial Owner*—If your shares are held by a brokerage firm, bank or other nominee, you are considered the beneficial owner of shares held in “street name.” In order for those shares to be voted at the Annual Meeting, you must provide your brokerage firm, bank or other nominee instructions to vote your Qualcomm shares. Please follow the instructions on the **BLUE** voting instruction form provided by your brokerage firm, bank or other nominee to direct them as to how to vote your Qualcomm shares at the Annual Meeting. You may vote your shares in person at the meeting only if you obtain a “legal” proxy from your brokerage firm, bank or other nominee. You also will be able to submit your voting instructions by Internet, telephone or mail as described on the enclosed **BLUE** voting instruction form.

### **What constitutes a quorum for the Annual Meeting?**

The presence, in person or by proxy duly authorized, of the holders of a majority of the outstanding Qualcomm shares of stock entitled to vote is required to constitute a quorum. In the absence of a quorum, the Annual Meeting may be adjourned either by the chairman of the meeting or by the vote of the holders of a majority of the shares represented at the Annual Meeting (even though less than a quorum). Abstentions, broker non-votes and “withheld” votes are counted only to determine whether a quorum is present at the meeting, but are not considered votes cast, and thus will not affect the outcome of the vote on the election of directors, Proposal 3 (to ratify the selection of Qualcomm’s independent public accountants), Proposal 4 (advisory vote for approval of compensation paid to Qualcomm’s named executive officers) or Proposal 5 (approval of an amendment to Qualcomm’s 2001 Employee Stock Purchase Plan), but will have the effect as a vote against the Bylaw Proposal, Proposal 6 (elimination of certain supermajority voting provisions and obsolete provisions from the Certificate of Incorporation) and Proposal 7 (elimination of certain supermajority voting provisions for transactions with interested stockholders from the Certificate of Incorporation).

### **How many votes must be voted in favor of the Broadcom Nominees to elect them?**

The affirmative vote of a plurality of the votes cast is required to elect each of the Broadcom Nominees. Accordingly, at the Annual Meeting, the eleven nominees who receive the greatest number of votes cast by Qualcomm’s stockholders will be elected as directors.

### **How many votes must be voted in favor of the Bylaw Proposal for it to pass?**

The Bylaws provide that they may be altered or amended or new bylaws adopted by the affirmative vote of at least 66 2/3% of the voting power of all of the then-outstanding shares of voting stock of Qualcomm entitled to vote generally in the election of directors (the “Qualcomm voting stock”) (which currently consists only of Qualcomm common stock).

### **How many votes must be voted in favor of the Other Proposals to be voted upon at the Annual Meeting for them to pass?**

The votes required to approve each of the Other Proposals to be considered by Qualcomm stockholders at the Annual Meeting are as follows:

- Proposal 3: The affirmative vote of a majority of the votes cast is required to ratify the selection of PricewaterhouseCoopers LLP as Qualcomm’s independent registered public accountants described in the Qualcomm proxy statement.

## Table of Contents

- Proposal 4: The affirmative vote of a majority of the votes cast is required for the approval of the advisory vote on compensation paid to Qualcomm's named executive officers described in the Qualcomm proxy statement.
- Proposal 5: The affirmative vote of a majority of the votes cast is required to approve the amendment to the Amended and Restated QUALCOMM Incorporated 2001 Employee Stock Purchase Plan.
- Proposal 6: The affirmative vote of the holders of at least 66 2/3% of the outstanding shares of Qualcomm voting stock (which currently consists only of Qualcomm common stock) is required to approve the amendments to the Certificate of Incorporation to eliminate certain supermajority provisions and obsolete provisions.

### **How may Qualcomm's stockholders vote their shares?**

You can vote your shares of Qualcomm common stock for the election of the Broadcom Nominees, the approval of the Bylaw Proposal and the Other Proposals in one of four ways:

- *By Telephone*—Submit a proxy by telephone by following the voting instructions on the enclosed **BLUE** proxy card or **BLUE** voting instruction form. Your telephone vote authorizes the proxies to vote your shares of Qualcomm common stock in the same manner as if you had signed and returned a **BLUE** proxy card or **BLUE** voting instruction form.
- *By Internet*—Submit a proxy via the Internet by following the voting instructions on the enclosed **BLUE** proxy card or **BLUE** voting instruction form. Internet voting procedures are designed to authenticate your identity, allow you to have your shares of Qualcomm common stock voted and confirm that your instructions have been properly recorded. Your submission of a proxy by Internet authorizes the proxies to vote your shares of Qualcomm common stock in the same manner as if you had signed and returned a **BLUE** proxy card or **BLUE** voting instruction form.
- *By Mail*—Sign, date and promptly mail the enclosed **BLUE** proxy card or **BLUE** voting instruction form in the enclosed postage-paid envelope.
- *In Person*—Stockholders of record may vote shares held in their name in person at the Annual Meeting. Shares for which a stockholder is the beneficial owner but not the stockholder of record may be voted in person at the Annual Meeting only if such stockholder is able to obtain a "legal" proxy from the brokerage firm, bank or other nominee that holds the stockholder's shares.

Please note that if your shares of Qualcomm common stock are held in "street name" by a brokerage firm, bank or other nominee, you must follow the instructions set forth in the **BLUE** voting instruction form provided by your brokerage firm, bank or other nominee to vote your Qualcomm shares.

***We urge you NOT to sign or return Qualcomm's WHITE proxy card or otherwise provide proxies sent to you by Qualcomm. If you have already done so and your shares are registered in your name, you may revoke your previously signed proxy by signing and returning a later-dated BLUE proxy card in the enclosed postage-paid envelope, by submitting a proxy by telephone or Internet (instructions appear on your BLUE proxy card), by attending the Annual Meeting and voting in person or by delivering a written notice of revocation to Broadcom c/o D.F. King & Co., Inc., 48 Wall Street, 22nd Floor, New York, New York 10005 or the corporate secretary of Qualcomm. Only your latest dated proxy or your vote in person at the Annual Meeting will be counted.***

*Please note that if your shares of Qualcomm common stock are held in “street name” by a brokerage firm, bank or other nominee, you must follow the instructions set forth in the BLUE voting instruction form provided by your brokerage firm, bank or other nominee to revoke your earlier vote.*

Owners of shares of Qualcomm common stock as of the close of business on the record date are urged to submit a BLUE proxy card or BLUE voting instruction form, even if your shares were sold after the record date.

### **How can the proxies be revoked?**

A stockholder of record may revoke or change his or her proxy instructions, including proxies already given to Qualcomm (including Qualcomm’s WHITE proxy cards), at any time prior to the vote at the Annual Meeting by:

- submitting a later-dated proxy by telephone or Internet as to how you would like your shares voted (instructions are on your BLUE proxy card);
- submitting a properly executed, later-dated BLUE proxy card;
- attending the Annual Meeting and revoking any previously submitted proxy by voting in person by written ballot (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy); or
- delivering written notice of revocation either to Broadcom c/o D.F. King & Co., Inc., 48 Wall Street, 22nd Floor, New York, New York 10005, or Qualcomm’s Corporate Secretary at Qualcomm, 5775 Morehouse Drive, N-520I, San Diego, California 92121-1714, Attention: Corporate Secretary, or any other address provided by Qualcomm for these purposes.

Broadcom requests that a copy of any revocation delivered to Qualcomm be mailed to D.F. King & Co., Inc. at the address listed above, so that Broadcom will be aware of all revocations and can more accurately determine if and when the requisite proxies for the election of the Broadcom Nominees to the Qualcomm Board and the approval of the Bylaw Proposal have been received.

For information on the revocation of proxies, please see the section titled “Voting and Proxy Procedures—Revocation of Proxies.”

Please note that if your shares of Qualcomm common stock are held in “street name” by a brokerage firm, bank or other nominee, you must follow the instructions set forth in the BLUE voting instruction form provided by your brokerage firm, bank or other nominee to revoke your earlier vote. Submitting a later-dated BLUE voting instruction form by telephone or Internet, or mailing a later-dated BLUE voting instruction form, will revoke a previously cast vote.

### **How will your shares be voted if the enclosed BLUE proxy card or BLUE voting instruction form is signed and returned but no specific direction on voting is given?**

If you properly sign and return the enclosed BLUE proxy card or BLUE voting instruction form but do not specify how to vote, the named proxies will:

- vote your Qualcomm shares **FOR** the election of each of the Broadcom Nominees;
- vote your Qualcomm shares **FOR** the Bylaw Proposal;
- vote your Qualcomm shares **FOR** Proposal 3 (to ratify the selection of Qualcomm’s independent public accountants), Proposal 6 (elimination of certain supermajority voting provisions and obsolete provisions from the Certificate of Incorporation) and Proposal 7 (elimination of certain supermajority voting provisions for transactions with interested stockholders from the Certificate of Incorporation);

### **If your shares are held in "street name" by your brokerage firm, bank or other nominee, will your brokerage firm, bank or other nominee vote your Qualcomm shares for you?**

No, your brokerage firm, bank or other nominee will not vote your shares of Qualcomm common stock on your behalf unless you provide instructions to your brokerage firm, bank or other nominee on how to vote. You should follow the instructions set forth in the **BLUE** voting instruction form provided by your brokerage firm, bank or other nominee regarding how to instruct your brokerage firm, bank or other nominee to vote your Qualcomm shares.

Without your instructions, your shares will **not** be voted for the election of the Broadcom Nominees or in favor of the Bylaw Proposal or with respect to the Other Proposals. Accordingly, it is critical that you promptly give instructions to your brokerage firm, bank or other nominee to vote for the election of the Broadcom Nominees, in favor of the Bylaw Proposal and to vote with respect to the Other Proposals.

Please sign, date and return all **BLUE** proxy cards and **BLUE** voting instruction forms you receive. If you choose to vote by phone or Internet, please vote each **BLUE** proxy card and **BLUE** voting instruction form you receive. Only your last dated proxy for each account will be voted.

## BACKGROUND OF THE SOLICITATION

Broadcom regularly considers a variety of strategic options and transactions as part of its continuous efforts to increase shareholder value. As a result of these efforts, Broadcom identified Qualcomm as a potential candidate for a business combination that could deliver substantial value and other benefits to the stockholders, employees, customers and other stakeholders of both companies.

On April 14, 2016, Mr. Kenneth Y. Hao, a director of Broadcom, Mr. Steve Mollenkopf, the Chief Executive Officer of Qualcomm, and Mr. George S. Davis, the Chief Financial Officer of Qualcomm, met to discuss various industry topics. Among the topics discussed was a hypothetical combination of Broadcom and Qualcomm.

In July 2016, Mr. Hao offered to introduce Mr. Hock E. Tan, the Chief Executive Officer of Broadcom, to Mr. Mollenkopf to discuss industry perspectives and ways in which the two companies could work together. Mr. Mollenkopf agreed to meet with Mr. Tan and Mr. Hao in early August.

On August 4, 2016, Mr. Tan and Mr. Hao met with Mr. Mollenkopf. At the meeting, Mr. Tan and Mr. Hao presented Mr. Mollenkopf with their strategic vision to combine Broadcom and Qualcomm. Mr. Tan and Mr. Hao stated that Qualcomm's baseband franchise would be an ideal fit for Broadcom's business model and that the combination would create a leading communication company with an impressive portfolio of technologies and products. Mr. Tan and Mr. Hao also described to Mr. Mollenkopf several transaction structures and their preliminary view of potential synergies that could be achieved in a combination transaction. The parties also discussed the financial considerations of various transaction structures that were introduced by Mr. Tan and Mr. Hao.

On September 6, 2016, Mr. Tan, Mr. Hao, Mr. Mollenkopf and Mr. Davis met again. At the meeting, Messrs. Tan and Hao presented in further detail several potential transaction structures and financial implications of each structure. They also continued their discussion of potential synergies that would result from a combination of the two companies. Mr. Mollenkopf and Mr. Davis indicated that they would be assembling a larger team to evaluate a potential combination transaction with Broadcom and would be in touch with the Broadcom team once they were ready for further discussions.

On October 27, 2016, Qualcomm announced that it had entered into an agreement to acquire NXP for \$110 per share, in cash, representing a total enterprise value of approximately \$47 billion.

In early 2017, Mr. Tan called Mr. Mollenkopf and conveyed to Mr. Mollenkopf that Broadcom remained interested in pursuing a business combination with Qualcomm and believed it would be beneficial for the two companies to continue exploring a possible transaction. Mr. Mollenkopf initially indicated that Qualcomm would not be interested in a business combination, but at the end of the call stated that he would reflect on the matter and then get back to Mr. Tan. Thereafter, Mr. Mollenkopf did not contact Mr. Tan.

On November 3, 2017, several media organizations reported rumors that Broadcom was considering making an unsolicited proposal to acquire Qualcomm.

On November 5, 2017, Mr. Tan called Mr. Mollenkopf to inform him that Broadcom would be sending a letter to the Qualcomm Board in which Broadcom would propose to acquire Qualcomm. Mr. Mollenkopf asked several questions about the terms of the proposal.

On November 6, 2017, Broadcom sent a letter, the text of which is copied below, to the Qualcomm Board in which Broadcom proposed to acquire all outstanding stock of Qualcomm for \$70.00 per share, consisting of

\$60.00 per share in cash and \$10.00 per share in Broadcom shares. Broadcom also issued a press release on November 6, 2017 announcing the proposal. The press release included a copy of the proposal letter.

November 6, 2017

Board of Directors  
Qualcomm Incorporated  
5775 Morehouse Drive  
San Diego, CA 92121

Dear Members of the Board of Directors:

On behalf of Broadcom, I am pleased to submit this proposal to acquire Qualcomm in a transaction that will provide Qualcomm stockholders with an immediate, substantial and compelling premium to the value that would be achievable by Qualcomm on a standalone basis, as well as the opportunity to participate in the upside potential of the combined company.

As you know from prior discussions between our two companies, Broadcom has been interested for some time in combining Qualcomm's mobile business with the Broadcom platform. We continue to believe that such a combination will deliver substantial benefits to our respective stockholders, employees, customers and other stakeholders. We are hopeful that you will agree that the proposal we outline in this letter presents a compelling opportunity for Qualcomm stockholders to realize both present and future value for their Qualcomm shares.

### *Strategic Rationale*

We have great respect for the legacy Qualcomm has built since its founding more than 30 years ago by Irwin Jacobs, Andrew Viterbi and their colleagues. Based on our knowledge of the semiconductor industry, we believe that there is a significant strategic, financial and operational rationale for the proposed transaction. A combination of Qualcomm and Broadcom will create a strong, global company with an impressive portfolio of industry-leading technologies and products. Given the highly complementary nature of our businesses, we are confident that our global customers will embrace the proposed combination as we work strategically with them to deliver more advanced value-added semiconductor solutions.

Since I discussed a combination with Steve in August of last year, Broadcom has successfully completed the integration of the Broadcom-Avago combination, de-levered its balance sheet and meaningfully increased revenues and profitability. As a result, Broadcom stockholders have been rewarded with a 55% appreciation in Broadcom's stock price since that time, ranking in the top 10% among the S&P 500 over that period. We believe these factors, coupled with our history of successful acquisitions and integrations, clearly demonstrate our commitment and ability to implement value-enhancing transactions and deliver robust results for stockholders, employees, customers and other stakeholders.

### *Proposed Terms*

We are offering Qualcomm stockholders \$70.00 per share, consisting of \$60.00 per share in cash and \$10.00 per share in Broadcom shares. This represents a significant premium of 28% to the closing price of Qualcomm common stock on November 2, 2017, the last unaffected trading day prior to media speculation regarding a potential transaction, and a premium of 33% to Qualcomm's unaffected 30-day volume-weighted average price. Our proposal stands whether your pending acquisition of NXP is consummated on the currently disclosed terms of \$110 per share or that transaction is terminated.

Our proposal will enable Qualcomm stockholders to achieve both immediate cash value and the ability to participate in the future success of the combined enterprise, which will benefit from greater scale and broader product diversification. The combination of our two companies and associated synergies will be accretive to Broadcom's earnings, which will directly benefit Qualcomm stockholders through their equity

## Table of Contents

ownership in the combined company. We have significant experience with acquiring and integrating companies and an established track record of delivering financial results for our stockholders. I am confident that we can deliver similar results for our combined stockholders should we consummate this transaction.

### *Financing*

The proposed transaction will not be subject to any financing condition. BofA Merrill Lynch, Citi, Deutsche Bank, J.P. Morgan and Morgan Stanley have advised us in writing that they are highly confident that they will be able to arrange the necessary debt financing for the proposed transaction. Silver Lake Partners, which has served as a strategic partner to Broadcom in prior transactions, has provided Broadcom with a commitment letter for a \$5 billion convertible debt financing in connection with the transaction. We also expect to maintain our investment grade credit rating following the proposed transaction. We and our advisors are available to review our financing plans with you at your convenience.

### *Regulatory Approvals*

We and our advisors have conducted extensive analysis of the regulatory approvals that will be required in connection with the proposed transaction, and we are confident that the transaction will receive all necessary approvals in a timely manner. We would not make this offer if we were not confident that our common global customers would embrace the proposed combination, and we do not anticipate any material antitrust or other regulatory issues that would extend the normal timetable for closing a transaction of this nature.

### *Employees*

We have a long history of providing outstanding opportunities for leadership and growth to employees, including business unit leaders, of companies we acquire. Employees who have joined our company as a result of acquisitions have become an integral part of our business, and we look forward to the opportunity to welcome Qualcomm's employees to Broadcom.

### *Conclusion*

We believe that our proposal represents the most attractive, value-enhancing alternative available to Qualcomm stockholders, and that it is in the best interests of both parties to proceed as soon as possible to reach agreement on a transaction structure and terms. We are ready to devote all necessary resources to finalize all documentation on an expeditious basis. We and our advisors are prepared to engage in discussions immediately to work toward a mutually beneficial transaction.

We look forward to working with you to complete this transaction successfully and suggest that our respective financial and legal advisors and senior management team meet at your earliest convenience to work toward this goal.

This letter does not constitute a binding obligation or commitment of either company to proceed with any transaction. No such obligations will in any event be imposed on either party unless and until a mutually acceptable definitive agreement is formally entered into by both parties.

Sincerely,

Hock Tan  
President and Chief Executive Officer

Later on November 6, 2017, Qualcomm issued a press release confirming receipt of the proposal letter and stating that the Qualcomm Board would assess the proposal.

On November 13, 2017, Qualcomm issued a press release announcing that the Qualcomm Board unanimously rejected Broadcom's proposal.

Later on November 13, 2017, Broadcom issued a press release reaffirming its commitment to pursuing its acquisition of Qualcomm. Broadcom also noted in the press release that it was Broadcom's strong preference to engage cooperatively with the Qualcomm Board and management team.

Later on November 13, 2017, Mr. Tan called Mr. Mollenkopf and left a voicemail in which Mr. Tan reiterated that Broadcom stood ready to engage with Qualcomm regarding the proposed transaction, followed by a text message, asking for a time to speak. Mr. Mollenkopf responded via text message that Qualcomm's press release spoke for itself.

On November 17, 2017, Mr. Tan sent a letter, the text of which is copied below, to Mr. Mollenkopf stating that Mr. Tan believed that a combination of Broadcom and Qualcomm would deliver substantial value to their respective shareholders and prove beneficial to their customers and that Mr. Tan was hopeful that the two companies could begin productive discussions.

November 17, 2017

Mr. Steve Mollenkopf  
Chief Executive Officer  
Qualcomm Incorporated  
5775 Morehouse Drive  
San Diego, CA 92121

Dear Steve:

As you know, I attempted to reach you by phone on Monday, November 13, with the hope that we could discuss a path forward regarding Broadcom's proposal to acquire Qualcomm. I strongly believe that a combination of our two companies will deliver substantial value to our respective stockholders and prove beneficial to our customers, and we stand ready to devote all necessary resources to accomplish this goal.

In our recent conversations, many of your stockholders have expressed a clear and strong desire for us to meet in an effort to negotiate a mutually beneficial transaction. I suspect you have heard the same, so I remain hopeful that we can begin productive discussions.

I look forward to hearing from you.

Sincerely,

Hock Tan  
President and Chief Executive Officer

Qualcomm did not respond to the letter from Mr. Tan.

On December 4, 2017, Broadcom gave notice to Qualcomm of its intention to nominate the Broadcom Nominees and Alternate Nominees (as defined below) for election at the Annual Meeting and to propose the Bylaw Proposal for action at the Annual Meeting. Broadcom further notified Qualcomm that it intended to solicit proxies for the election of the Broadcom Nominees and the approval of the Bylaw Proposal. On the same day, Broadcom issued a press release announcing the nominations and stating that it remained Broadcom's strong preference to engage in a constructive dialogue with Qualcomm.

Also on December 4, 2017, Qualcomm issued a press release in which it, among other things, confirmed receipt of Broadcom's nomination notice.

On December 11, 2017, Broadcom announced that it had filed its preliminary proxy materials with the SEC and had filed a premerger notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 with the U.S. Department of Justice Antitrust Division and the Federal Trade Commission regarding its proposed acquisition of Qualcomm.

On December 22, 2017, Qualcomm filed its preliminary proxy materials with the SEC and filed a Current Report on Form 8-K disclosing that, on December 20, 2017, the Qualcomm Board adopted the Qualcomm Incorporated Non-Executive Officer Change in Control Severance Plan, which covers substantially all regular, full-time employees and part-time employees who are scheduled to work at least twenty hours per week, and amended the Qualcomm Incorporated 2016 Long-Term Incentive Plan and the Qualcomm Incorporated 2006 Long-Term Incentive Plan, as amended and restated to modify the definition of “change in control” in such plan to include a change in the majority of the members of the Qualcomm Board.

## PROPOSAL 1: ELECTION OF THE BROADCOM NOMINEES

We are proposing that Samih Elhage, Raul J. Fernandez, Michael S. Geltzeiler, Stephen J. Girsky, David G. Golden, Veronica M. Hagen, Julie A. Hill, John H. Kispert, Gregorio Reyes, Thomas S. Volpe and Harry L. You serve on the Qualcomm Board as directors for one-year terms expiring at the next annual meeting of Qualcomm stockholders and until their successors are duly elected and qualified, in accordance with Qualcomm's Certificate of Incorporation and Bylaws, to replace the eleven current directors of Qualcomm whose terms expire at the Annual Meeting.

Based on publicly available information, the Qualcomm Board currently consists of eleven directors, with the term of office expiring at the Annual Meeting. All directors are elected at each annual meeting to serve until the next annual meeting and until a successor is duly elected and qualified.

We believe all the Broadcom Nominees are highly qualified to serve as directors on the Qualcomm Board and are independent within the meaning of the listing standards of NASDAQ. In addition, we believe all the Broadcom Nominees are independent under the heightened independence standards applicable to audit or compensation committee members under the rules of NASDAQ and the SEC. Each Broadcom Nominee has a proven track record of accomplishment in his or her areas of expertise, and together they will bring significant technology sector, financial and operational experience to the Qualcomm Board. None of the Broadcom Nominees are employed by or otherwise affiliated with Broadcom or any of Broadcom's subsidiaries, or have any material relationship with Broadcom (except for the agreements described in the section entitled "Arrangements between Broadcom and the Broadcom Nominees" in this proxy statement). None of the Broadcom Nominees is employed by or otherwise affiliated with Qualcomm or any of its subsidiaries.

The Broadcom Nominees have not made any commitment to us if elected. Each of the Broadcom Nominees has specifically acknowledged that there is not, and cannot be, any agreement between such Broadcom Nominee and Broadcom regarding the decisions such Broadcom Nominee will make as a director of Qualcomm. Accordingly, we expect that the Broadcom Nominees will exercise their independent judgment in all matters before the Qualcomm Board in accordance with their fiduciary duties to Qualcomm and the Qualcomm stockholders and applicable law, including with respect to the Proposed Transaction or any other transaction.

We are seeking your support for the election of each of the Broadcom Nominees to the Qualcomm Board because we believe that Qualcomm stockholders would be better served by these candidates than the current directors of Qualcomm who have refused to engage with us on a compelling, value-enhancing opportunity for Qualcomm stockholders. Prior to and following our proposal on November 6, 2017, we have repeatedly expressed to Qualcomm our desire to enter into negotiations regarding a business combination that would provide substantial value to Qualcomm stockholders. However, the Qualcomm Board has rejected our proposal and Qualcomm has been unwilling to engage with us.

We nominated the Broadcom Nominees and are sending you this proxy statement and accompanying **BLUE** proxy card to give you a direct voice with respect to our proposal for a business combination between Qualcomm and Broadcom. We believe the election of the Broadcom Nominees will demonstrate that the Qualcomm stockholders support the Proposed Transaction, and establish a Qualcomm Board that is more likely to act in your best interests. We believe that your vote for the Broadcom Nominees will send a clear and strong message to the Qualcomm Board to engage with Broadcom regarding the Proposed Transaction or another business combination with Broadcom, and, if the newly elected directors deem it appropriate in the exercise of their fiduciary duties, to approve the Proposed Transaction and/or another business combination with Broadcom.

Assuming a quorum is present at the Annual Meeting, the eleven nominees for election to the Qualcomm Board who receive the most **FOR** votes will be elected.

**BROADCOM STRONGLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE BROADCOM NOMINEES.**

Broadcom considered the business and directorship experience of each of the Broadcom Nominees set forth above in concluding that each of the Broadcom Nominees would be suitable for election to the Qualcomm Board at the Annual Meeting.

Each of the Nominees has agreed to be named in this proxy statement, to stand for election to the Qualcomm Board and to serve as a director of Qualcomm, if elected.

We reserve the right to request the appointment or election of substitute persons for any of the Broadcom Nominees named herein if (1) Qualcomm purports to increase the number of directorships; (2) Qualcomm makes or announces any changes to the Bylaws or takes or announces any other action that purports to have, or if consummated would purport to have, the effect of disqualifying any of the Broadcom Nominees and/or (3) any of the Broadcom Nominees is unable or becomes unwilling for any reason to serve as a director of Qualcomm. For more information, see the section entitled "Alternate Nominees".

### **Arrangements between Broadcom and the Broadcom Nominees**

Each Broadcom Nominee has entered into a letter agreement (a "Nomination Agreement") with Broadcom agreeing to stand for election as a Broadcom Nominee in our proxy solicitation relating to the Annual Meeting (the "Proxy Solicitation") and, if elected, to serve as a director of Qualcomm. Pursuant to the Nomination Agreements, Broadcom has agreed to pay each of the Broadcom Nominees \$100,000 in cash, payable in two installments as follows: (i) \$60,000 upon execution of the Nomination Agreement, and (ii) \$40,000 upon Broadcom or Qualcomm publicly announcing that the applicable Broadcom Nominee's name has been formally submitted to Qualcomm as a proposed nominee of Broadcom for the Annual Meeting. Each Broadcom Nominee is required to reimburse to Broadcom the full amount of the fee paid if, prior to the completion of the Proxy Solicitation, such Broadcom Nominee voluntarily withdraws from serving as a nominee or otherwise refuses to serve as a director of Qualcomm upon election. In addition, Broadcom will reimburse each Broadcom Nominee for certain expenses incurred in connection with the Proxy Solicitation.

---

## Table of Contents

The Nomination Agreements also provide that, subject to certain limitations, Broadcom will indemnify each Broadcom Nominee against any and all losses, claims, damages, penalties, judgments, awards, settlements, liabilities, costs, expenses and disbursements (including, without limitation, reasonable attorneys' fees, costs, expenses and disbursements) incurred by such Broadcom Nominee (a) in the event that (i) such Broadcom Nominee becomes a party, or is threatened to be made a party, to any civil, criminal, administrative or arbitrative action, suit or proceeding, and any appeal thereof relating to such Broadcom Nominee's role as a nominee of Broadcom (a "Proceeding"), or (ii) such Broadcom Nominee is called to testify or give a deposition in any Proceeding (whether or not such Broadcom Nominee is a party or is threatened to be made a party to such Proceeding), or (b) otherwise arising from or in connection with or relating to Broadcom's solicitation of proxies in respect of the Annual Meeting, including, in each case, the advancement to such Broadcom Nominee of all reasonable attorneys' costs and expenses incurred by such Broadcom Nominee in connection with any Proceeding.

Broadcom and each Broadcom Nominee acknowledge in the Nomination Agreements that if elected to the Qualcomm Board, all of such Broadcom Nominees' activities and decisions as a director of Qualcomm will be governed by applicable law and subject to such Broadcom Nominee's fiduciary duty to Qualcomm and to the stockholders of Qualcomm and, as a result, that there is and can be no agreement between such Broadcom Nominee and Broadcom which governs the decisions that such Broadcom Nominee will make as a director of Qualcomm. Each Broadcom Nominee has agreed in the Nomination Agreement that, if elected, such Broadcom Nominee will exercise his or her independent judgment in all matters before the Qualcomm Board in accordance with such Broadcom Nominee's fiduciary duties.

If elected to the Qualcomm Board, the Broadcom Nominees will not receive any compensation from Broadcom or any of its affiliates for their service as directors of Qualcomm.

Each Broadcom Nominee also entered into a non-disclosure agreement (a "Non-Disclosure Agreement") with Broadcom agreeing not to disclose certain information provided to such Broadcom Nominee by or on behalf of Broadcom without the consent of Broadcom. The Non-Disclosure Agreements provide that should such Broadcom Nominee be elected to the Qualcomm Board, nothing in the Non-Disclosure Agreement will prohibit such person from complying with his or her fiduciary duties to Qualcomm and its stockholders.

Copies of the form of Nomination Agreement and form of Non-Disclosure Agreement are attached as Annex C and Annex D, respectively, to this proxy statement, and the foregoing summary is qualified in their entirety by reference to the full text of such agreements.

### **Compensation of Qualcomm's Directors**

If elected to the Qualcomm Board, the Broadcom Nominees will not receive any additional compensation from Broadcom, and will not receive indemnification from us for their service as directors of Qualcomm. We expect, however, that they will receive whatever compensation the Qualcomm Board has established for non-employee directors of Qualcomm unless and until the Qualcomm Board determines to change such compensation.

Information concerning Qualcomm's compensation for non-employee directors is set forth in the Qualcomm proxy statement, and is expected to be set forth in Qualcomm's definitive proxy statement to be filed with the SEC in connection with the Annual Meeting, and such information is incorporated herein by reference.

We also expect that each of the Broadcom Nominees, if elected, would be indemnified by Qualcomm for service as a director to the same extent indemnification is provided to other Qualcomm directors under Qualcomm's Certificate of Incorporation and Bylaws. In addition, we expect that, upon election, the Broadcom Nominees would be covered by Qualcomm's director and officer liability insurance, if any, and be entitled to any other benefits made available to the other non-employee directors of Qualcomm.

All information regarding Qualcomm's director compensation and benefits arrangements set forth or incorporated by reference in this proxy statement is derived solely from Qualcomm's public filings with the SEC and Broadcom disclaims any responsibility for the foregoing.

### **Interests of the Broadcom Nominees and Additional Information**

As described above, we expect that each of the Broadcom Nominees, if elected, will be entitled to receive compensation customarily paid by Qualcomm to its non-employee directors. We expect that each of the Broadcom Nominees, if elected, will be indemnified for service as a director of Qualcomm to the same extent indemnification is provided to the current directors of Qualcomm and that each Broadcom Nominee will be covered by Qualcomm's director and officer liability insurance.

## PROPOSAL 2: BYLAW PROPOSAL

We are proposing to amend any provision of the Bylaws adopted without stockholder approval up to and including the date of the Annual Meeting that changes the Bylaws in any way from the version that was publicly filed with the SEC on July 15, 2016. Except as discussed below, we are not currently aware of any Bylaws or Bylaw amendments that would be changed by this proposal, but we believe that it is in the best interests of Qualcomm and its stockholders that the Bylaws not be further amended by the Qualcomm Board without the approval of Qualcomm stockholders. The purpose of the Bylaw Proposal is to prevent the incumbent directors of Qualcomm from undermining Qualcomm's corporate governance regime by amending the Bylaws whether in an attempt to impede the nomination or potential election of the Broadcom Nominees or otherwise. Accordingly, we will propose the following resolution before the Annual Meeting:

**“RESOLVED, that the Bylaws be, and hereby are, amended to undo any amendment to the Bylaws adopted without stockholder approval through the date of the Annual Meeting that changes the Bylaws in any way from the version that was publicly filed with the Securities and Exchange Commission on July 15, 2016.”**

As discussed in further detail in the Qualcomm proxy statement, the Qualcomm Board has passed a resolution amending the Bylaws, effective upon the filing of an amended Certificate of Incorporation, to decrease the voting percentage required to amend the Bylaws or to remove a director without cause to a majority of the then-outstanding shares of Qualcomm voting stock.

The Qualcomm proxy statement contends that, if the Bylaw Proposal is adopted, it would result in the Bylaws conflicting with the amendments to the Certificate of Incorporation, if any such amendments are approved at the Annual Meeting, and therefore urges stockholders to vote against the Bylaw Proposal. However, because the scope of the Bylaw Proposal is limited only to amendments adopted without stockholder approval *through the date of the Annual Meeting*, should Qualcomm's stockholders vote in favor of Proposal 5, the Qualcomm Board would be able to readily resolve to amend the Bylaws thereafter to implement any amendment necessary to conform the Bylaws to any stockholder-approved changes to the Certificate of Incorporation. Therefore, we believe the procedural matter raised in the Qualcomm proxy statement is irrelevant and would not delay or otherwise inhibit the implementation of any stockholder-approved amendments to the Certificate of Incorporation.

Furthermore, we believe that, should Proposal 5 be approved by Qualcomm's stockholders, a subsequent resolution by the Qualcomm Board to amend the Bylaws to conform to the amendments to the Certificate of Incorporation contemplated by Proposal 5 would be entirely consistent with the spirit of the Bylaw Proposal—namely, to ensure that the Qualcomm stockholders' rights are not unilaterally limited by the Qualcomm Board *without stockholder approval* in connection with any attempt by the Qualcomm Board to entrench itself at the expense of a compelling, value-enhancing transaction for the Qualcomm stockholders.

We believe any inconsistency in the Certificate of Incorporation and Bylaws, if Proposal 5 is approved, could be expediently resolved without any negative consequences following the Annual Meeting by the Qualcomm Board regardless of the vote on the Bylaw Proposal.

Further, we note that it is well settled as a matter of Delaware law, which governs the Certificate of Incorporation and Bylaws, that any inconsistency between a certificate of incorporation and bylaws will be resolved in favor of the certificate of incorporation and the inconsistent bylaw provision will be considered a nullity. Accordingly, any purported conflict that Qualcomm alleges would result from adopting the Bylaw Proposal will not in fact be a conflict at all, as any such inconsistent Bylaw provision will not be given any effect under Delaware law.

Accordingly, we urge you not to be persuaded by Qualcomm's contentions as to the effect of the Bylaw Proposal on proposed amendments to the Certificate of Incorporation. Vote **FOR** the Bylaw Proposal to prevent

the incumbent directors of Qualcomm from undermining Qualcomm's corporate governance regime by amending the Bylaws whether in an attempt to impede the nomination or potential election of the Broadcom Nominees or otherwise.

Qualcomm's Bylaws provide that the Bylaws may be altered or amended or new bylaws adopted by the affirmative vote of at least 66 2/3% of the voting power of all of the then-outstanding shares of Qualcomm voting stock (which currently consists only of Qualcomm common stock).

**BROADCOM STRONGLY RECOMMENDS A VOTE "FOR" THE RESOLUTION TO AMEND THE BYLAWS TO UNDO ANY AMENDMENT THAT WAS ADOPTED WITHOUT STOCKHOLDER APPROVAL UP TO AND INCLUDING THE DATE OF THE ANNUAL MEETING THAT CHANGES THE BYLAWS IN ANY WAY FROM THE VERSION THAT WAS PUBLICLY FILED WITH THE SEC ON JULY 15, 2016.**

## THE OTHER PROPOSALS

In addition to soliciting proxies for the Nomination Proposal and the Bylaw Proposal, the Qualcomm proxy statement indicates that five other matters will be voted upon at the Annual Meeting. Set forth below are descriptions of such proposals, based solely on the disclosure in the Qualcomm proxy statement.

### PROPOSAL 3: RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS

As discussed in further detail in the Qualcomm proxy statement, the Audit Committee of the Qualcomm Board (the “Qualcomm Audit Committee”) has selected PricewaterhouseCoopers LLP (“PwC”) as Qualcomm’s independent public accountants for the fiscal year ending September 30, 2018, and the Qualcomm Board has directed that Qualcomm management submit this selection for ratification by the stockholders at the Annual Meeting.

As indicated in the Qualcomm proxy statement, if the Qualcomm stockholders fail to ratify the selection of PwC, the Qualcomm Audit Committee will reconsider whether or not to retain PwC. Even if the selection is ratified, the Qualcomm Audit Committee at its discretion may direct the appointment of different independent public accountants at any time during the year if it determines that such a change would be in the best interests of Qualcomm and its stockholders.

The affirmative vote of a majority of the votes cast at the Annual Meeting at which a quorum is present is required to approve this proposal.

The Qualcomm proxy statement contains certain additional information regarding Proposal 3 (referred to as Proposal 2 in the Qualcomm proxy statement).

**BROADCOM DOES NOT OBJECT TO THE RATIFICATION OF THE QUALCOMM AUDIT COMMITTEE’S SELECTION OF PWC AND RECOMMENDS A VOTE “FOR” PROPOSAL 3. IF BROADCOM DOES NOT RECEIVE SPECIFIC VOTING INSTRUCTIONS FROM STOCKHOLDERS, BROADCOM INTENDS TO VOTE “FOR” PROPOSAL 3. MARKED BLUE PROXY CARDS WILL BE VOTED AS DIRECTED.**

### PROPOSAL 4: ADVISORY VOTE FOR APPROVAL OF QUALCOMM’S EXECUTIVE COMPENSATION

As discussed in further detail in the Qualcomm proxy statement, the stockholder advisory vote, commonly known as “Say-on-Pay” is required pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, and gives Qualcomm’s stockholders the opportunity to approve or not approve, on a non-binding advisory basis, the compensation paid to Qualcomm’s named executive officers. At the 2014 annual meeting of Qualcomm stockholders, stockholders voted to require that the “Say-on-Pay” vote be held annually.

As indicated in the Qualcomm proxy statement, Qualcomm stockholders will be asked to vote on the following resolution at the Annual Meeting:

**“Resolved, that the stockholders of QUALCOMM Incorporated hereby approve, on a non-binding advisory basis, the compensation paid to the Company’s named executive officers, as disclosed in this proxy statement, including in the Compensation Discussion and Analysis, compensation tables and narrative disclosures.”**

As noted in the Qualcomm proxy statement, because your vote is advisory, it will not be binding upon Qualcomm, the Qualcomm Board or the Qualcomm Compensation Committee. However, the Qualcomm proxy statement indicates that Qualcomm’s Compensation Committee will take into account the outcome of this vote when considering future compensation decisions.

The Qualcomm proxy statement contains certain additional information regarding Proposal 4 (referred to as Proposal 3 in the Qualcomm proxy statement).

**BROADCOM MAKES NO RECOMMENDATION WITH RESPECT TO PROPOSAL 4 AND INTENDS TO “ABSTAIN” WITH RESPECT TO THIS PROPOSAL IF BROADCOM DOES NOT RECEIVE SPECIFIC VOTING INSTRUCTIONS FROM STOCKHOLDERS. MARKED BLUE PROXY CARDS WILL BE VOTED AS DIRECTED.**

**PROPOSAL 5: APPROVAL OF AMENDMENT TO THE AMENDED AND RESTATED QUALCOMM INCORPORATED 2001 EMPLOYEE STOCK PURCHASE PLAN, AS AMENDED, TO INCREASE THE SHARE RESERVE BY 30,000,000 SHARES**

As discussed in further detail in the Qualcomm proxy statement, in December 2000, Qualcomm adopted the 2001 Employee Stock Purchase Plan (the “ESPP”), which originally became effective on February 27, 2001. Since then, the ESPP has been amended ten times, most recently as of December 3, 2017. As noted in the Qualcomm proxy statement, on that date, the Qualcomm Compensation Committee amended the ESPP to increase the number of shares of its common stock available for issuance under the ESPP by 30,000,000 shares, subject to stockholder approval.

The affirmative vote of a majority of the votes cast at the Annual Meeting, at which a quorum is present, is required to approve this proposal.

The Qualcomm proxy statement contains certain additional information regarding Proposal 5 (referred to as Proposal 4 in the Qualcomm proxy statement).

**BROADCOM MAKES NO RECOMMENDATION WITH RESPECT TO PROPOSAL 5 AND INTENDS TO “ABSTAIN” WITH RESPECT TO THIS PROPOSAL IF BROADCOM DOES NOT RECEIVE SPECIFIC VOTING INSTRUCTIONS FROM STOCKHOLDERS. MARKED BLUE PROXY CARDS WILL BE VOTED AS DIRECTED.**

**PROPOSAL 6: ELIMINATION OF CERTAIN SUPERMAJORITY VOTING PROVISIONS AND OBSOLETE PROVISIONS FROM THE CERTIFICATE OF INCORPORATION**

As discussed in further detail in the Qualcomm proxy statement, the Qualcomm Board approved amendments to the Certificate of Incorporation to eliminate supermajority voting requirements relating to removal of directors without cause and to the amendment of the Bylaws and certain other provisions of the Certificate of Incorporation. The Qualcomm Board also approved amendments to delete certain obsolete provisions from the Certificate of Incorporation.

Assuming that a quorum is present, the affirmative vote of the holders of at least 66 2/3% of the outstanding shares of Qualcomm voting stock (which currently consists only of Qualcomm common stock) is required to approve these amendments.

The Qualcomm proxy statement contains certain additional information regarding Proposal 6 (referred to as Proposal 5 in the Qualcomm proxy statement).

**BROADCOM RECOMMENDS A VOTE “FOR” PROPOSAL 6. IF BROADCOM DOES NOT RECEIVE SPECIFIC VOTING INSTRUCTIONS FROM STOCKHOLDERS, BROADCOM INTENDS TO VOTE “FOR” PROPOSAL 6. MARKED BLUE PROXY CARDS WILL BE VOTED AS DIRECTED.**

**PROPOSAL 7: ELIMINATION OF PROVISIONS IN THE CERTIFICATE OF INCORPORATION REQUIRING A SUPERMAJORITY VOTE FOR CERTAIN TRANSACTIONS WITH INTERESTED STOCKHOLDERS**

As discussed in further detail in the Qualcomm proxy statement, the Qualcomm Board approved amendments to the Certificate of Incorporation to eliminate Article VIII from the Certificate of Incorporation, which contains requirements (commonly referred to as a “fair price provision”) applicable to certain “business combination” transactions with any individual, partnership, corporation or other entity, which together with its affiliates and associates, beneficially owns at least 15% of the voting power of the then-outstanding Qualcomm voting stock.

Assuming a quorum is present, the affirmative vote of the holders of at least 66 2/3% of the outstanding shares of Qualcomm voting stock (which currently consists only of Qualcomm common stock) is required to approve this amendment.

The Qualcomm proxy statement contains certain additional information regarding Proposal 7 (referred to as Proposal 6 in the Qualcomm proxy statement).

**BROADCOM RECOMMENDS A VOTE “FOR” PROPOSAL 7. IF BROADCOM DOES NOT RECEIVE SPECIFIC VOTING INSTRUCTIONS FROM STOCKHOLDERS, BROADCOM INTENDS TO VOTE “FOR” PROPOSAL 7. MARKED BLUE PROXY CARDS WILL BE VOTED AS DIRECTED.**

## OTHER MATTERS

As of the date of this proxy statement, Broadcom does not know of any other matters to be presented for approval by Qualcomm's stockholders at the Annual Meeting. If, however, other matters are properly presented, but were not known a reasonable time prior to the mailing of the definitive proxy statement, the persons named in the enclosed **BLUE** proxy card or **BLUE** voting instruction form will vote the common stock of Qualcomm represented thereby in accordance with their discretion pursuant to the authority granted in the proxy.

## VOTING AND PROXY PROCEDURES

### Securities Entitled to Vote

Qualcomm has fixed the close of business on [ ], as the record date for determining the Qualcomm stockholders who will be entitled to vote at the Annual Meeting. Accordingly, if you own shares of Qualcomm common stock at the close of business on [ ], you have the right to vote on all matters presented for stockholder action at the Annual Meeting.

According to the Qualcomm proxy statement, there were 1,480,685,518 shares of Qualcomm common stock outstanding as of December 11, 2017. Each share of Qualcomm common stock is entitled to one vote on each matter properly brought before the meeting.

As of the date of this proxy statement, Broadcom beneficially owns 916,271 shares of Qualcomm common stock, of which 1,000 shares are owned of record by Broadcom Corporation. Broadcom intends to vote all its shares of Qualcomm common stock "**FOR**" each of the Broadcom Nominees and "**FOR**" the Bylaw Proposal. Broadcom intends to vote all its shares of Qualcomm common stock "**FOR**" Proposal 3 (to ratify the selection of Qualcomm's independent public accountants), Proposal 6 (elimination of certain supermajority voting provisions and obsolete provisions from the Certificate of Incorporation) and Proposal 7 (elimination of certain supermajority voting provisions for transactions with interested stockholders from the Certificate of Incorporation), and intends to **ABSTAIN** with respect to Proposal 4 (advisory vote for approval of compensation paid to Qualcomm's named executive officers) and Proposal 5 (approval of an amendment to Qualcomm's 2001 Employee Stock Purchase Plan).

### Quorum; Vote Required

The quorum and vote requirements described in this proxy statement are based on Qualcomm's Certificate of Incorporation as filed with the SEC on July 20, 2016 and Bylaws as filed with the SEC on July 15, 2016 and Qualcomm's definitive proxy statement for its 2017 annual meeting.

Qualcomm's Certificate of Incorporation and Bylaws provide that directors are to be elected at each annual meeting of stockholders to hold office until the next annual meeting of stockholders and until their respective successors are elected and qualified. Vacancies on the Qualcomm Board resulting from death, resignation, disqualification, removal or other causes may be filled by either the affirmative vote of the holders of a majority of the then-outstanding shares of common stock or by the affirmative vote of a majority of the remaining directors then in office, even if less than a quorum of the Qualcomm Board is present. Newly created directorships resulting from any increase in the number of directors may, unless the Qualcomm Board determines otherwise, be filled only by the affirmative vote of the directors then in office, even if less than a quorum of the Qualcomm Board is present. Any director elected as a result of a vacancy shall hold office for a term expiring at the next annual meeting of stockholders and until such director's successor has been elected and qualified.

Qualcomm's Certificate of Incorporation provides that the number of directors shall be fixed exclusively by one or more resolutions adopted from time to time by the Qualcomm Board. As of the date of this proxy statement, the Qualcomm Board has set the number of directors at 11. We expect that eleven directors will stand for election at the Annual Meeting.

## Table of Contents

In a contested election, director nominees are elected by a plurality of the votes cast. This means that the eleven nominees for director who receive the most votes will be elected to the Qualcomm Board.

With respect to the Bylaw Proposal, Qualcomm's Bylaws provide that the Bylaws may be altered or amended or new bylaws adopted by the affirmative vote of at least 66 2/3% of the voting power of all of the then-outstanding shares of Qualcomm voting stock (which currently consists only of Qualcomm common stock).

The votes required to approve each of the Other Proposals to be considered by Qualcomm stockholders at the Annual Meeting are as follows:

- Proposal 3: The affirmative vote of a majority of the votes cast is required to ratify the selection of PricewaterhouseCoopers LLP as Qualcomm's independent registered public accountants described in the Qualcomm proxy statement.
- Proposal 4: The affirmative vote of a majority of the votes cast is required for the approval of the advisory vote on executive compensation described in the Qualcomm proxy statement.
- Proposal 5: The affirmative vote of a majority of the votes cast is required to approve the amendment to the Amended and Restated QUALCOMM Incorporated 2001 Employee Stock Purchase Plan.
- Proposal 6: The affirmative vote of the holders of at least 66 2/3% of the outstanding shares of Qualcomm voting stock (which currently consists only of Qualcomm common stock) is required to approve the amendments to the Certificate of Incorporation to eliminate certain supermajority provisions and obsolete provisions.
- Proposal 7: The affirmative vote of the holders of at least 66 2/3% of the outstanding shares of Qualcomm voting stock (which currently consists only of Qualcomm common stock) is required to approve the amendments to the Certificate of Incorporation to eliminate certain interested stockholder provisions.

Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will have no effect on the vote to elect directors, Proposal 3 (to ratify the selection of Qualcomm's independent public accountants), Proposal 4 (advisory vote for approval of compensation paid to Qualcomm's named executive officers) or Proposal 5 (approval of an amendment to Qualcomm's 2001 Employee Stock Purchase Plan), but will have the effect as a vote against the Bylaw Proposal, Proposal 6 (elimination of certain supermajority voting provisions and obsolete provisions from the Certificate of Incorporation) and Proposal 7 (elimination of certain supermajority voting provisions for transactions with interested stockholders from the Certificate of Incorporation).

### ***BROADCOM STRONGLY RECOMMENDS A VOTE “FOR” THE NOMINATION PROPOSAL AND THE BYLAW PROPOSAL AT THE ANNUAL MEETING.***

As of the date of this proxy statement, Broadcom does not know of any other matters to be presented for approval by Qualcomm’s stockholders at the Annual Meeting. If, however, other matters are properly presented, but were not known a reasonable time prior to the mailing of the definitive proxy statement, the persons named as proxies in the enclosed **BLUE** proxy card or **BLUE** voting instruction form will vote the shares represented thereby in accordance with their discretion pursuant to the authority granted in the proxy.

**Your vote is very important.** If you do not plan to attend the Annual Meeting, we encourage you to read this proxy statement and sign and return your completed **BLUE** proxy card or **BLUE** voting instruction form prior to the Annual Meeting so that your shares will be represented and voted in accordance with your instructions. Even if you plan to attend the Annual Meeting in person, we recommend that you authorize a proxy to vote your Qualcomm shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting. If your shares are held by a brokerage firm, bank or other nominee, you may vote your shares in person at the meeting only if you obtain a “legal” proxy from your brokerage firm, bank or other nominee.

### **Revocation of Proxies**

A stockholder of record may revoke or change his or her proxy instructions, including proxies already given to Qualcomm, at any time prior to the vote at the Annual Meeting by:

1. submitting a later-dated proxy by telephone or Internet as to how you would like your Qualcomm shares voted (instructions are on your **BLUE** proxy card);
2. submitting a properly executed, later-dated **BLUE** proxy card;
3. attending the Annual Meeting and revoking any previously submitted proxy by voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy); or
4. delivering written notice of revocation either to Broadcom Limited, c/o D.F. King & Co., Inc. 48 Wall Street, 22nd Floor New York, New York 10005 or to Qualcomm’s Corporate Secretary in writing at Qualcomm, 5775 Morehouse Drive, N-520I, San Diego, California 92121-1714, Attention: Corporate Secretary, or any other address provided by Qualcomm for these purposes.

**Broadcom requests that a copy of any revocation delivered to Qualcomm be mailed to D.F. King & Co., Inc. at the address listed above, so that Broadcom will be aware of all revocations and can more accurately determine if and when the requisite proxies for the election of the Broadcom Nominees to the Qualcomm Board and the approval of the Bylaw Proposal have been received.**

Please note that if your shares of Qualcomm common stock are held in “street name” by a brokerage firm, bank or other nominee, you must follow the instructions set forth in the **BLUE** voting instruction form provided by your brokerage firm, bank or other nominee to revoke your earlier vote. Submitting a later-dated **BLUE** voting instruction form by telephone or Internet, or mailing a later-dated **BLUE** voting instruction form, will revoke a previously cast vote.

Broadcom or D.F. King & Co., Inc. may contact Qualcomm stockholders who have revoked their proxies.

**Attending the Annual Meeting**

You are entitled to attend the Annual Meeting if you are a stockholder of record as of the close of business on the record date, [                      ].

If you hold your shares of Qualcomm common stock in “street name” with a brokerage firm, bank or other nominee, then your name will not appear in Qualcomm’s register of stockholders. Those shares are held in your nominee’s name, on your behalf, and your nominee will be entitled to vote your shares. Shares for which a stockholder is the beneficial holder but not the stockholder of record may be voted in person at the Annual Meeting only if such stockholder obtains a “legal” proxy from the brokerage firm, bank, or other nominee that holds the stockholder’s shares.

**NO APPRAISAL OR DISSENTER'S RIGHTS**

Stockholders of Qualcomm will not have rights of appraisal or similar dissenter's rights with respect to any of the matters identified in this proxy statement to be acted upon at the Annual Meeting.

**SOLICITATION OF PROXIES**

We will bear the entire expense of preparing and mailing this proxy statement and the total expenditures relating to our solicitation of **BLUE** proxy cards to vote at the Annual Meeting, including costs, if any, related to advertising, printing, fees of attorneys, financial advisors, solicitors and accountants, public relations, transportation and litigation. We may solicit your proxy by mail, telephone, email, Internet, facsimile, newspapers and other publications and personal solicitation. ## STOCKHOLDER PROPOSALS FOR THE 2019 ANNUAL MEETING

As of the date of this proxy statement, Qualcomm has not disclosed the dates prior to which notices of nominations for election to the Qualcomm Board or stockholder proposals in respect of the 2019 annual meeting of stockholders of Qualcomm must be delivered to Qualcomm for inclusion in Qualcomm's proxy materials for its 2019 annual meeting of stockholders. We believe that, in determining these dates, the principles below will apply, based on the Bylaws and publicly available information.

Under Rule 14a-8 of the Exchange Act, in order for stockholder proposals to be considered for inclusion in Qualcomm's proxy statement for the 2019 annual meeting of stockholders, such proposals must be received by Qualcomm at its principal executive offices not less than 120 calendar days before the anniversary of the date of Qualcomm's proxy statement released to stockholders in connection with the Annual Meeting. If an annual meeting is not held in 2018 or the date of the 2019 annual meeting varies by more than 30 days from the date of the 2018 annual meeting, Qualcomm will be required to establish a deadline a reasonable time prior to printing and mailing its proxy materials for the 2019 annual meeting. Such deadline for proposals to be brought under Rule 14a-8 of the Exchange Act will be set forth in Qualcomm's definitive proxy statement related to the Annual Meeting. Proposals should be addressed to: Qualcomm's Corporate Secretary, 5775 Morehouse Drive, N-520I, San Diego, California 92121-1714. Proposals received after that date may be considered untimely and may not be eligible for inclusion in the 2019 proxy statement.

If a stockholder desires to bring a matter before Qualcomm's annual meeting and the matter is submitted outside the process of the Exchange Act Rule 14a-8, including with respect to nominations for election as directors, the stockholder must follow the procedures set forth in the Bylaws. The Bylaws provide generally that stockholder proposals and director nominations to be considered at an annual meeting may be made by a stockholder only if (1) the stockholder is a stockholder of record and is entitled to vote at the meeting, and (2) the stockholder gives timely written notice of the matter to Qualcomm's Corporate Secretary.

To be timely, a stockholder's notice must be delivered to Qualcomm's Corporate Secretary at the principal executive offices of Qualcomm, addressed to: Corporate Secretary, 5775 Morehouse Drive, N-520I, San Diego, California 92121-1714, not earlier than the 120th day and not later than the close of business on the 90th day prior to the anniversary of the date of the 2018 annual meeting. However, if no annual meeting is held in 2018 or the date of the 2019 annual meeting changes by more than 30 calendar days from the date of the 2018 annual meeting as first specified in Qualcomm's notice of meeting (without regard to any postponements or adjournments of such meeting after such notice was first sent), notice by the stockholder to be timely must be so received not earlier than the 120th day prior to the date of such annual meeting and not later than the close of business on the later of the 90th day prior to the date of such annual meeting or, if the first public announcement of the date of such annual meeting is less than 100 days prior to the date of such annual meeting, the 10th day following the day on which public announcement of the date of such annual meeting is first made by Qualcomm. ### E. OTHER INFORMATION

Other than as set forth in Qualcomm's documents filed with the SEC, Broadcom does not know of any change in control of Qualcomm within the last fiscal year.

### F. CERTAIN EFFECTS RELATED TO THE SOLICITATION

#### *Recent Changes*

On December 20, 2017, Qualcomm adopted the Qualcomm Incorporated Non-Executive Officer Change in Control Severance Plan (the "Severance Plan"). In addition, on December 20, 2017, Qualcomm modified the definition of "change in control" in its 2006 Long-Term Incentive Plan and 2016 Long-Term Incentive Plan (such plans, the "LTIPs") to provide that a change in control will occur if the members of the Qualcomm Board on December 20, 2017 (the "Incumbent Board") cease for any reason to constitute at least a majority of the Qualcomm Board, provided that any individual subsequently becoming a director whose election, or nomination for election by Qualcomm's shareholders was approved by a vote of at least a majority of the directors then comprising the Incumbent Board will be considered as though such individual were a member of the Incumbent Board. As a direct result of Qualcomm's amendment of the LTIPs, the election of the Broadcom Nominees to the Qualcomm Board will constitute a "change in control" unless at least a majority of the Incumbent Board takes action to approve the election of the Broadcom Nominees. A description of the protections triggered under the Severance Plan and LTIPs upon the occurrence of a "change in control" is below.

#### *Severance Plan*

All of Qualcomm's full-time employees and part-time employees working at least 20 hours per week participate in the Severance Plan; provided that Qualcomm's Chief Executive Officer, Executive Chairman, President and Executive Vice Presidents are not eligible to participate in the Severance Plan. As of September 24, 2017, Qualcomm employed 33,800 full-time, part-time and temporary employees.

## Table of Contents

Pursuant to the Severance Plan, if, during the two-year period following any change in control, a participant's employment is terminated by Qualcomm without "cause" or by the participant for "good reason" (in each case, as defined in the Severance Plan), then the participant will receive, subject to a participant's execution of a release of claims,

(i) a lump sum severance payment of a number of weeks of the participant's base salary, based on the participant's position and years of service as described in the sentence immediately below,

(ii) in the case of participants who are Senior Vice Presidents and Vice Presidents only, a lump sum payment of a pro rata target bonus for the year of termination,

(iii) continued payment for the cost of the participant's premiums for health continuation coverage under COBRA for a period equal to the number of weeks of severance pay but no longer than the end of the COBRA period, and

(iv) outplacement benefits for a period of time and on a basis no less favorable than the participant would have received if he or she had terminated under a severance-qualifying termination as of immediately prior to the change in control.

For purposes of calculating the severance payment described in clause (i), the number of weeks of base salary will be

(a) in the case of Qualcomm's Senior Vice Presidents and Vice Presidents, 16 weeks plus two weeks for each year of service of the participant, but in no event less than 52 weeks;

(b) in the case of Qualcomm's Senior Staff through Senior Director Level Employees (Engineering, Professional and Overtime Eligible Professionals), 12 weeks plus two weeks for each year of service of the participant, but in no event less than 26 weeks;

(c) in the case of Qualcomm's Senior through Staff Level Employees (Engineering, Professional and Overtime Eligible Professionals), eight weeks plus two weeks for each year of service of the participant, but in no event less than 16 weeks;

(d) in the case of Qualcomm's Associate through Intermediate Level Employees (Engineering, Professional and Overtime Eligible Professionals), four weeks plus two weeks for each year of service of the participant, but in no event less than eight weeks; and

(e) in the case of all other participants, two weeks plus two weeks for each year of service of the participant, but in no event less than four weeks.

The cash severance provisions described in this paragraph apply to all participants, except that the payments described in clauses (i) and (ii) above will generally be reduced by any other severance payments or benefits such participant may receive.

The Severance Plan also provides that if a participant would be subject to the excise tax under Section 280G of the tax code, the payments will be reduced so that the participant is not subject to the tax, if such a reduction would place the participant in a better after-tax position than if the participant received the payments and paid the tax. Qualcomm can modify or terminate the Severance Plan at any time, except that no action that has the effect of reducing the rights of any employee under the Severance Plan will be effective during the one-year period following the date on which the action is taken without the written consent of the employee. In addition, no such action will be effective during a pending change in control or for the two-year period following any change in control without the written consent of the employee.

### *2006 Long-Term Incentive Plan and 2016 Long-Term Incentive Plan*

Outstanding, unvested awards would vest if, within 24 months after the change in control, a participant in either LTIP is involuntarily terminated for any reason other than for cause or voluntarily resigns for “good reason” (as defined in the participant’s award agreements) as follows: (i) any stock options and restricted stock units held by the participant will vest in full and (ii) any unvested performance stock units held by the participant would become fully vested, with the number of shares issued prorated based on a pre-established formula described in the participant’s award agreement. Outstanding awards under the LTIPs held by Qualcomm’s non-employee directors would vest in full upon a change in control. In Qualcomm’s preliminary proxy statement, as filed with the SEC on December 22, 2017, Qualcomm set forth potential payments to Qualcomm’s named executive officers that would have been made in respect of their performance unit awards, performance stock units and restricted stock units had a change in control and an involuntary termination occurred on September 24, 2017, as follows: Steve Mollenkopf—\$20,440,297; George S. Davis—\$4,329,324; Cristiano R. Amo—\$5,758,665; Paul E. Jacobs—\$22,029,134; James H. Thompson—\$5,438,584. For purposes of the estimates in the immediately preceding sentence, Qualcomm assumed 100% acceleration of unvested shares. Amounts may vary depending on actual performance metrics and the timing of any particular transactions and could differ in the event that awards are terminated and not assumed in connection with a transaction.

We have not independently verified if the copies of the plans and agreements discussed above in this section of *Annex A* titled “Certain Effects Related to the Solicitation” (collectively, the “Filed Agreements”) and publicly filed by Qualcomm with the SEC are the same as the executed copies of the Filed Agreements, and the analyses above are based on our review of Qualcomm’s public SEC filings. While we are not aware of any, there may be other agreements that may be triggered by a change in control in connection with the Proposals. The discussion of the potential impact of the Proposals is based upon our review of the Filed Agreements, Qualcomm’s Annual Report on Form 10-K for the year ended September 24, 2017, and Qualcomm’s preliminary proxy statement filed on December 22, 2017.

FORM OF NOMINATION AGREEMENT

, 2017

Nominee: \_\_\_\_\_  
Address: \_\_\_\_\_  
\_\_\_\_\_

Dear \_\_\_\_\_:

This letter agreement will confirm our understanding as follows:

You agree that you are willing, should Broadcom Limited (the “Company” or “we”) so elect, to become a member of a slate of nominees of the Company (the “Slate”) to stand for election as a director of Qualcomm Incorporated, a Delaware corporation (the “Target”), in connection with a proxy solicitation we are considering in respect of the 2018 annual meeting of stockholders of the Target (including any adjournment or postponement thereof or any special meeting held in lieu thereof, the “Annual Meeting”) or appointment or election by other means (the “Proxy Solicitation”). You further agree to serve as a director of the Target if so elected or appointed.

In connection with the foregoing agreements by you, the Company, irrespective of whether or not you are, in fact, elected or appointed as a director of the Target, hereby agrees to pay you, subject to this letter agreement, a one-time fee of \$100,000 in cash, payable in two installments as follows: (i) \$60,000 upon execution of this letter agreement, and (ii) \$40,000 upon the Company or the Target publicly announcing that the Company has formally submitted your name to the Target as a nominee of the Company for the Annual Meeting (collectively, the “Fee”). If, prior to the completion of the Proxy Solicitation (other than if the Company withdraws its proxy statement with respect to the Proxy Solicitation (the “Proxy Statement”) or otherwise determines not to proceed with the Proxy Solicitation following the filing of the Proxy Statement with the U.S. Securities and Exchange Commission (the “SEC”), in which case you will be entitled to the entire Fee), you voluntarily withdraw from serving as a Company nominee or otherwise refuse to serve as a director of the Target upon election or appointment thereto, you shall reimburse to the Company the full amount of the Fee, to the extent received prior to such date, and in such event you will no longer be eligible to receive any further installments of the Fee.

In addition, the Company hereby agrees that for the period starting from the date of this letter agreement and ending at the earlier of (i) your election as a director of the Target and (ii) the date you have been notified by the Company that it will not commence the Proxy Solicitation or has abandoned the Proxy Solicitation, or will not include you in the Slate or that the requisite number of votes for your election as a director of the Target has not been obtained, the Company will promptly reimburse you for all reasonable and customary out-of-pocket expenses necessary to perform your responsibilities as a nominee, up to an aggregate maximum amount of \$10,000, in addition to reasonable expenses for travel requested by us in connection with the Proxy Solicitation.

You understand that it may be difficult, if not impossible, to replace a nominee who, such as yourself, has agreed to serve on the Slate if such nominee later changes his or her mind and determines not to serve on the Slate and, if elected, to serve as a director of the Target. Accordingly, the Company is relying upon your agreement to stand for election and serve on the Slate and, if elected, to serve as a director of the Target. In that connection, you are being supplied with a questionnaire (the “Questionnaire”) in which you will be asked to provide the Company with information necessary for the Company to make appropriate disclosure to the Target and to use in creating the proxy materials to be sent to Target stockholders and to be filed with the SEC. You agree that (i) you will concurrently with your execution of this letter agreement complete, sign and deliver to the Company the Questionnaire, (ii) your responses in the Questionnaire will be true, complete and correct in all respects and that you will promptly inform the Company if you become aware of any changes that should be

made to your responses as a result of any subsequent development and (iii) you will provide any additional information as may be requested by the Company. In addition, you agree that, concurrently with your execution of this letter agreement, you will execute and return to the Company the attached instrument, in the form attached hereto as Exhibit A, confirming your consent to being nominated by the Company for election as a director of the Target and, if elected, to serve as a director of the Target. Upon being notified that we have chosen you as a member of the Slate, we may forward such consent and your completed Questionnaire (or summaries thereof) to the Target, and we may at any time, in our discretion, disclose such information, as well as the existence and contents of this letter agreement. Furthermore, you understand that we may elect, at our expense, to conduct a background and reference check on you, and you agree to complete and execute any necessary authorization forms or other documents required in connection therewith.

In consideration of your agreement as set forth above and to the extent permitted by applicable law, the Company hereby agrees that, so long as you actually serve on the Slate, the Company will defend, indemnify and hold you harmless from and against any and all losses, claims, damages, penalties, judgments, awards, settlements, liabilities, costs, expenses and disbursements (including, without limitation, reasonable attorneys' fees, costs, expenses and disbursements) incurred by you in the event that (a) you become a party, or are threatened to be made a party, to any civil, criminal, administrative or arbitrative action, suit or proceeding, and any appeal thereof relating to your role as a nominee for director of the Target on the Slate (a "Proceeding"), (b) you are called to testify or give a deposition in any Proceeding (whether or not you are a party or are threatened to be made a party to such Proceeding), or (c) otherwise arising from or in connection with or relating to the Proxy Solicitation, including, in each case, the advancement to you of all reasonable attorneys' costs and expenses incurred by you in connection with any Proceeding. Your right of indemnification hereunder shall continue (i) in the event that the Company determines to withdraw the Slate or remove you from the Slate and (ii) after the election has taken place but only for events that occur prior to such election and subsequent to the date hereof. Notwithstanding anything in this letter agreement to the contrary, the Company is not indemnifying you for any action taken by you or on your behalf which occurs prior to the date hereof or subsequent to the Annual Meeting or such earlier time as you are no longer a nominee of the Slate for election to the Target's Board of Directors or for any action taken by you as a director of the Target, if you are elected. Nothing herein shall be construed to provide you with indemnification (I) in the event you are found to have engaged in a violation of any provision of federal, state or international law in connection with the Proxy Solicitation, (II) if you acted in bad faith or in a manner that constitutes gross negligence or willful misconduct or (III) if you provided false or misleading information, or omitted material information, in the Questionnaire or otherwise in connection with the Proxy Solicitation.

Promptly after receipt by you of notice of any such claim, or threatened claim, or the commencement (or threatened commencement) of any Proceeding in respect of which indemnification may be sought as provided above, you must promptly notify the Company, in writing by personal delivery, email transmission or overnight mail of the receipt of any such notice or commencement of any such Proceeding. Any such notice should be sent to the following address: Broadcom Corporation, 1320 Ridder Park Drive, San Jose, California 95131; Attention: Chief Legal Officer, email: mark.brazeal@broadcom.com; provided, that the failure to so notify the Company shall not limit your rights to indemnification hereunder, except to the extent that the Company is actually prejudiced thereby. With respect to any such claim or Proceeding, the Company shall be entitled to participate therein and, to the extent the Company so determines, to assume and control your defense with counsel chosen by the Company; provided, however, that if the defendants in any such action include both you and the Company and if you have been advised by counsel that there may be one or more legal defenses available to you that are different from or additional to those available to the Company (a "Conflict Situation"), you will have the right to elect up to one (1) separate counsel reasonably satisfactory to the Company to participate in the defense of such action on your behalf. Notwithstanding, but in furtherance of, the foregoing, in the event of a Conflict Situation, you and other persons who are (or were) Company nominees for directors of the Target involved in said matter shall share such one (1) counsel (unless you have been advised by counsel that there may be one or more legal defenses available to you that are different from or additional to those available to any of such other persons). The Company shall not be responsible for any settlement of any claim or Proceeding against you covered by this

---

indemnity without the Company's prior written consent. The Company shall have the right to settle any such claim or Proceeding without your consent; provided that the Company may not enter into any settlement of any such claim or Proceeding without your consent, unless such settlement includes (i) no admission of liability or guilt by you and (ii) a release of you from any and all liability in respect of such claim.

Each of us recognizes that should you be elected to the Board of Directors of the Target, all of your activities and decisions as a director will be governed by applicable law and subject to your fiduciary duty to the Target and to the stockholders of the Target and, as a result, that there is and can be, no agreement between you and the Company that governs the decisions that you will make as a director of the Target. You agree that, if elected, you will exercise your independent judgment in all matters before the Target Board of Directors in accordance with your fiduciary duties.

Notwithstanding anything in this letter agreement to the contrary, the Company is not obligated to nominate you as a director of the Target. Unless terminated earlier, this letter agreement shall expire at the earlier of (i) your election as a director of the Target and (ii) the date you have been notified by the Company that it will not commence the Proxy Solicitation or has abandoned the Proxy Solicitation, or will not include you in the Slate or that the requisite number of votes for your election as a director of the Target has not been obtained.

This letter agreement sets forth the entire agreement between the Company and you as to the subject matter contained herein, and cannot be amended, modified or terminated, except by a writing executed by the Company and you. This letter agreement shall be governed by the laws of the State of New York, without giving effect to principles of conflicts of law. Each party hereby irrevocably and unconditionally submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York or any New York State court located in the Borough of Manhattan in the State of New York for any action, suit or proceeding arising out of or relating to this letter agreement, and each party hereby irrevocably and unconditionally agrees not to commence any such action, suit or proceeding except, in such courts, and waives any objection to the laying of venue of any such action, suit or proceeding in any such court.

This agreement (“Agreement”) is between \_\_\_\_\_, an individual residing at \_\_\_\_\_ (“Recipient”), and a company (the “Company”) set forth on the signature page hereto, and shall become effective as of \_\_\_\_\_, 2017.

WHEREAS, the Recipient is being considered as a possible nominee of the Company to serve on the Board of Directors (the “Board”) of a company listed on a U.S. securities exchange to be identified to you following an initial screening process (“Target”);

WHEREAS, in order to facilitate discussions regarding the consideration of Recipient for nomination to Target’s Board, the Recipient may receive certain confidential, proprietary and/or non-public information pertaining to the Company (including information about the Target provided by or on behalf of the Company) and a potential proxy contest, exchange offer, or other transaction between the Company and Target (“Potential Transaction”), which the Company desires to protect against unauthorized disclosure; and

NOW THEREFORE, in consideration of the covenants herein contained, the parties agree as follows:

1. As used herein, “Proprietary Information” means any information regarding the Company’s plans (including with respect to the Target), prospects, businesses, financial condition, operations, assets and liabilities and any notes, records or other documents and materials that contain, reflect, are based on or are generated from any such information, including any information about the Target that has been or may be provided or made available to Recipient by the Company or any of its directors, officers, employees, agents, advisors or other representatives (“Representatives”) orally, in writing, electronically or otherwise. “Proprietary Information” shall also include the identity of the Company and the Target and any information regarding a Potential Transaction (including, without limitation, that you are being considered for, or may become, a nominee of the Company, the existence or terms of this Agreement or any other arrangements or discussions between you and the Company or its Representatives, and the status of any such Potential Transaction) that has been or may be provided or made available to Recipient by the Company or any of its Representatives orally, in writing, electronically or otherwise. The obligations imposed by this Agreement will not apply with respect to any Proprietary Information required to be disclosed by Recipient pursuant to an order of a court of competent jurisdiction or if otherwise required to be disclosed by applicable law so long as the Recipient promptly notifies the Company of such order to allow the Company to contest such disclosure. For the avoidance of doubt, should Recipient be elected to the Board, nothing herein shall prohibit Recipient from complying with its fiduciary duties to the Target and its stockholders.

4. Recipient acknowledges that it is aware that applicable United States securities laws prohibit any person who has material nonpublic information about a company from purchasing or selling securities of such company or from communicating such information to any other person under circumstances in which it is reasonably foreseeable that such person is likely to purchase or sell such securities.

5. Recipient agrees that the Company shall be entitled to equitable relief, including injunctive relief and specific performance, in the event of any breach of the provisions of this Agreement.
