Item 1.01 Entry into a Material Definitive Agreement.

Purchase Agreement

On October 27, 2016, Qualcomm River Holdings B.V. (“Buyer”), a private company with limited liability organized under the laws of The Netherlands and an indirect, wholly owned subsidiary of QUALCOMM Incorporated (“Qualcomm”), entered into a Purchase Agreement (the “Purchase Agreement”) with NXP Semiconductors N.V., a public limited liability company organized under the laws of The Netherlands (“NXP”).

Pursuant to the terms of the Purchase Agreement, and upon the terms and subject to the conditions thereof, Buyer will commence a tender offer (the “Offer”) to purchase all of the issued and outstanding common shares, par value EUR 0.20 per share, of NXP (the “NXP Shares”) at a price of \$110.00 per NXP Share, net to the seller in cash, without interest, but subject to any applicable withholding taxes (the “Offer Price”). The Offer will initially remain open until the later of (a) 21 business days from the commencement date of the Offer and (b) the date that is six business days after the date of the EGM (as defined below), and may be extended in accordance with the terms of the Purchase Agreement.

Buyer’s obligation to purchase NXP Shares validly tendered and not properly withdrawn pursuant to the Offer is subject to the satisfaction or waiver of various closing conditions, including (a) NXP Shares having been validly tendered and not validly withdrawn (excluding NXP Shares tendered pursuant to guaranteed delivery procedures that have not yet been delivered in settlement or satisfaction of such guarantee prior to the expiration of the Offer) that represent, together with the shares then owned by Buyer and its affiliates, at least 95% of the then-outstanding NXP Shares (the “Minimum Condition”); provided that (x) if River shareholders at an extraordinary general meeting (the “EGM”) to be held prior to the closing of the Offer (the “Offer Closing”), approve certain resolutions related to the Asset Sale and the Liquidation (each as defined below), the Minimum Condition will be reduced to 80% and (y) Buyer, with NXP’s prior written consent, can reduce the Minimum Condition to a percentage not less than 70%; (b) the expiration or termination of any waiting period (and extensions thereof) applicable to the Offer and the other transactions contemplated by the Purchase Agreement under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and Council Regulation (EC) No. 139/2004 of the European Union, as amended, and the receipt of all other clearances or approvals under applicable antitrust laws (collectively, the “Required Antitrust Approvals”); (c) the absence of any applicable law or order of a governmental authority prohibiting the consummation of the Offer or the other transactions contemplated by the Purchase Agreement; (d) the accuracy of the representations and warranties of NXP contained in the Purchase Agreement (subject to certain materiality standards); (e) NXP’s material compliance with its covenants contained in the Purchase Agreement; (f) there not having been a material adverse effect on NXP following the execution of the Purchase Agreement; (g) the adoption of resolutions at the EGM providing for the appointment of Buyer designees to the board of directors of NXP (the “NXP Board”); and (h) the completion in all material respects of certain internal reorganization steps with respect to NXP and the disposition of certain non-core assets of NXP (the “Pre-Closing Reorganization”).

The Purchase Agreement provides, among other things, that following the Offer Closing, Buyer may effectuate a corporate reorganization of NXP and its subsidiaries (a “Post-Closing Reorganization”). If Buyer acquires less than 95% but at least 80% of the outstanding NXP Shares as of the Offer Closing (and the subsequent offering periods provided in the Purchase Agreement), the Post-Closing Reorganization will be undertaken by means of a sale of all of the assets of NXP to Buyer (the “Asset Sale”), followed promptly by a liquidation of NXP (the “Liquidation”). If Buyer acquires 95% or more of the outstanding NXP Shares as of the Offer Closing (and the subsequent offering periods provided in the Purchase Agreement), the Post-Closing Reorganization will be undertaken by means of the Asset Sale and, upon the closing of such Asset Sale, the commencement of a compulsory acquisition by Buyer of NXP Shares from any remaining minority NXP shareholders in accordance with Section 2:92a of the Dutch Civil Code (the “Compulsory Acquisition”). The Asset Sale and the Liquidation are subject to approval by NXP’s shareholders at the EGM. If Buyer commences the Liquidation, NXP will be dissolved in accordance with Section 2:19 of the Dutch Civil Code and all holders of NXP Shares who did not tender their NXP Shares in the Offer will receive, for each NXP Share then held, cash in an amount equal to the Offer Price (without interest, but subject to any applicable withholding taxes). If Buyer commences the Compulsory Acquisition, all holders of NXP Shares who did not tender their NXP Shares in the Offer will receive, for each NXP Share then held, cash in an amount determined by the Enterprise Chamber of the Amsterdam Court of Appeals, which amount is expected to equal the Offer Price (along with interest accruing at the Dutch statutory interest rate from the date that Buyer acquires 95% of the outstanding NXP Shares until the date on which payment is made pursuant to the Compulsory Acquisition). It is expected that following the completion of the Offer and the Post-Closing Reorganization, NXP will no longer be a publicly traded company, the listing of the NXP Shares on the NASDAQ Stock Market (“NASDAQ”) will be terminated and the NXP Shares will be deregistered under the Exchange Act of 1934, as amended (the “Exchange Act”), resulting in the cessation of NXP’s reporting obligations with respect to the NXP Shares thereunder.

The Purchase Agreement provides for the following treatment of the equity awards of NXP upon the payment by Buyer for all NXP Shares tendered as of the Offer Closing:

At the Offer Closing, each outstanding award of restricted stock units in respect of NXP Shares that are subject to only time-based vesting (each, a “NXP RSU”) and restricted stock units in respect of NXP Shares that are subject, in whole or in part, to vesting based on the achievement of one or more performance goals (each, a “NXP PSU”), which are either vested or vest solely as a result of the completion of the transactions contemplated by the Purchase Agreement, will be canceled in exchange for an amount in cash (without interest and subject to required withholding) equal to the product of (x) the Offer Price multiplied by (y) the total number of NXP Shares subject to such NXP RSU or NXP PSU, as applicable.

At the Offer Closing, each outstanding award of unvested NXP RSUs will be converted into an equity award subject to the same terms and conditions (including vesting, acceleration, and forfeiture provisions) as immediately prior to the Offer Closing, with respect to a number of shares of common stock, par value \$0.0001 per share, of Qualcomm (the “Qualcomm Shares”) (rounded down to the nearest whole share) equal to the product of (x) the total number of NXP Shares subject to such NXP RSU multiplied by (y) the Equity Award Adjustment Ratio. The “Equity Award Adjustment Ratio” is equal to (1) the Offer Price divided by (2) the average closing price of Qualcomm Shares on NASDAQ for the 20 consecutive trading days ending on the trading day immediately preceding the Offer Closing, rounded to the nearest one ten thousandth.

At the Offer Closing, each outstanding award of unvested NXP PSUs will be converted into an equity award subject to the same terms and conditions (including time-based vesting, acceleration, and forfeiture provisions) as immediately prior to the Offer Closing, with respect to a number of Qualcomm Shares (rounded down to the nearest whole share) equal to the product of (x) the total number of NXP Shares subject to such NXP PSU multiplied by (y) the Equity Award Adjustment Ratio. Any NXP PSUs that are so converted shall no longer be subject to any performance-based vesting conditions (but shall remain subject to any time- or service-based vesting conditions).

At the Offer Closing, each outstanding option granted by NXP to acquire NXP Shares (each, a “NXP Option”) that is either vested or vests solely as a result of the completion of the transactions contemplated by the Purchase Agreement will be canceled in exchange for an amount in cash (without interest, but subject to any applicable withholding taxes) equal to the product of (x) the excess, if any, of the Offer Price over the applicable per share exercise price of such NXP Option multiplied by (y) the number of NXP Shares subject to such NXP Option.

At the Offer Closing, each outstanding unvested NXP Option will be converted into an option to purchase, subject to the same terms and conditions (including vesting, acceleration, and forfeiture provisions) as immediately prior to the Offer Closing, a number of Qualcomm Shares (rounded down to the nearest whole share) equal to (a) the number of NXP Shares subject to such NXP Option multiplied by (b) the Equity Award Adjustment Ratio, with an exercise price per share (rounded up to the nearest whole cent) equal to (1) the per share exercise price of such NXP Option divided by (2) the Equity Award Adjustment Ratio.

The Purchase Agreement includes customary representations, warranties and covenants of Buyer and NXP. Until the earlier of the termination of the Purchase Agreement and the closing of the Offer, NXP has agreed to operate its business and the business of its subsidiaries in the ordinary course consistent with past practice and has agreed to certain other operating covenants, as set forth more fully in the Purchase Agreement. NXP has also agreed to cease all existing, and to not solicit or initiate, discussions with third parties regarding other proposals to acquire NXP. Subject to certain restrictions, NXP may take certain actions with respect to an unsolicited proposal. In addition, subject to the limitations set forth in the Purchase Agreement, Buyer and NXP have agreed to use their respective reasonable best efforts to obtain the Required Antitrust Approvals.

The Purchase Agreement contains certain termination rights, including (i) the right of either party to terminate the Purchase Agreement if the Offer is not consummated on or before October 27, 2017 (subject to certain extension rights), (ii) the right of NXP to terminate the Purchase Agreement to accept a superior proposal for an alternative acquisition transaction (where the receipt of such superior proposal was not proximately caused by a breach of NXP’s non-solicitation obligations and provided NXP complies with certain notice and other requirements under the Purchase Agreement, including the concurrent payment of the termination compensation discussed below) and (iii) the right of Buyer to terminate due to a change of recommendation by the NXP Board.

If the Purchase Agreement is terminated under certain circumstances, including termination by NXP to enter into a superior proposal for an alternative acquisition transaction or a termination following a change of recommendation by the NXP Board, NXP will be obligated to pay to Buyer termination compensation equal to \$1,250,000,000 in cash. If the Purchase Agreement is terminated under certain circumstances involving the failure to obtain the Required Antitrust Approvals or the failure to complete the Pre-Closing Reorganization in all material respects, Buyer will be obligated to pay NXP termination compensation equal to \$2,000,000,000 in cash.

The foregoing description of the Purchase Agreement does not purport to be complete, and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

The Purchase Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Buyer and NXP. The representations, warranties and covenants contained in the Purchase Agreement were made only for purposes of the Purchase Agreement as of the specific dates therein, were solely for the benefit of the parties to the Purchase Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Purchase Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Purchase Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties thereto or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in NXP's or Qualcomm's public disclosures.

Letter Agreement

Concurrently with the execution of the Purchase Agreement, Buyer and Qualcomm entered into a support letter agreement (the "Letter Agreement"), pursuant to which Qualcomm has agreed to take all actions necessary to ensure that Buyer performs, satisfies and discharges (a) all of its monetary and non-monetary obligations under and in accordance with the terms of the Purchase Agreement and (b) any of its debts or other obligations as they become due from and after the date of the Letter Agreement. Furthermore, Qualcomm has agreed, among other things, to (i) not permit Buyer to approve and adopt a plan of complete or partial liquidation, or initiate any dissolution, consolidation, recapitalization, bankruptcy or any suspension of payments under any applicable law affecting creditors' rights generally and (ii) ensure that Buyer is at all times solvent under all applicable laws.

The foregoing description of the Letter Agreement does not purport to be complete, and is qualified in its entirety by reference to the full text of the Letter Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

ARTICLE 2

THE OFFER

Section 2.01 The Offer.

(a) Provided that nothing shall have occurred that would give rise to a right to terminate this Agreement pursuant to Article 8, Buyer shall commence (within the meaning of Rule 14d-2 promulgated under the 1934 Act) the Offer as promptly as reasonably practicable after the date of this Agreement but in no event later than the fifteenth (15th) Business Day following the date of this Agreement. The obligations of Buyer to accept for payment, and pay for, any Shares tendered pursuant to the Offer shall be subject to the satisfaction or waiver (to the extent permitted under this Agreement) of the conditions set forth in Annex I (the "Offer Conditions"). The date on which Buyer commences the Offer is referred to as the "Offer Commencement Date".

(b) In accordance with the terms and conditions of this Agreement and subject to the satisfaction or waiver (to the extent such waiver is not prohibited by applicable Law) of the Offer Conditions, Buyer shall, at or as promptly as practicable following the Expiration Time (but in any event within two (2) Business Days thereafter), accept for payment (the time of acceptance for payment, the "Acceptance Time") and, at or as promptly as practicable following the Acceptance Time (but in any event within three (3) Business Days (calculated as set forth in Rule 14d-1(g)(3) promulgated under the 1934 Act) thereafter), pay (by delivery of funds to the depository for the Offer) for all Shares validly tendered and not properly withdrawn pursuant to the Offer as of the Acceptance Time (the "Closing"); provided, however, that if, but for this proviso, the Closing would have occurred on a Specified Quarter End Date, then, if elected by Buyer, the Closing shall take place on the first Business Day following the latest Specified Quarter End Date for a particular fiscal quarter, or on such other date to be specified by the Parties; provided, further, that Buyer shall confirm in writing to the Company, at the time of such election, that all Offer Conditions were satisfied on the date the Closing would have occurred but for the immediately preceding proviso and that all such Offer Conditions (other than any Offer Condition the waiver of which would be prohibited by Law and except where the Company's Willful Breach after delivery of such notice proximately caused the failure of such Offer Condition to be satisfied) shall be deemed to be satisfied as of such first Business Day. The date on which the Closing occurs is referred to in this Agreement as the "Closing Date". The Offer Consideration payable in respect of each Share pursuant to the preceding sentence shall be paid, net of any applicable Tax withholding with respect to the Offer Consideration pursuant to Section 2.09, to the seller in cash, without interest, on the terms and subject to the conditions of this Agreement.

(c) Buyer expressly reserves the right at any time to, in its sole discretion, waive, in whole or in part, any of the Offer Conditions and to make any change in the terms of or conditions to the Offer; provided that, without the prior written consent of the Company, Buyer shall not:

- (i) waive or change the Minimum Condition (except to the extent permitted under paragraph (A) of Annex I);

- (ii) decrease the Offer Consideration;
- (iii) change the form of consideration to be paid in the Offer;
- (iv) decrease the number of Shares sought in the Offer;
- (v) extend or otherwise change the Expiration Time, except as otherwise provided in this Agreement; or
- (vi) impose additional Offer Conditions or otherwise amend, modify or supplement any of the Offer Conditions or terms of the Offer in a manner adverse to the holders of Shares.

(d) The Offer shall initially expire at 9:00 a.m. (New York City time), or at such other time as the Parties may mutually agree, on the date that is the later of (i) twenty-one (21) Business Days (calculated in accordance with Rule 14d-1(g)(3) under the 1934 Act) following the commencement of the Offer and (ii) such date that is six (6) Business Days after the date of the EGM (such initial expiration date and time of the Offer, the "Initial Expiration Time") or, if the Offer has been extended pursuant to and in accordance with Section 2.01(e), the date and time to which the Offer has been so extended (the Initial Expiration Time, or such later expiration date and time to which the Offer has been so extended, the "Expiration Time").

(e) Subject to Article 8, Buyer may or shall, as applicable, extend the Offer from time to time as follows:

(i) for the minimum period as required by any rule, regulation, interpretation or position of the SEC, the staff thereof or the NASDAQ Global Select Market (the "NASDAQ") applicable to the Offer; or

(ii) if, at the then-scheduled Expiration Time, any of the Offer Conditions has not either been (A) satisfied or (B) waived by Buyer (to the extent such waiver is not prohibited under this Agreement and applicable Law), then Buyer shall extend the Offer on one or more occasions in consecutive periods of up to ten (10) Business Days each (with each such period to end at 5:00 p.m. (New York City time) on the last Business Day of such period) (or such other duration as may be agreed to by Buyer and the Company) in order to permit the satisfaction of such Offer Condition(s); provided, however, that if Buyer determines in good faith, after consultation with its outside legal counsel, that at any then-scheduled Expiration Time occurring during the first one hundred eighty (180) days following the date hereof, the Offer Condition set forth in paragraph (B) of Annex I is not reasonably likely to be satisfied within such ten (10) Business Day extension period, then Buyer shall be permitted to extend the Offer on such occasion for up to twenty (20) Business Days; provided further, however, that (x) Buyer shall not be required to extend the Offer to a date later than the End Date (as the End Date may be extended pursuant to Section 8.01(b)(i)) and (y) if the sole then-unsatisfied Offer Condition is the Minimum Condition, Buyer shall not be required to extend the Offer on more than two (2) occasions in consecutive

periods of up to ten (10) Business Days each (with each such period to end at 5:00 p.m. (New York City time) on the last Business Day of such period) (or such other duration as may be agreed to by Buyer and the Company).

(f) Following the Acceptance Time, Buyer shall (and the Offer Documents shall so indicate) provide a subsequent offering period (“Subsequent Offering Period”) in accordance with Rule 14d-11 promulgated under the 1934 Act of not less than ten (10) Business Days (calculated in accordance with Rule 14d-1(g)(3) promulgated under the 1934 Act). In the event that prior to the expiration of the Subsequent Offering Period, Buyer has elected to effectuate the Asset Sale, Buyer shall (and the Offer Documents shall so indicate) extend the Subsequent Offering Period for at least five (5) Business Days to permit any remaining Minority Shareholders to tender their Shares in exchange for the Offer Consideration (such extension, the “Minority Exit Offering Period”).

(g) The Offer may not be terminated prior to the Initial Expiration Time or the then-scheduled Expiration Time (as the same may be extended pursuant to Section 2.01(e)) unless this Agreement is validly terminated pursuant to Section 8.01. If this Agreement is validly terminated pursuant to Section 8.01, Buyer shall promptly (and in any event within twenty-four (24) hours following such valid termination) terminate the Offer and not acquire any Shares pursuant thereto. If the Offer is terminated in accordance with this Agreement by Buyer prior to the acceptance for payment and payment for Shares tendered pursuant to the Offer, Buyer shall promptly return, and shall cause any depository acting on behalf of Buyer to return, in accordance with applicable Law, all tendered Shares to the registered holders thereof. Nothing in this Section 2.01(g) shall affect any termination rights under Article 8.

(h) As soon as practicable on the Offer Commencement Date, Buyer shall (i) file with the SEC a Tender Offer Statement on Schedule TO with respect to the Offer (together with all amendments and supplements thereto and including exhibits thereto, the “Schedule TO”), which shall contain or incorporate by reference an offer to purchase and a related letter of transmittal and other appropriate ancillary offer documents required to be included therein (such Schedule TO and the documents included therein pursuant to which the Offer will be made, together with any amendments or supplements thereto and including exhibits thereto, the “Offer Documents”) and (ii) cause the Offer Documents to be disseminated to holders of Shares to the extent required by applicable United States federal securities Laws and any other applicable Law. Each of Buyer and the Company agrees promptly to correct any information provided by it for inclusion or incorporation by reference in the Schedule TO and the Offer Documents if and to the extent that such information shall have become (or shall have become known to be) false or misleading in any material respect. Buyer shall use its reasonable best efforts to cause the Schedule TO as so corrected to be filed with the SEC and the Offer Documents as so corrected to be disseminated to holders of Shares, in each case to the extent required by applicable United States federal securities Laws and any other applicable Law. The Company and its counsel shall be given a reasonable opportunity to review and comment on the Schedule TO and the Offer Documents each time before any such document is filed with the SEC, and Buyer shall include in such document (and any amendments thereto) all comments reasonably proposed by the Company and its counsel. Buyer shall provide the Company and its counsel with (A) any

comments or other communications, whether written or oral, that Buyer or its counsel may receive from time to time from the SEC or its staff or other Governmental Authorities with respect to the Schedule TO or the Offer Documents promptly after receipt of those comments or other communications and (B) a reasonable opportunity to participate in the response of Buyer to those comments and to provide comments on that response (which response shall include all comments reasonably proposed by the Company and its counsel), including by participating with Buyer or its counsel in any discussions or meetings with the SEC or other Governmental Authorities to the extent such participation is not prohibited by the SEC or other Governmental Authorities.

In the event that the Company is prohibited from providing such information, (A) it shall request permission from the applicable shareholders to provide such information to Buyer or (B) if the information requested is not received at least five (5) Business Days prior to the Offer Commencement Date, the Company shall deliver to such shareholders all information that would otherwise be required to be provided by Buyer to such shareholders of the Company in connection with the Offer, and, notwithstanding this Article 2, Buyer shall not have any obligation to deliver such information to such shareholders under this Agreement. Except as required by applicable Law, and except for such steps as are necessary to disseminate the Offer Documents and any other documents necessary to consummate the Offer, (i) Buyer and its Affiliates and Representatives shall hold in confidence the information contained in such labels, listings and files, shall use such information only in connection with the Transactions, and (ii) if this Agreement is terminated, Buyer shall deliver to the Company and shall use its reasonable best efforts to cause its Affiliates and Representatives to deliver to the Company all copies and any extracts or summaries from such information then in their possession.

Buyer shall promptly furnish to the Company all information concerning Buyer or any of its applicable Affiliates required by the 1934 Act to be set forth in the Schedule 14D-9. Each of the Company and Buyer agrees promptly to correct any information provided by it for inclusion or

incorporation by reference in the Schedule 14D-9 if and to the extent that it shall have become (or shall have become known to be) false or misleading in any material respect. The Company shall use reasonable best efforts to cause the Schedule 14D-9 as so corrected to be filed with the SEC and to be disseminated to holders of Shares, in each case to the extent required by applicable United States federal securities Laws and any other applicable Law. Buyer and its counsel shall be given a reasonable opportunity to review and comment on the Schedule 14D-9 each time before it is filed with the SEC, and the Company shall include in such document (and any amendments thereto) all comments reasonably proposed by Buyer and its counsel. The Company shall provide Buyer and its counsel with (i) any comments or other communications, whether written or oral, that the Company or its counsel may receive from time to time from the SEC or its staff or other Governmental Authorities with respect to the Schedule 14D-9 promptly after receipt of those comments or other communications and (ii) a reasonable opportunity to participate in the Company's response to those comments and to provide comments on that response (which response shall include all comments reasonably proposed by Buyer and its counsel), including by participating with the Company or its counsel in any discussions or meetings with the SEC or other Governmental Authorities to the extent such participation is not prohibited by the SEC or other Governmental Authorities.

Section 2.03 Outstanding Equity Awards.

(a) Vested Company RSUs and Company PSUs. At the Closing, each Company RSU and Company PSU that is outstanding as of immediately prior to the Closing and either (i) vested in accordance with the terms of the applicable Company Equity Plan and award agreement evidencing such Company RSU or Company PSU, as applicable, as of immediately prior to the Closing or (ii) subject to accelerated vesting solely as a result of the completion of the Transactions in accordance with the terms thereof, will, without any action on the part of Parent, Buyer, the Company, the holder thereof, or any other Person, be canceled and converted into and will become a right to receive an amount in cash, without interest, equal to the product obtained by multiplying (x) the Offer Consideration by (y) the total number of Shares subject to such Company RSU or Company PSU.

(b) Unvested Company RSUs. At the Closing, each Company RSU that is outstanding as of immediately prior to the Closing and not covered by Section 2.03(a) will, without any action on the part of Parent, Buyer, the Company, the holder thereof, or any other Person, be converted into an equity award subject to the same terms and conditions applicable to such Company RSU (including the same vesting schedule and terms regarding acceleration and forfeiture upon termination of employment or service) immediately prior to the Closing with respect to a number of shares of common stock (rounded down to the nearest whole share) of Parent equal to (i) the number of Shares subject to such Company RSU immediately prior to the Closing, multiplied by (ii) the Equity Award Adjustment Ratio. For purposes of this Agreement, the "Equity Award Adjustment Ratio" shall mean (x) the Offer Consideration divided by (y) the average closing price of the common stock of Parent on NASDAQ for the twenty (20) consecutive trading days ending on the trading day immediately preceding the date of the Closing, rounded to the nearest one ten thousandth. With respect to any fractional share that was rounded down in respect of any Company RSU, the holder shall be entitled to receive an amount in cash, without interest, equal to the product obtained by multiplying (x) the Offer Consideration by (y) such fractional share.

(c) Unvested Company PSUs. At the Closing, each Company PSU that is outstanding as of immediately prior to the Closing and not covered by Section 2.03(a), will, without any action on the part of Parent, Buyer, the Company, the holder thereof, or any other Person, be converted into an equity award with respect to a number of shares of common stock (rounded down to the nearest whole share) of Parent equal to (x) the number of Shares subject to such Company PSU immediately prior to the Closing, multiplied by (y) the Equity Award Adjustment Ratio. Each such converted award will thereafter be subject to the same terms and conditions as were applicable to the related Company PSU immediately prior to the Closing, except that as of the Closing the performance metrics shall no longer apply and the award shall be subject solely to service-based vesting on the applicable dates on which it would have vested in accordance with the terms thereof in effect prior to the Closing had the applicable performance criteria (including any “catch-up” performance criteria) been fully achieved, subject to acceleration and forfeiture upon termination of employment or service in accordance with the applicable terms of the award. With respect to any fractional share that was rounded down in respect of any Company PSU, the holder shall be entitled to receive an amount in cash, without interest, equal to the product obtained by multiplying (x) the Offer Consideration by (y) such fractional share.

(d) Vested Company Options. At the Closing, each Company Option that is outstanding as of immediately prior to the Closing and either (i) vested in accordance with the terms of the applicable Company Equity Plan and award agreement evidencing such Company Option as of immediately prior to the Closing or (ii) subject to accelerated vesting solely as a result of the completion of the Transactions in accordance with the terms thereof, will, without any action on the part of Parent, Buyer, the Company, the holder thereof, or any other Person, be canceled and converted into and will become a right to receive an amount in cash, without interest, equal to the product of (x) the excess, if any, of the Offer Consideration over the applicable per Share exercise price of such Company Option multiplied by (y) the number of Shares subject to such Company Option. Following the date of this Agreement, the Company shall use its reasonable best efforts to obtain any consents of any holders of any Company Option described in clause (i) or (ii) of the preceding sentence necessary to effectuate the treatment of such Company Options as described in this Section 2.03(d).

(e) Unvested Company Options. Notwithstanding anything herein to the contrary, to the extent applicable, the exercise price and the number of shares of Parent common stock purchasable pursuant to the Company Options shall be determined in a manner consistent with the requirements of Section 409A of the Code, and, in the case of any Company Option to which

Section 422 of the Code applies, the exercise price and the number of shares of Parent common stock purchasable pursuant to such option shall be determined subject to such adjustments as are necessary in order to satisfy the requirements of Section 424(a) of the Code.

(f) The payments in respect of Company Equity Awards described in this Section 2.03 will be subject to Section 2.09. Notwithstanding anything herein to the contrary, (i) with respect to any Company Equity Award that constitutes nonqualified deferred compensation subject to Section 409A of the Code, to the extent that payment of the amounts described in this Section 2.03 would otherwise cause the imposition of a Tax or penalty under Section 409A of the Code, such payment shall instead be made at the earliest time permitted under the Company Equity Plan and applicable award agreement that will not result in the imposition of such Tax or penalty and (ii) with respect to Company Equity Awards held by individuals subject to Taxes imposed by the Laws of a country other than the United States, the Parties shall cooperate in good faith prior to the Closing with the goal of minimizing the Tax impact of the provisions set forth in this Section 2.03.

(g) As soon as reasonably practicable after the Closing (but no later than the second payroll date after the Closing), the applicable holders of vested Company Equity Awards will receive the payments described in Section 2.03(a) and Section 2.03(d) from the Company or its applicable Subsidiary or Affiliate (which amounts Buyer shall deposit or cause to be deposited, to the extent that the Company's (or its applicable Subsidiary's or Affiliate's) cash as of the Closing is insufficient to fund the payment of such amounts, with the Company or its applicable Subsidiary or Affiliate, by wire transfer of immediately available funds, at or promptly following the Closing), through its payroll system or payroll provider, of all amounts required to be paid to such holders in respect of such vested Company Equity Awards that are canceled and converted pursuant to Section 2.03(a) or Section 2.03(d). Notwithstanding the foregoing, if any such payment owed to a holder of such a vested Company Equity Award cannot be made through the Company's (or its applicable Subsidiary's or Affiliate's) payroll system or payroll provider, then the Company (or its applicable Subsidiary or Affiliate) will issue a check for such payment to such holder promptly following the Closing Date.

(h) As soon as reasonably practicable following the date of this Agreement, and in any event prior to the Closing, the Company, the Company Board and the Nominating and Compensation Committee of the Company Board (the "Compensation Committee"), as applicable, shall adopt any resolutions and amendments as may be necessary to effectuate the provisions of this Section 2.03. Subject to applicable Law, the Company shall take all actions necessary to provide that the Company will not be required to deliver Shares or other shares in the share capital of the Company to any Person pursuant to or in settlement of Company Equity Awards after the Closing; provided that, notwithstanding the foregoing, (i) the Company shall only be required to use commercially reasonable efforts to obtain any applicable consents or acknowledgements from the holders of any Company Equity Awards that may be necessary to effectuate the provisions of this sentence and (ii) in no event shall the Company's failure to obtain any such consents or acknowledgements after using such commercially reasonable efforts be deemed to be a breach of this Agreement.

(i) At the Closing, Buyer shall (or shall cause one of its Affiliates to) assume the Company Equity Plan and all obligations of the Company under the Company Equity

Plan. The agreements evidencing any Company Equity Award that is converted pursuant to this Section 2.03 shall continue in effect on the same terms and conditions (subject to the adjustments required by this Section 2.03). Buyer shall (or shall cause one of its Affiliates to) take all corporate action necessary to reserve for issuance a sufficient number of shares of Parent common stock for delivery upon exercise or settlement of such assumed awards. As soon as reasonably practicable after the Closing, to the extent necessary, Buyer shall (or shall cause one of its Affiliates to) file a registration statement on Form S-8 (or any successor or other appropriate form) with respect to the shares of Parent common stock underlying such assumed awards and shall use its reasonable best efforts to maintain the effectiveness of such registration statement or registration statements (and maintain the current status of the prospectus or prospectuses contained therein) for so long as such assumed awards remain outstanding.

The Company shall, and shall cause each of its Subsidiaries and its and their respective directors and officers to, and shall direct each of the Representatives of the Company and its Subsidiaries to, immediately cease and cause to be terminated any and all existing discussions or negotiations with any Person conducted prior to the date of this Agreement with respect to any Alternative Acquisition Proposal, and shall not modify, amend or terminate, or waive, release or assign, any provisions of, any confidentiality or standstill agreement (or any similar agreement) to which the Company or any of its Subsidiaries is a party relating to any such Alternative Acquisition Proposal and shall enforce the provisions of any such agreement; provided that the Company shall be permitted to release or waive the standstill obligations solely to the extent necessary to permit the party referenced therein to submit an Alternative Acquisition Proposal to the Company Board on a confidential basis conditioned upon such Person agreeing that the Company shall not be prohibited from providing any information to Buyer regarding any such Alternative Acquisition Proposal in accordance with the terms of this Section 5.03. The Company shall promptly (and in any event within two (2) Business Days of the date of this Agreement) request each Person that has prior to the date of this Agreement executed a confidentiality agreement in connection with its consideration of any Alternative Acquisition Proposal to, in accordance with the terms of such agreement, return or destroy all confidential information furnished prior to the execution of this Agreement to or for the benefit of such Person by or on behalf of the Company or any of its Subsidiaries. The Company agrees that it shall promptly inform its Representatives of the obligations undertaken in this Section 5.03.

(b) Notwithstanding anything to the contrary contained in Section 5.03(a), in the event that the Company receives during the Pre-Closing Period, an unsolicited *bona fide* written Alternative Acquisition Proposal, the Company may take the following actions (but only if (A) the Company Board determines in good faith, after consultation with its outside legal counsel, that the failure to do so would be inconsistent with its fiduciary duties under the Laws of The Netherlands and (B) (i) the Company Board determines in good faith, after consultation with its outside legal counsel and financial advisors, that such Alternative Acquisition Proposal constitutes or would reasonably be expected to lead to a Superior Proposal and (ii) the submission of such Alternative Acquisition Proposal did not result from or arise in connection with a breach of this Section 5.03):

(i) furnish nonpublic information with respect to the Company and its Subsidiaries to the Person or group making such Alternative Acquisition Proposal; provided that (A) prior to furnishing any such nonpublic information, it receives from such Person or group an executed confidentiality agreement containing confidentiality terms at least as restrictive as the terms contained in the Confidentiality Agreement, and which shall not contain any exclusivity provision or other term that would restrict, in any manner, the Company's ability to consummate the Transactions or to comply with its

disclosure obligations to Buyer pursuant to this Agreement (an “Acceptable Confidentiality Agreement”) and (B) prior to or contemporaneously with furnishing any such nonpublic information to such Person or group, it furnishes such nonpublic information to Buyer to the extent Buyer has not previously been provided with such information; and

(ii) engage in discussions or negotiations with such Person or group with respect to such Alternative Acquisition Proposal.

(c) In addition to the obligations of the Company set forth in Sections 5.03(a), (b), and (d), as promptly as practicable (and in any event within twenty-four (24) hours) after receipt of any Alternative Acquisition Proposal or any request for nonpublic information or any inquiry that would reasonably be expected to lead to any Alternative Acquisition Proposal, the Company shall provide Buyer with written notice of the material terms and conditions of such Alternative Acquisition Proposal, request or inquiry, and the identity of the Person or group making any such Alternative Acquisition Proposal, request or inquiry, if not previously provided pursuant to Section 5.03(b). Commencing upon the provision of any notice referred to above and continuing until such Alternative Acquisition Proposal, request or inquiry is withdrawn, (i) the Company (or its outside legal counsel) shall keep Buyer (or its outside counsel) informed on a reasonably current basis regarding the status and terms (other than immaterial terms) of discussions and negotiations relating to any such Alternative Acquisition Proposal, request or inquiry at the request of Buyer and (ii) the Company shall, as promptly as practicable (and in any event within twenty-four (24) hours following the receipt or delivery thereof), provide Buyer (or its outside legal counsel) with unredacted copies of all written proposals or proposed transaction agreements (including all schedules and exhibits thereto) relating to any such Alternative Acquisition Proposal.

(d) Except as provided in Section 5.03(e), neither the Company Board nor any committee thereof shall, directly or indirectly, (i) (A) withhold, withdraw, qualify, amend or modify, or publicly propose to withhold, withdraw, qualify, amend or modify, the Company Recommendation or fail to make, or include in the applicable Company Disclosure Documents, the approval, adoption, recommendation or declaration of advisability by the Company Board or any committee thereof of this Agreement, of the Offer or any of the other Transactions, or make any public statement inconsistent with the Company Recommendation or (B) recommend, adopt or approve, or propose publicly to recommend, adopt or approve, any Alternative Acquisition Proposal, or (C) publicly make any recommendation in connection with an Alternative Acquisition Proposal other than a recommendation against such proposal (any action described in this clause (i) being referred to as an “Adverse Recommendation Change”) or (ii) approve or recommend, or publicly propose to approve or recommend, or allow the Company or any of its Affiliates to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar Contract (other than an Acceptable Confidentiality Agreement) (A) relating to any Alternative Acquisition Proposal or any offer or proposal that would reasonably be expected to lead to an Alternative Acquisition Proposal or (B) requiring it (or that would require it) to abandon, terminate or fail to consummate the Transactions (an “Alternative Acquisition Agreement”).

(e) Notwithstanding anything to the contrary set forth in Section 5.03(d), solely in response to a Superior Proposal received by the Company Board after the date of this Agreement, the Company Board may, at any time prior to the Expiration Time, make an Adverse Recommendation Change or validly terminate this Agreement to enter into an Alternative Acquisition Agreement with respect to such Superior Proposal in accordance with Section 8.01(d)(i), or authorize, resolve, agree or propose publicly to take any such action, only if all of the following conditions are met:

(i) the Company has not breached any of its obligations under this Section 5.03 (where such breach proximately caused such Superior Proposal being received by the Company);

(ii) the Company shall have (A) provided to Buyer four (4) Business Days' prior written notice, which shall state expressly (1) that it has received a Superior Proposal, (2) the material terms and conditions of the Superior Proposal (including the consideration offered therein and the identity of the Person or group making the Superior Proposal), and shall have contemporaneously provided an unredacted copy of the Alternative Acquisition Agreement and all other documents (other than immaterial documents) related to the Superior Proposal (it being understood and agreed that any amendment to the financial terms or any other material term or condition of such Superior Proposal shall require a new notice and a new three (3) Business Day period) and (3) that, subject to clause (iii) below, the Company Board has determined to effect an Adverse Recommendation Change or to terminate this Agreement in accordance with Section 8.01(d)(i) in order to enter into the Alternative Acquisition Agreement, as applicable, and (B) prior to making such an Adverse Recommendation Change or terminating this Agreement in accordance with Section 8.01(d)(i), as applicable, to the extent requested by Buyer, engaged in good faith negotiations with Buyer during such four (4) Business Day period to amend this Agreement in such a manner that the Alternative Acquisition Agreement ceases to constitute a Superior Proposal; and

(iii) the Company Board shall have determined, in good faith, after consultation with its outside legal counsel and financial advisors, that, in light of such Superior Proposal and taking into account any revised terms proposed by Buyer, such Superior Proposal continues to constitute a Superior Proposal and that the failure to make such Adverse Recommendation Change or to so terminate this Agreement in accordance with Section 8.01(d)(i), as applicable, would be inconsistent with the directors' fiduciary duties under the Laws of The Netherlands.

(f) Notwithstanding anything to the contrary set forth in Section 5.03(d), upon the occurrence of any Intervening Event, the Company Board may, at any time prior to the Expiration Time, make an Adverse Recommendation Change, or authorize, resolve, agree or propose publicly to take any such action, only if all of the following conditions are met:

(i) the Company shall have (A) provided to Buyer four (4) Business Days' prior written notice, which shall (1) set forth in reasonable detail information describing the Intervening Event and the rationale for the Adverse Recommendation Change and (2) state expressly that, subject to clause (ii) below, the Company Board has determined to effect an Adverse Recommendation Change and (B) prior to making such an Adverse Recommendation Change, to the extent requested by Buyer, engaged in good faith negotiations with Buyer during such four (4) Business Day period to amend this Agreement in such a manner that the failure of the Company Board to make an Adverse Recommendation Change in response to the Intervening Event in accordance with clause (ii) below would no longer be inconsistent with the directors' fiduciary duties under the Laws of The Netherlands; and

(ii) the Company Board shall have determined in good faith, after consultation with its outside legal counsel and financial advisors, that in light of such Intervening Event and taking into account any revised terms proposed by Buyer, the failure to make an Adverse Recommendation Change would be inconsistent with the directors' fiduciary duties under the Laws of The Netherlands.

(g) Unless this Agreement is otherwise terminated pursuant to Article 8, neither the Company nor the Company Board (or any committee thereof) shall take any action to make the provisions of any "fair price," "business combination," "control share acquisition" or other state takeover statute or similar Law inapplicable to any transactions contemplated by an Alternative Acquisition Proposal.

(h) Nothing contained in this Agreement shall prohibit the Company or the Company Board from taking and disclosing to the Company's shareholders a position contemplated by Rule 14d-9 and Rule 14e-2(a) promulgated under the 1934 Act (or any similar communication to shareholders in connection with the making or amendment of a tender offer or exchange offer); provided that any such disclosure shall be deemed an Adverse Recommendation Change unless the Company Board expressly publicly reaffirms the Company Recommendation.

In addition, for a period of six (6) years following the Closing, Buyer shall cause (and Buyer shall cause Parent to cause) the Company and its Subsidiaries to cause the certificate of incorporation and bylaws (or other similar organizational documents) of the Company and its Subsidiaries to contain provisions with respect to exculpation of Liability of all Indemnified Persons, indemnification of all Indemnified Persons and advancement of fees, costs and expenses that are no less advantageous in the aggregate to the intended beneficiaries than the corresponding provisions contained in the Company Organizational Documents. To the maximum extent permitted by applicable Law, such indemnification and exculpation shall be mandatory rather than permissive.

(b) Buyer shall obtain, or cause to be obtained, as of the Closing, a "tail" insurance policy with a claims period of six (6) years after the Closing with respect to directors' and officers' Liability insurance covering each Person currently covered by the Company's directors' and officers' Liability insurance policy for acts or omissions occurring at or prior to the Closing on terms that are no less favorable than those of such policy of the Company in effect on the date of this Agreement, which insurance shall, prior to the Closing, be in effect and prepaid for such six (6)-year period; provided, however, that, in no event shall the total cost for such prepaid "tail" insurance policy exceed 300% of the annual premiums paid as of the date hereof by the Company for such insurance (the "Premium Cap"), and if the total cost for such prepaid "tail" policy exceeds the Premium Cap, then Buyer may obtain a prepaid "tail" policy with the maximum coverage available for a total cost of the Premium Cap. If Buyer for any reason fails to obtain such "tail" insurance policy as of the Closing, Buyer shall continue to maintain in effect, for a period of at least six (6) years from and after the Closing, the directors' and officers' Liability insurance in place as of the date of this Agreement with the Company's current insurance carrier or with an insurance carrier with the same or better credit rating as the Company's current directors' and officers' Liability insurance carrier.

(c) If Buyer, the Company or any of their respective successors or assigns (i) shall consolidate with, or merge with or into, any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) shall transfer all or substantially all of its properties or assets to any Person, then, in each case, Buyer shall take such action as may be necessary so that such Person shall assume all of the applicable obligations set forth in this Section 6.01.

(d) Each of the Indemnified Persons are intended to be third party beneficiaries of this Section 6.01 with full rights of enforcement as if a party hereto. The rights of any Indemnified Person under this Section 6.01 shall be in addition to, and not in substitution for, any other rights that such Persons may have under the Company Organizational Documents, the Indemnification Agreements or applicable Law (whether at Law or in equity).

Section 6.02 Employee Matters.

(a) For a period commencing on the Closing Date and ending on the first anniversary of the Closing (or, such shorter period of employment, as the case may be), each employee of the Company or its Subsidiaries who remains employed by Buyer or any of its Affiliates (each, a "Continuing Employee") shall receive from Buyer (or its applicable Affiliate) compensation (including, base salary and annual bonus opportunity) that is substantially comparable in the aggregate to what such Continuing Employee was entitled to immediately prior to the Closing Date and benefits that are substantially comparable in the aggregate to either those benefits that are generally made available as of the date of this Agreement by the Company to such employees or by Buyer to similarly situated employees of Buyer and its Affiliates, as determined by Buyer in its sole discretion. This Section 6.02(a) shall not apply to Continuing Employees whose terms and conditions of employment are governed by a collective bargaining, works council, or similar agreement. Buyer will cause the Company and its Subsidiaries to honor the terms of any written collective bargaining or similar agreements to which the Company or its Subsidiaries is bound.

(b) Any Continuing Employee who incurs a termination of employment during the period commencing on the Closing Date and ending on the first anniversary of the Closing Date shall be entitled to receive the severance payments and benefits that such Continuing Employee would have been entitled to receive from the Company and its Affiliates under its applicable written severance plans and policies as in effect immediately prior to the Closing and that have been made available to Buyer in accordance with Section 3.18(b) of this Agreement.

(c) As of the Closing and solely with respect to Continuing Employees, should Buyer elect to transition a Continuing Employee from a Company Plan to a welfare plan of Buyer or one of its Affiliates, Buyer shall, and shall cause any applicable Affiliate to, and shall use reasonable best efforts to cause any of their applicable respective Third Party insurance providers to, use reasonable best efforts to waive all limitations as to any pre-existing condition or waiting periods in its applicable welfare plans with respect to participation and coverage requirements applicable to each Continuing Employee under any welfare plans that such Continuing Employee may be eligible to participate in after the Closing and to credit each Continuing Employee for any copayments, deductibles, offsets or similar payments made under a Company Plan during the plan year that includes the Closing for purposes of satisfying any applicable copayment, deductible, offset or similar requirements under the comparable plans of Buyer or any of its Affiliates. As of the Closing, Buyer shall, or shall cause any applicable Affiliate to, credit to Continuing Employees the amount of vacation time that such employees had accrued under any applicable Company Plan as of the Closing, in each case, insofar as not prohibited by applicable Law. In addition, as of the Closing, Buyer shall, and shall cause its applicable Affiliate to give Continuing Employees full credit for purposes of eligibility, vesting, participation in and solely for vacation plans, determination of level of benefits under any employee benefit and compensation plans or arrangements (other than with respect to defined benefit plans, retiree medical plans or frozen benefit plans) maintained by Buyer or an applicable Affiliate that such Continuing Employees may be eligible to participate in after the Closing for such Continuing Employees' service with the Company or any of its Subsidiaries to the same extent that such service was credited for purposes of any comparable Company Plan immediately prior to the Closing, except, in each case, to the extent such treatment would result in duplicative benefits.

(d) As soon as reasonably practicable following the date of this Agreement, the Company shall take all actions including obtaining any necessary determinations or resolutions of the Company Board (or a committee thereof), if appropriate, amending the terms of the Company ESPP that may be necessary or required under the Company ESPP and applicable Laws to (A) prohibit participants in the Company ESPP from increasing their payroll deductions from those in effect on the date of this Agreement (or to make separate non-payroll contributions to the Company ESPP on or following the date of this Agreement, except as may be required by applicable Law), (B) if the Closing shall occur prior to the scheduled ending date of an offering period (any such period, the "Final Offering"), provide each individual participating in the Final Offering with notice of the transactions contemplated by this Agreement no later than ten (10) Business Days prior to the Closing Date, (C) cause the Final Offering to end no later than one (1) Business Day prior to the Closing Date, (D) make any pro rata adjustments that may be necessary to reflect the shortened Final Offering, but otherwise treat such shortened Final Offering as a fully effective and completed offering period for all purposes pursuant to the Company ESPP, (E) cause each Company ESPP participant's accumulated contributions under the Company ESPP to be used to purchase Shares in accordance with the Company ESPP as of the end of the Final Offering, (F) provide that the applicable purchase price for Shares shall not be decreased below the levels set forth in the Company ESPP as of the date of this Agreement and (G) ensure that no further rights are granted or exercised under the Company ESPP after the Acceptance Time. Immediately prior to and effective as of the Closing (but subject to the consummation of the Transactions), the Company will terminate the Company ESPP.

(e) If requested by Buyer in writing within ten (10) Business Days prior to the Closing, effective as of, and contingent upon, the Closing, the Company shall adopt such resolutions and/or amendments to terminate each Company Plan listed on Section 6.02(c) of the Company Letter (each, a "Terminated Plan"). The Company shall provide Buyer with a copy of the resolutions and/or plan amendments (subject to reasonable advance review and comment by Buyer) evidencing that each Terminated Plan has been terminated.

(f) Each individual who is employed by the Company or any of its Affiliates as of immediately prior to the Closing and is a participant in a cash bonus program maintained by the Company or any of its Affiliates for the year in which the Closing occurs shall be eligible to receive a cash bonus based on the level of achievement of the applicable performance criteria as of the Closing as determined by the Compensation Committee prior to the Closing, pro-rated based on the number of days in the applicable performance period that have elapsed as of the Closing. Any such bonus shall be paid to the applicable employee on the same date on which the bonus would have been paid to the employee had the Closing not occurred (subject to the same employment or service requirements, and any acceleration of payments based on the terms of the applicable bonus program as in effect immediately prior to the Closing).

(g) Buyer hereby acknowledges and agrees that the consummation of the Transactions shall constitute a change in control or change of control (or words of similar import), as the case may be, for all purposes under each of the Company Plans for which such concept is relevant.

(h) Notwithstanding the generality of Section 9.10, the provisions of this Section 6.02 are solely for the benefit of the Parties, and no current or former Company Service Provider or any other individual associated therewith shall be regarded for any purpose as a third-party beneficiary of this Section 6.02. In no event shall the terms of this Agreement be deemed to confer upon any Company Service Provider any right to continued employment with Buyer or any of its Affiliates (including, following the Acceptance Time, the Company and its Subsidiaries) or to limit the ability of Buyer, or any of its Affiliates to terminate the employment of any employee at any time and for any reason. Nothing herein shall be deemed to establish, amend, modify or cause to be adopted any Company Plan or any other benefit plan, program, agreement or arrangement maintained or sponsored by Buyer, the Company or any of their respective Affiliates.

Section 6.03 Letter Agreement Matters. Buyer shall (a) take any and all actions (including enforcing its rights against Parent under the Letter Agreement) necessary to ensure that Parent performs, satisfies and discharges, and has the ability to perform, satisfy and discharge, each and every covenant, term, condition or other obligation (both monetary and non-monetary) to be performed or complied with by Parent under, and in accordance with the terms of, the Letter Agreement, (b) not agree, resolve or commit to amend, modify, terminate or waive (or permit Parent to so agree, resolve or commit to amend, modify, terminate or waive) any right or remedy under, the Letter Agreement and (c) not take, or agree, resolve or commit to take (or permit Parent to so take, agree, resolve or commit to take), any action that could in any way adversely impact any of Buyer's rights (including Buyer's ability to enforce its rights) under the Letter Agreement.

Section 6.04 Letter of Credit Matters. No later than thirty (30) days from the date of this Agreement (the "Delivery Date"), Buyer shall cause an Affiliate of Buyer to deliver to the Company (i) an irrevocable standby letter of credit from the financial institution named therein (the "L/C Bank"), for the amount of \$\$2,000,000,000 in favor of the Company, dated as of the date thereof (the "Letter of Credit"), pursuant to which the Company shall have the right, subject only to the Company's ability to draw described below, to draw in amounts to fund the Buyer Termination Compensation or to satisfy any damages judgment, decision or award of a Governmental Authority pursuant to which Buyer is obligated to pay amounts to the Company pursuant to this Agreement. The Letter of Credit shall provide that the L/C Bank shall fund all funds under the Letter of Credit to the Company within five (5) Business Days after L/C Bank receives either (i) written confirmation from both Parent and the Company that they mutually agree that such funds are payable to the Company pursuant to this Agreement or (ii) from the Company with a copy of an order from a Chosen Court finding that such funds are due and payable to the Company pursuant to this Agreement. Except as set forth in the Letter of Credit, until the earlier of (x) the Closing and (y) such time as this Agreement is validly terminated in accordance with its terms, Buyer shall not, and shall not permit any of its Affiliates to, (a) agree, resolve or commit to amend, modify, terminate or waive any right or remedy under the Letter of Credit and (b) take, agree, resolve, commit to take, any action that could in any way adversely impact any of the Company's rights (including the Company's ability to enforce its rights) under the Letter of Credit. Buyer shall arrange that any and all commitment fees or other fees required

to be paid pursuant to the terms of the Letter of Credit or any financing facility or reimbursement agreement under which the Letter of Credit will be issued on or before the Delivery Date, will be paid in full, and will pay in full any such amounts due on or before the Closing Date. On the Delivery Date, Buyer shall provide to the Company a true, complete and correct copy of the Letter of Credit.

COVENANTS OF BUYER AND THE COMPANY

The Parties agree that:

Section 7.01 Regulatory Approvals; Efforts.

Without limiting the foregoing, during the Pre-Closing Period, the Parties shall use their respective reasonable best efforts to (i) promptly obtain all authorizations, consents, Orders and approvals of all Governmental Authorities or other Persons that may be, or become, necessary for the performance of their respective obligations pursuant to this Agreement and the consummation of the Transactions, (ii) take all actions as may be requested by any such Governmental Authority to obtain such authorizations, consents, Orders and approvals, and (iii) avoid entry of, or effect the dissolution of, any Order that would have the effect of preventing or materially delaying the consummation of the Transactions. The Parties will cooperate in seeking to promptly obtain all such authorizations, consents, Orders and approvals. In furtherance and not in limitation of the foregoing, each Party agrees to (A) make an appropriate and complete filing of a Notification and Report Form pursuant to the HSR Act with respect to the Transactions within twenty (20) Business Days of the date of this Agreement, (B) make all other required filings with respect to the EU Merger Regulations and the Other Required Antitrust Approvals promptly (and consistent with market practice) and (C) not extend any waiting period under the HSR Act, the EU Merger Regulation, or other applicable Antitrust Laws or enter into any agreement with the United States Federal Trade Commission, the United States Department of Justice or any other Governmental Authority not to consummate the Transactions, except with the prior written consent of the other Party (which shall not be unreasonably withheld, conditioned or delayed).

(b) The Parties shall consult and cooperate with one another, and consider in good faith the views of one another, in connection with, and each Party shall provide to the other Party in advance, any written analyses, presentations, memoranda, briefs and proposals made or submitted to any Governmental Authority by or on behalf of any Party hereto in connection with proceedings relating to any Antitrust Laws; provided, however, each Party may limit disclosure of commercially sensitive portions of such materials to the outside counsel and consultants of the other Party.

(c) Without limiting the generality of the foregoing, each Party shall give the other Party prompt notice of any pending or threatened request, inquiry, or Action brought by a Governmental Authority, or brought by a Third Party before any Governmental

Authority, in each case with respect to the Transactions under any Antitrust Laws (an “Antitrust Investigation”). With respect to any such Antitrust Investigation, and subject to applicable Laws relating to the exchange of information and appropriate agreements to limit disclosure to outside counsel and consultants retained by such counsel and to preserve the attorney-client or other legal privileges, each Party shall use its reasonable best efforts to (i) keep the other Party informed as to the status of any such request, inquiry, or Action, (ii) promptly inform the other Party of any communication (excluding non-material communications) to or from the United States Federal Trade Commission, United States Department of Justice, or any other Governmental Authority, in connection with any such request, inquiry, or Action (and, if in writing, furnish the other Party with a copy of such communication), (iii) give each other reasonable advance notice of all meetings or teleconferences (excluding non-material teleconferences) with any Governmental Authority in connection with any such request, inquiry or Action and (iv) consult in advance and cooperate with the other Party and consider in good faith the views of the other Party in connection with (including providing reasonable opportunity for the other Party to comment upon) any analysis, presentation, memorandum, brief or proposal to be made or submitted to any such Governmental Authority.

The Parties shall have the right to review in advance, and to the extent practicable each will consult the other on, all the information relating to Buyer or the Company, as the case may be, and any of their respective Affiliates that appear in any filing made with, or written materials submitted to (in each case, including any amendments thereto), any Third Party and/or any Governmental Authority in connection with the Transactions or filings to be made under applicable Antitrust Laws (and any amendments thereto), and shall consider in good faith comments proposed by Buyer or the Company, as the case may be; provided, however, that with respect to any documents or materials required to be filed under applicable Antitrust Laws that contain information that is confidential or proprietary to the providing Party, such information may be provided solely to those individuals acting as outside antitrust counsel for the other Party; provided, further, that such counsel shall not disclose such information to such other Party and shall enter into a joint defense agreement in customary form with outside counsel for the providing Party, if requested.

(e) Notwithstanding anything in this Section 7.01 (except Section 7.01(c)) or elsewhere in this Agreement to the contrary, Buyer shall, subject to Section 7.01(c) and acting reasonably and in good faith, direct and control all aspects of the Parties’ efforts to obtain regulatory clearance either before any Governmental Authority or in any Action brought to enjoin the Transactions pursuant to any Antitrust Laws; provided that, (x) Buyer shall provide the Company with reasonable prior notice of commitments or material actions that Buyer proposes to undertake with any Governmental Authority in connection with such efforts and (y) Buyer shall consult with the Company and consider the Company’s views with respect to such matters in good faith.

(f) Buyer shall give the Company reasonable advance notice of and the opportunity to participate in all meetings with any Governmental Authority in connection with

(g) In the event that any Action is commenced challenging the Transactions as violating any Antitrust Law, each Party shall cooperate with each other Party and use its respective reasonable best efforts to contest and resist any such Action and to have vacated, lifted, reversed or overturned any Order resulting therefrom, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the Transactions; provided, however, that the obligations in this Section 7.01(g) shall expire as of the End Date.

(h) Without limiting the foregoing, Buyer shall, and shall cause its Affiliates to promptly take all actions necessary to (x) secure the expiration or termination of any waiting period (and any extension thereof) applicable to the consummation of the Transactions under the HSR Act or EU Merger Regulations and the Other Required Antitrust Approvals and (y) resolve any objections asserted with respect to the Transactions under applicable Law raised by any Governmental Authority, in each case, to the extent necessary in order to prevent the entry of any Legal Restraint that would prevent, prohibit, restrict or delay the consummation of the Transactions, including (i) proffering to, or agreeing to, sell, divest, lease, license, transfer, dispose of or otherwise encumber or hold separate and agreeing to sell, divest, lease, license, transfer, dispose of or otherwise encumber before or after the Acceptance Time, any assets, licenses, operations, rights, product lines, businesses or interest therein of the Company and any of its Subsidiaries (or to consent to any such sale, divestiture, lease, license, transfer, disposition or other encumbrance by the Company and any of its Subsidiaries of any of their respective assets, licenses, operations, rights, product lines, businesses or interest therein), (ii) agreeing to any material changes (including through a licensing arrangement) or restriction on, or other impairment of Buyer's or any of its Affiliates' ability to own or operate, any such assets, licenses, operations, rights, product lines, businesses or interests therein or Buyer's ability to vote, transfer, receive dividends or otherwise exercise full ownership rights with respect to the capital stock of the Company, or (iii) agreeing to other structural, behavioral or conduct relief with respect to the behavior of the Company and any of its Subsidiaries (each of the actions described in the preceding clauses (i), (ii) and (iii), a "Remedy Action"); provided, however, (A) in no event shall the Company proffer, take or agree to take any Remedy Action without the prior written consent of Buyer and (B) in no event shall anything in this Agreement require, or be construed to require, Buyer, the Company, or any of their respective Affiliates to (1) proffer, take or agree to take any Remedy Action to the extent any such Remedy Action would have or reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect or (2) proffer, take or agree to take any actions, including the Remedy Actions, with respect to Buyer, its Affiliates or their respective assets, categories of assets, businesses, relationships, contractual rights, obligations or arrangements. Buyer shall be entitled to compel the Company or any of its Subsidiaries to take any of the actions referred to above (or agree to take such actions) so long as such actions are only effective after the Acceptance Time.

(i) Buyer and the Company agree to refrain from, and to cause each of their respective Affiliates to refrain from, acquiring or agreeing to acquire any assets or businesses that would reasonably be expected to (1) prevent, materially impede, or materially delay receipt of any authorizations, consents, Orders, or approvals of Governmental Authorities, (2) prevent, materially delay, or impede the Closing, or (3) cause any Governmental Authority to object to such Transactions.

Section 7.02 Certain Filings. The Company and Buyer shall cooperate with one another (and Buyer shall cause Parent to cooperate) (a) in connection with the preparation of the Company Disclosure Documents, the Schedule TO and the Offer Documents, (b) in determining whether any action by or in respect of, or filing with, any Governmental Authority is required, or any actions, consents, approvals or waivers are required to be obtained from parties to any material contracts, in connection with the consummation of the Transactions and (c) in taking such actions or making any such filings, furnishing information required in connection therewith or with the Company Disclosure Documents, the Schedule TO or the Offer Documents and seeking timely to obtain any such actions, consents, approvals or waivers.

Section 7.04 Further Assurances. If, at any time before or after the Acceptance Time, the Company or Buyer reasonably believes that any further instruments, deeds, bills of sale, assignments or assurances are reasonably necessary or desirable to consummate the Transactions or to carry out the purposes and intent of this Agreement, then, subject to the terms and conditions of this Agreement, the Company and Buyer shall, and Buyer shall cause Parent to, execute and deliver all such proper deeds, assignments, instruments and assurances and do all other things reasonably necessary or desirable to consummate the Transactions and to carry out the purposes and intent of this Agreement.

Section 7.05 Public Announcements. The Parties shall consult with one another prior to issuing, and provide each other with the opportunity to review and comment upon, any public announcement, statement or other disclosure with respect to this Agreement or the Transactions and shall not issue any such public announcement or statement prior to such consultation, except as may be required by applicable Law or by the rules and regulations of the NASDAQ (in which event such Party shall endeavor, on a basis reasonable under the circumstances, to provide a meaningful opportunity to the other Party to review and comment upon such public announcement or statement in advance and shall give due consideration to all reasonable additions, deletions or changes suggested thereto); provided that, (a) each of the Company and Buyer may make press releases or public announcements concerning this Agreement or the Transactions that consist solely of information previously disclosed in previous press releases or announcements made by Buyer and/or the Company in compliance with this Section 7.05 and (b) each of the Company and Buyer may make any public statements in

(b) Each of the Company and Buyer shall, and Buyer shall cause Parent to, give prompt notice to the other Party of (i) any Action commenced or, to such Party's knowledge, threatened against, the Company or any of its Affiliates or Buyer or any of its Affiliates, that purports to prevent, materially impede or materially delay the consummation of the Offer, the Internal Reorganization, the Asset Sale, the Second Step Distribution or any of the other Transactions or that makes allegations that, if true, would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect or Buyer Material Adverse Effect, as the case may be, and (ii) (A) in the case of the Company, the knowledge of the Company of any breach of or inaccuracy in its representations or warranties set forth in this Agreement or failure to perform its covenants or agreements set forth in this Agreement to the extent such inaccuracy, breach or failure to perform would reasonably be expected to give rise to, individually or in the aggregate, the failure of any Offer Condition set forth in paragraph (D) paragraph (E) of Annex I, or (B) in the case of Buyer, the knowledge of Buyer of any breach of or inaccuracy in the representations or warranties of Buyer set forth in this Agreement or failure to perform the covenants or agreements of Buyer set forth in this Agreement to the extent such inaccuracy, breach or failure to perform would reasonably be expected to, individually or in the aggregate, prevent or materially delay or materially impair the ability of Buyer to perform its obligations under this Agreement or to consummate the Transactions; provided, however, that the delivery of any notice pursuant to this Section 7.06 shall not cure any breach of any representation, warranty, obligation, covenant or agreement contained in this Agreement or otherwise limit or affect any remedies available hereunder to the Party receiving such notice.

Section 7.07 Litigation. The Company shall control any Action brought against the Company or any of its Subsidiaries relating in any way to this Agreement or the Transactions ("Transaction Litigation"); provided that the Company shall give Buyer the right to (i) review and comment in advance on all filings or responses to be made by the Company in connection with any Transaction Litigation (and any amendments thereto) and the Company shall consider in good faith any comments proposed by Buyer, (ii) fully participate in (at Buyer's expense), but

provided that neither the Company nor any of its Subsidiaries nor any of their respective Affiliates or Representatives shall be required to (A) pay any commitment or other fees, in each case, in connection with any Debt Financing, (B) give any indemnities in connection with any debt financing, (C) take any action that, in the good faith determination of the Company, would unreasonably interfere with the conduct of the business of the Company and its Subsidiaries or create an unreasonable risk of damage or destruction to any property or assets of the Company or any of its Subsidiaries, (D) provide any information the disclosure of which is prohibited or

restricted under applicable Law or subject to legal privilege, or that is confidential or proprietary to the providing Party, (E) take any action that would conflict with or violate its organizational documents or any applicable Law or would result in a violation or breach of, or default under, any agreement to which the Company or any of its Subsidiaries is a party or (F) execute any agreement, certificate, document or instrument pursuant to this Section 7.08(a) with respect to any Debt Financing that is not contingent on the Closing.

Buyer shall indemnify and hold harmless the Company, its Subsidiaries and their respective Representatives, from and against any and all losses suffered or incurred by any of them in connection with any debt financing and any information utilized in connection therewith (other than material misstatements or omissions in information provided by the Company or any of its Subsidiaries for use in such financing).

Section 7.09 Funds Available at Closing. ARTICLE 8

TERMINATION

Section 8.01 Termination. This Agreement may be terminated and the Transactions may be abandoned at any time prior to the Acceptance Time:

(a) by mutual written consent of the Company and Buyer;

(b) by either the Company or Buyer:

(i) if the Acceptance Time has not occurred on or before 11:59 p.m. (New York City time) on October 27, 2017 (as such date may be extended pursuant to the terms of this Agreement or by the mutual written consent of the Company and Buyer, the "End Date"); provided that if all of the Offer Conditions shall have been satisfied or shall be then capable of being satisfied (other than the Offer Condition set forth in paragraph (B) of Annex I), the End Date shall automatically extend until the date that is 90 days following the initial End Date and if at the end of such 90-day period, all of the Offer Conditions shall have been satisfied or shall be then capable of being satisfied (other than the Offer Condition set forth in paragraph (B) of Annex I), the End Date shall automatically extend for one additional 90-day period; provided, further, that the right to terminate this Agreement under this Section 8.01(b)(i) shall not be available to any Party seeking to terminate if such Party is in breach of, or has breached, any of its covenants, obligations or agreements under this Agreement prior to the Acceptance Time where such breach proximately caused the failure of the Acceptance Time to occur by the End Date;

(ii) if the Offer Condition set forth in paragraph (C) of Annex I is not satisfied and the Legal Restraint giving rise to such non-satisfaction shall have become final and non-appealable; provided that the Party seeking to terminate this Agreement pursuant to this Section 8.01(b)(ii) shall have complied with its obligations under Section 7.01;

(iii) if the Offer shall have expired without all of the Offer Conditions having been satisfied and shall have not been extended by Buyer; provided, that the right to terminate this Agreement pursuant to this Section 8.01(b)(iii) shall not be available to any Party whose breach of any of its covenants, obligations or agreements under this Agreement proximately caused the Offer having expired without all of the Offer Conditions having been satisfied; provided, further, that the right to terminate this Agreement pursuant to this Section 8.01(b)(iii) shall not be available to Buyer if Buyer does not extend the Offer in circumstances where Buyer is required to extend the Offer under this Agreement; or

(c) by Buyer:

(i) if the Company breaches any of its representations or warranties, or fails to perform any of its covenants, obligations or agreements contained in this Agreement, which breach or failure to perform, individually or in the aggregate, (x) would result in any Offer Condition not being satisfied and (y) such breach or failure by its nature cannot be cured or has not been cured by the Company by the earlier of (A) the second (2nd) Business Day immediately prior to the End Date and (B) the date that is thirty (30) days after the Company's receipt of written notice of such breach from Buyer; provided that Buyer is not then in material breach of its representations or warranties or then materially failing to perform its covenants, obligations or agreements contained in this Agreement;

(ii) following an Adverse Recommendation Change; or

(iii) (A) if the EGM shall have been held and concluded and the Governance Resolutions have not been adopted or (B) if the Subsequent EGM shall have been held and been concluded and the Asset Sale Resolutions have not been adopted; or

(d) by the Company:

(i) in order to enter into an Alternative Acquisition Agreement with respect to a Superior Proposal subject to, and in accordance with, the terms and conditions of Section 5.03(e); provided that (A) prior to or concurrently with such termination the Company pays the Company Termination Compensation under Section 8.03(b) and (B) the Company shall not have breached any of its obligations under Section 5.03 (where such breach proximately caused such Superior Proposal being received by the Company); or

(ii) if Buyer breaches any of its representations or warranties, or fails to perform any of its covenants, obligations or agreements contained in this Agreement, which breach or failure to perform (x) would result in any Offer Condition not being satisfied, and (y) such breach or failure by its nature cannot be cured or has not been cured by Buyer by the earlier of (A) the second (2nd) Business Day immediately prior to the End Date and (B) the date that is thirty (30) days after Buyer's receipt of written notice of such breach from the Company; provided that the Company is not then in material breach of its representations or warranties or then materially failing to perform its covenants, obligations or agreements contained in this Agreement.

Section 8.02 Effect of Termination. In the event of the valid termination of this Agreement as provided in this Article 8, notice thereof shall be given to the other Party, specifying the provision hereof pursuant to which such termination is made (other than in the case of termination pursuant to Section 8.01(a)), and this Agreement shall immediately become void and of no effect, without any Liability on the part of either Party (or its respective directors, officers, employees, shareholders, Representatives, agents or advisors); provided that, subject in all respects to this Section 8.02, Section 8.03 and Section 9.12 (including, in each case, the limitations set forth therein), (a) the Confidentiality Agreement, Section 5.02(b), Section 7.05, Section 7.08(b), this Section 8.02, Section 8.03, Article 1 and Article 9 (in each case, subject to the limitations set forth therein) shall survive the valid termination hereof and (b) nothing herein shall relieve either Party of any Liability for damages resulting from such Party's fraud or Willful Breach prior to such valid termination.

Section 8.03 Expenses: Termination Compensation.

(a) Except as set forth in Section 7.03, Section 7.08(b) and this Section 8.03, all fees, costs and expenses incurred in connection with this Agreement and the Transactions shall be paid by the Party incurring such fees, costs and expenses, whether or not the Transactions are consummated.

(b) Company Termination Compensation. The Company shall pay, or cause to be paid, to Buyer by wire transfer of immediately available funds an amount equal to the Company Termination Compensation:

(i) if this Agreement is validly terminated by the Company pursuant to Section 8.01(d)(i), in which case payment shall be made concurrently with such termination;

(ii) if this Agreement is validly terminated by Buyer pursuant to Section 8.01(c)(ii), in which case payment shall be made within five (5) Business Days following such termination; or

(iii) if (A) an Alternative Acquisition Proposal shall have been publicly made or otherwise become generally known to the public, in each

case prior to the Acceptance Time, (B) thereafter this Agreement is validly terminated (1) by the Company or Buyer pursuant to Section 8.01(b)(i) (but only if at such time Buyer would not be prohibited from terminating this Agreement by the second proviso in Section 8.01(b)(i)), (2) by the Company or Buyer pursuant to Section 8.01(b)(iii) (if by Buyer, only if at such time Buyer would not be prohibited from terminating this Agreement by either proviso in Section 8.01(b)(iii)) and the Minimum Condition has not been satisfied as of the final Expiration Time of the Offer (provided that the Offer Conditions set forth in paragraphs (B) and (C) of Annex I have been satisfied as of such date) or (3) by Buyer pursuant to Section 8.01(c)(i) or Section 8.01(c)(iii) and (C) within twelve (12) months following the date of such termination, the Company enters into a definitive Contract with respect to any transaction specified in the definition of "Alternative Acquisition Proposal" or any such transaction is consummated, in each case, whether or not involving the same Alternative Acquisition Proposal or the Person making the Alternative Acquisition Proposal referred to in clause (A), in which case payment shall be made within two (2) Business Days following the earlier of the date on which (x) the Company enters into such Contract and (y) such transaction is consummated. For purposes of the foregoing clause (C) only, references in the definition of the term "Alternative Acquisition Proposal" to the figure "20%" shall be deemed to be replaced by "50%";

(c) Buyer Termination Compensation. If this Agreement is terminated:

(i) by Buyer or the Company pursuant to Section 8.01(b)(i), if, as of the time of such termination, the only Offer Conditions that have not been satisfied or waived (to the extent such waiver is not prohibited by applicable Law and other than those conditions that by their nature are to be satisfied by actions taken at the Expiration Time) are any one or more of those set forth in (a) paragraph (B) of Annex I, (b) paragraph (C) of Annex I if the Legal Restraint by any Governmental Authority of competent jurisdiction to prevent the Offer, the Asset Sale, the Second Step Distribution or the other Transactions, or to impose a condition or require a remedy pursuant to any Antitrust Law that Buyer is not required to accept or agree to, as applicable (i) is pursuant to any Antitrust Law or (ii) prohibits, renders illegal or enjoins the consummation of the Internal Reorganization in any material respect, and (c) paragraph (J) of Annex I;

(ii) by Buyer or the Company pursuant to Section 8.01(b)(ii) if the Legal Restraint by any Governmental Authority of competent jurisdiction to prevent the Offer, the Asset Sale, the Second Step Distribution or the other Transactions, or to impose a condition or require a remedy pursuant to any Antitrust Law that Buyer is not required to accept or agree to, as applicable (i) is pursuant to any Antitrust Law or (ii) prohibits, renders illegal or enjoins the consummation of the Internal Reorganization in any material respect; or

(iii) by Buyer or the Company pursuant to Section 8.01(b)(iii), if, as of the time of such termination, the only Offer Conditions that have not been satisfied or waived (to the extent such waiver is not prohibited

under applicable Law, other than those conditions that by their nature are to be satisfied by actions taken at the Expiration Time) are any one or more those conditions set forth in (a) paragraph (B) of Annex I, (b) paragraph (C) of Annex I if the Legal Restraint by any Governmental Authority of competent jurisdiction to prevent the Offer, the Asset Sale, the Second Step Distribution or the other Transactions, or to impose a condition or require a remedy pursuant to any Antitrust Law that Buyer is not required to accept or agree to, as applicable (i) is pursuant to any Antitrust Law or (ii) prohibits, renders illegal or enjoins the consummation of the Internal Reorganization in any material respect and (c) paragraph (J) of Annex I;

then Buyer shall, concurrently with such termination, in the case of a termination by Buyer, or within five (5) Business Days in the case of a termination by the Company, pay, or cause to be paid, to the Company an amount equal to the Buyer Termination Compensation by wire transfer of immediately available funds; provided, however, that Buyer shall not be obligated to pay the Buyer Termination Compensation if (x) the Company's breach of any of its obligations or representations and warranties under this Agreement proximately caused the failure to satisfy the Offer Condition set forth in paragraph (C) or (J) of Annex I or of the imposition of the applicable Legal Restraint (or of the applicable condition or imposition of a remedy) or (y) if, at the time of such termination, Buyer was entitled to terminate this Agreement pursuant to Section 8.01(c)(i).

(d) The Parties acknowledge that the agreements contained in this Section 8.03 are an integral part of the Transactions and that, without these agreements, the Parties would not have entered into this Agreement. Accordingly, if any Party fails to promptly pay the amount due pursuant to Section 8.03(b) or Section 8.03(c) and, in order to obtain such payment, Buyer or the Company, as applicable, commences an Action that results in an Order in its favor for such payment, the Company or Buyer, as applicable, shall pay to the other Party its reasonable and documented costs and expenses (including reasonable attorneys' fees and expenses) in connection with such Action, together with interest on each such amount at the rate equal to the prime lending rate prevailing during such period as published in *The Wall Street Journal*, Eastern Edition, calculated on a daily basis from the date such amounts were required to be paid to the date of actual payment. In the event this Agreement is terminated and Buyer is entitled to receive the Company Termination Compensation pursuant to Section 8.03(b) or the Company is entitled to receive the Buyer Termination Compensation pursuant to Section 8.03(c), the Company Termination Compensation or the Buyer Termination Compensation, as applicable, shall, subject to Section 9.12 and except with respect to claims for fraud or Willful Breach, be the sole and exclusive remedy of the applicable Party and its Affiliates, on the one hand, against the other Party and its former, current or future shareholders, directors, officers, Affiliates, agents or other Representatives, on the other hand, for any loss suffered as a result of any breach of any representation, warranty, covenant or agreement in this Agreement or the Transactions. Upon payment of such Company Termination Compensation or Buyer Termination Compensation, as applicable, none of the Company or Buyer, as applicable, or any of their respective former, current or future shareholders, directors, officers, Affiliates, agents or other Representatives shall have any further Liability relating to or arising out of this Agreement or the Transactions, except with respect to fraud or Willful Breach. Notwithstanding anything to the contrary contained in this Agreement, in no event shall a Party be required to pay the Company Termination Compensation or the Buyer Termination Compensation, as applicable, more than once.

Section 9.02 Nonsurvival of Representations and Warranties; Survival of Certain Covenants. The representations and warranties contained in this Agreement and in any certificate or other writing delivered pursuant to this Agreement shall not survive the Acceptance Time. This Section 9.02 shall not limit Section 8.02 or any covenant or agreement of the Parties that by its terms contemplates performance after the Acceptance Time or the termination of this

Agreement. The terms of Article 1 and this Article 9, as well as the covenants and other agreements set forth in this Agreement that by their terms apply, or that are to be performed in whole or in part, after the Acceptance Time or termination of this Agreement, shall survive the Acceptance Time or termination of this Agreement, as applicable, in accordance with their terms.

Section 9.03 Amendments and Waivers.

(a) Except as otherwise expressly provided for in paragraph (A) of Annex I, this Agreement may only be amended or supplemented at any time by additional written agreements signed by, or on behalf of the Parties, as may mutually be determined by the Parties to be necessary, desirable or expedient to further the purpose of this Agreement or to clarify the intention of the Parties.

(b) No provision of this Agreement may be waived or extended except by a written instrument signed by the Party against whom the waiver or extension is to be effective. No failure or delay on the part of any Party in the exercise of any right hereunder shall impair such right or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or agreement in this Agreement, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or of any other right.

(c) Notwithstanding the foregoing provisions of this Section 9.03, no amendment, supplement, modification, consent or waiver to any of Section 9.06, Section 9.07, Section 9.10, Section 9.12, Section 9.13 and/or this Section 9.03(c) that is adverse to the Debt Financing Sources shall become effective without the prior written consent of the adversely affected Debt Financing Sources.

Section 9.04 Rules of Construction. The Parties have participated jointly in negotiating and drafting this Agreement. If an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement.

Section 9.05 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of Law or otherwise by any of the Parties without the prior written consent of the other Parties; provided that without the consent of the Company, (a) Buyer may assign, in its sole discretion, any or all of its rights, interests and obligations under this Agreement to any one or more direct or indirect wholly owned Subsidiaries or Affiliates controlled by Parent and (b) after the Acceptance Time, Buyer may transfer or assign its rights and obligations under this Agreement to any Person; provided that in each of clauses (a) and (b), such transfer or assignment shall not (i) adversely impact in any respect the Company or its shareholders or the rights of the Company under this Agreement (including the rights of the Company hereunder in respect of the Letter Agreement or the Letter of Credit) or (ii) relieve Buyer of its obligations under this Agreement. Any purported assignment without such consent shall be void. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns.

Section 9.06 Governing Law. This Agreement, and any Action arising out of or relating to this Agreement or the Transactions, shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without regard to choice or conflict of law principles thereof; provided that, notwithstanding the foregoing, any matters concerning or implicating the Company Board's fiduciary duties shall be governed by and construed in accordance with the applicable fiduciary duty Laws of The Netherlands. Notwithstanding anything herein to the contrary, the Parties hereto acknowledge and irrevocably agree that any Action, whether in law or in equity, whether in contract or in tort or otherwise, involving the Debt Financing Sources arising out of, or relating to, the transactions contemplated hereby, the Debt Financing or the performance of services thereunder or related thereto shall, except as expressly provided otherwise in the definitive documentation pertaining to such Debt Financing, be governed by, and construed in accordance with, the laws of the State of New York, without regard to the conflicts of law rules of such State that would result in the application of the laws of any other State.

Section 9.07 Jurisdiction; Forum. Each Party (a) irrevocably and unconditionally submits to the personal jurisdiction of the Court of Chancery of the State of Delaware (or, only if such court declines to accept jurisdiction over a particular matter, then in the United States District Court for the District of Delaware, or if jurisdiction is not then available in the United States District Court for the District of Delaware (but only in such event), then in any Delaware state court sitting in New Castle County) and any appellate court from any of such courts (the "Chosen Courts"), (b) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such Chosen Court, (c) agrees that any Actions arising in connection with or relating to this Agreement or the Transactions shall be brought, tried and determined only in the Chosen Courts, (d) waives any claim of improper venue or any claim that the Chosen Courts are an inconvenient forum and (e) agrees that it will not bring any Action relating to this Agreement or the Transactions in any court other than the Chosen Courts. Each of the Parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the Transactions: (i) any claim that such Party is not personally subject to the jurisdiction of the Chosen Courts as described herein for any reason; (ii) that it or its property is exempt or immune from jurisdiction of any such Chosen Court or from any legal process commenced in such courts (whether through service of process, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise); and (iii) that (A) the Action in any such court is brought in an inconvenient forum, (B) the venue of such Action is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such Chosen Courts. Notwithstanding anything herein to the contrary, the Parties hereto acknowledge and irrevocably agree (i) that any Action, whether in law or in equity, whether in contract or in tort or otherwise, involving the Debt Financing Sources arising out of, or relating to, the transactions contemplated hereby, the Debt Financing or the performance of services thereunder or related thereto shall be subject to the exclusive jurisdiction of any state or federal court sitting in the Borough of Manhattan, New York, New York, and any appellate court thereof and each Party hereto submits for itself and its property with respect to any such Action to the exclusive jurisdiction of such court, (ii) not to bring or permit any of their Affiliates to bring or support anyone else in bringing any such Action in any other court, (iii) that service of process, summons, notice or document by registered mail addressed to them at their respective addresses provided in the documentation

pertaining to the Debt Financing shall be effective service of process against them for any such Action brought in any such court, (iv) to waive and hereby waive, to the fullest extent permitted by law, any objection which any of them may now or hereafter have to the laying of venue of, and the defense of an inconvenient forum to the maintenance of, any such Action in any such court, (v) to waive and hereby waive any right to trial by jury in respect of any such Action and (vi) that a final judgment in any such Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.

Section 9.08 WAIVER OF JURY TRIAL. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER DOCUMENTS AND AGREEMENTS DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY OR THE ACTIONS OF THE PARTIES IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT HEREOF OR THEREOF. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT SEEK TO ENFORCE THE FOREGOING WAIVER IN THE EVENT OF AN ACTION, (B) SUCH PARTY HAS CONSIDERED AND UNDERSTANDS THE IMPLICATIONS OF THIS WAIVER, (C) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.08.

Section 9.09 Counterparts: Effectiveness. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective when each Party shall have received a counterpart of this Agreement signed by all of the other Parties. Until and unless each Party has received a counterpart of this Agreement signed by each other Party, this Agreement shall have no effect and no Party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication).

Section 9.10 Entire Agreement: No Third-Party Beneficiaries. This Agreement, including the Annexes and Exhibits hereto, the Company Letter, taken together with the Confidentiality Agreement and the other documents delivered in connection with this Agreement, constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, among the Parties with respect to the Transactions. This Agreement is not intended to confer upon any Person other than the Parties any rights or remedies; provided that (a) the provisions of Section 6.01 are intended to be for the benefit of, and shall be enforceable by, each indemnified or insured party (including the Indemnified Persons), his or her heirs and representatives, (b) the provisions of Section 2.05(f) and Section 2.07(c) are intended to be for the benefit of, and shall be enforceable by, the Independent

Directors, and (c) the provisions of Section 9.03(c) and the provisions of Section 9.06, Section 9.07, Section 9.12 and Section 9.13, in each case pertaining to the Debt Financing Sources, are intended to be for the benefit of, and shall be enforceable by, the Debt Financing Sources.

Section 9.11 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other Governmental Authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated, so long as the economic or legal substance of the Transactions is not affected in any material way. Upon such a determination, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the Transactions be consummated as originally contemplated to the fullest extent possible.

Section 9.12 Specific Performance. The Parties agree that irreparable damage, for which monetary damages, even if available, would not be an adequate remedy, will occur in the event that the Parties do not perform their obligations under the provisions of this Agreement (including each of Buyer's obligations under Section 6.03 with respect to the Letter Agreement and under Section 6.04 with respect to the Letter of Credit) in accordance with its specified terms or otherwise breach such provisions. Subject to the following sentence, the Parties acknowledge and agree that (a) the Parties shall be entitled to an injunction or injunctions, specific performance, or other equitable relief, to prevent breaches or threatened breaches of this Agreement (including with respect to each of Buyer's obligations under Section 6.03 with respect to the Letter Agreement and under Section 6.04 with respect to the Letter of Credit) and to enforce specifically the terms and provisions hereof in the Chosen Courts without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement or, solely with respect to Buyer under the Letter Agreement, (b) the provisions set forth in Section 8.03 (i) are not intended to and do not adequately compensate for the harm that would result from a breach of this Agreement and (ii) shall not be construed to diminish or otherwise impair in any respect any Party's right to specific performance and (c) the right of specific performance is an integral part of the Transactions and without that right, none of the Parties would have entered into this Agreement. The Parties acknowledge and agree that any Party seeking an injunction or injunctions to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 9.12 shall not be required to provide any bond or other security in connection with any such Order or injunction. In no event shall the Company or any Related Party be entitled to seek the remedy of specific performance of this Agreement against the Debt Financing Sources.

Section 9.13 Waiver of Liability Against Debt Financing Sources. None of the Debt Financing Sources will have any liability to the Company, any former, current or future stockholders, equity holders, controlling persons, directors, officers, employees, general or limited partners, members, managers, agents or Affiliates of the Company, or any former, current or future direct or indirect stockholder, equity holder, controlling person, director, officer, employee, general or limited partner, member, manager, agent or Affiliate of any of the foregoing (each, a "Related Party"), relating to or arising out of this Agreement, the Debt Financing or otherwise, whether at law, or equity, in contract, in tort or otherwise, and neither the Company nor any Related Party will have any rights or claims against any of the Debt Financing Sources hereunder or thereunder.

ANNEX I

Offer Conditions

Notwithstanding any other provision of the Agreement or the Offer and in addition to (and not in limitation of) Buyer's right and obligation to extend and amend the Offer pursuant to the provisions of the Agreement, subject to any applicable rules and regulations of the SEC, Buyer shall not be required to accept for payment or pay for any Share validly tendered and not properly withdrawn pursuant to the Offer unless, as of the scheduled Expiration Time:

B. any waiting period (and any extension thereof) applicable to the consummation of the Transactions under the HSR Act and the EU Merger Regulation shall have expired or been terminated and the Other Required Antitrust Approvals shall have been received and shall not impose a condition or require a remedy that Buyer is not required to accept or agree to after giving effect to Section 7.01(h) of the Agreement;

H. the Governance Resolutions shall have been adopted at the EGM;

I. the Company shall have delivered to Buyer a certificate signed by an executive officer of the Company, dated as of the Expiration Time, certifying that the Offer Conditions specified in paragraphs (D), (E) and (F) have been satisfied;

J. the Internal Reorganization shall have been completed in all material respects; and

K. the Agreement shall not have been terminated in accordance with its terms.

The foregoing conditions in this Annex I are for the sole benefit of Buyer and may be asserted by Buyer regardless of the circumstances giving rise to any such conditions and, other than the Minimum Condition, may be waived, subject to applicable Law, by Buyer in whole or in part at any time and from time to time in its sole discretion, in each case, subject to the terms of the Agreement. The foregoing conditions shall be in addition to, and not a limitation of, the rights and obligations of Buyer to extend, terminate, amend and/or modify the Offer in accordance with the terms and conditions of the Agreement and the applicable rules and regulations of the SEC. The failure by Buyer at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right and each such right shall be deemed an ongoing right that may be asserted at any time and from time to time. In addition, each of the foregoing conditions is independent of any of the other foregoing conditions; the exclusion of any event from a particular condition does not mean that such event may not be included in another condition.

Ladies and Gentlemen:

Reference is made to the Purchase Agreement, dated as of the date hereof (as may be amended, restated, supplemented or otherwise modified in accordance with the terms thereof, the "Purchase Agreement"), by and between NXP Semiconductors N.V., a public limited liability company (*naamloze vennootschap*) organized under the laws of The Netherlands ("Company"), and Qualcomm River Holdings B.V., a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) organized under the laws of The Netherlands ("Buyer").

1. QUALCOMM Incorporated, a Delaware corporation ("Parent" and together with Buyer, the "Parties"), hereby irrevocably covenants and agrees that it shall take any and all actions necessary to ensure that Buyer performs, satisfies and discharges, and currently has and will continue to have the ability to perform, satisfy and otherwise discharge, (i) each and every agreement, covenant, term, condition or other obligation (both monetary and non-monetary) to be performed or complied with by Buyer under, and in accordance with the terms of, the Purchase Agreement, as amended, from time to time and (ii) any of Buyer's debts or other obligations as they become due (including through providing direct or indirect monetary or other support to Buyer), from and after the date hereof (such obligations in the preceding clauses (i) and (ii) collectively, the "Buyer Obligations"). From and after the date hereof, Parent shall (x) not permit Buyer to approve or adopt, and shall take any and all actions necessary to prevent Buyer from approving or adopting, a plan of complete or partial liquidation, or initiating any dissolution, consolidation, recapitalization, bankruptcy, or any suspension of payments under any federal, state, provincial, foreign or local bankruptcy, insolvency, reorganization or moratorium laws or any other similar laws, statutes, codes, rules, regulations or treaties of a Governmental Authority (as defined in the Purchase Agreement) affecting creditors' rights generally and (y) ensure that Buyer is at all times solvent under the law and regulations of all applicable jurisdictions.
2. Each Party represents, warrants and covenants to the other Party that: (a) this letter agreement is (i) a legal, valid and binding obligation of such Party, (ii) enforceable in accordance with its terms against such Party and (iii) in full force and effect, and (b) the execution, delivery and performance by such Party of this letter agreement are within its corporate powers and have been duly and validly authorized by all necessary action on the part of such Party.

3. To the fullest extent permitted by law, Parent hereby irrevocably and expressly waives any and all rights or defenses arising by reason of any law which would otherwise require any election of remedies by Buyer or any other person under this letter agreement. Parent hereby waives any and all notice of the creation, renewal, extension or accrual of the Buyer Obligations and notice of or proof of reliance by Buyer or any other person upon this letter agreement or acceptance of this letter agreement. Parent hereby irrevocably and expressly waives promptness, diligence, notice of the acceptance of this letter agreement and of any Buyer Obligation, presentment, demand for payment, notice of non-performance, default, dishonor and protest, notice of the incurrence of any Buyer Obligation and all other notices of any kind, all defenses which may be available by virtue of any valuation, stay, moratorium law or other similar law now or hereafter in effect, any right to require the marshalling of assets of Parent or any other person primarily or secondarily liable with respect to the Buyer Obligations, and all suretyship defenses generally (other than as specifically set forth in the Purchase Agreement). Parent will not exercise any rights of subrogation or contribution against Buyer, whether arising by contract or operation of law (including, without limitation, any such right arising under bankruptcy or insolvency laws) or otherwise.
4. So long as this letter agreement is in effect, each Party hereby covenants and agrees that it shall not institute, and shall cause each of its affiliates not to institute, directly or indirectly, any action or bring any other claim, asserting that this letter agreement is illegal, invalid or unenforceable in accordance with its terms.
5. Except as otherwise provided herein and without amending or limiting the other provisions of this letter agreement, the liability of Parent with respect to its obligations under this letter agreement shall, to the fullest extent permitted under applicable law, be absolute and unconditional irrespective of:
 - (a) any change in the corporate existence, structure or ownership of Parent or Buyer or any insolvency, bankruptcy, reorganization, moratorium or other similar proceeding affecting Parent or Buyer or any of their respective assets;
 - (b) any waiver, amendment or modification of the Purchase Agreement (including as a result of any assignment permitted pursuant to the Purchase Agreement) or any other agreement evidencing, securing or otherwise executed in connection with any of the Buyer Obligations in accordance with its terms, or change in the time, manner, place or terms of payment or performance, or any change or extension of the time of payment or performance of, renewal or alteration of, any Buyer Obligation, any liability incurred directly or indirectly in respect thereof, or any agreement entered into by Buyer and Parent in connection therewith;
 - (c) the existence of any claim, set off or other right that Parent may have at any time against Buyer, whether in connection with any Buyer Obligation or otherwise;
 - (d) the failure or delay on the part of Buyer to assert any claim or demand or to enforce any right or remedy against Parent; or
 - (e) the addition, substitution or release of any person now or hereafter liable with respect to the Buyer Obligations or otherwise interested in the transactions contemplated by the Purchase Agreement, this letter agreement or any related agreement or document.

6. The Parties shall not, and shall not agree to, resolve to or commit to, amend, modify, terminate or waive any term, provision, right or remedy under this letter agreement or under any provision hereof prior to the Closing.
7. This letter agreement and each of the Parties' obligations hereunder will automatically terminate and cease to be of any further force or effect without the need for any further action by any Person upon (and only upon) the earlier of (i) the Closing and (ii) the satisfaction in full of all of the Buyer Obligations. Immediately upon termination of this letter agreement and without the need for any further action by any Person, no Party shall have any further obligation or liability hereunder. This letter agreement will survive the termination of the Purchase Agreement to the extent any Buyer Obligations remain outstanding after such termination.
8. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, will occur in the event that Parent does not perform any of its obligations under the provisions of this letter agreement in accordance with its specified terms or otherwise breaches such provisions. The Parties acknowledge and agree that (a) Buyer shall be entitled to an injunction or injunctions, specific performance, or other equitable relief, to prevent or restrain breaches or threatened breaches of this letter agreement and to enforce specifically the terms and provisions hereof in the Designated Courts (or, if necessary to enforce a judgment, the appropriate court in any other jurisdiction) without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific performance is an integral and essential part of the rights of Buyer under this letter agreement and without that right, Buyer would not have entered into this letter agreement. Parent agrees not to raise any objections to the availability of any equitable remedy of specific performance to prevent or restrain breaches of this letter agreement by Parent on the basis that (i) Buyer has an adequate remedy at law or (ii) an award of specific performance is unenforceable, invalid, contrary to law or inequitable for any reason at law or equity. Buyer, when seeking the remedies provided for under this paragraph 8, shall not be required to provide any bond or other security in connection with any such order or injunction.
9. Parent will cause any transferee of or successor to all or substantially all of the assets of Parent to assume Parent's obligations under this letter agreement.
10. Neither this letter agreement nor any of the rights, interests or obligations under this letter agreement shall be assigned, in whole or in part, by operation of law or otherwise, by any Party without the prior written consent of the other Party; provided, however, that Buyer shall be permitted to assign and pledge all of its right, title and interest in, to and under this letter agreement to the Company pursuant to the (i) Pledge, Assignment and Security Agreement, attached hereto as Exhibit A and (ii) Disclosed Pledge of Receivables, attached hereto as Exhibit B (in each case, it being understood that no such assignment shall relieve Parent of any of its obligations pursuant to the terms of this letter agreement). Subject to the preceding sentences, this letter agreement will be binding upon, inure to the benefit of, and be enforceable by the Parties and their respective successors and assigns.

-
11. Buyer hereby notifies Parent of the Disclosed Pledge of Receivables attached hereto as Exhibit B, which it will enter into on the date of this letter agreement and in which it pledges to the Company all existing and future receivables which Buyer has or may have under this letter agreement (the "Dutch Pledge"). Payments on the Receivables may be made to Buyer until such time following an Event of Default under the Dutch Pledge as the Company has notified Parent to the contrary, after which they may be made only to the Company or otherwise as instructed by the Company in accordance with the Dutch Pledge. Parent confirms that the Dutch Pledge has been notified to it and agrees that following an Event of Default as defined under the Dutch Pledge, the Company may exercise all rights of Buyer vis-à-vis Parent under this letter agreement.
 12. This letter agreement, and any action or controversy arising out of or relating to this letter agreement, shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to choice or conflict of law principles thereof. Each party submits to the jurisdiction of the Court of Chancery of the State of Delaware (or, only if such court declines to accept jurisdiction over a particular matter, then in the United States District Court for the District of Delaware, or if jurisdiction is not then available in the United States District Court for the District of Delaware (but only in such event), then in any Delaware state court sitting in New Castle County) and any appellate court from any of such courts (the "Designated Courts").
 13. This letter agreement may be executed (including by facsimile transmission, ".pdf," or other electronic transmission) in one or more counterparts, and by the Parties in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the Parties and delivered (including by facsimile transmission, ".pdf" or other electronic transmission) to each other Party.
 14. This letter agreement constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof.

[Remainder of page intentionally left blank]

In witness whereof, this letter agreement has been duly executed by the Parties as of the date first above written.

Pledge, Assignment and Security Agreement

PLEDGE, ASSIGNMENT AND SECURITY AGREEMENT

PLEDGE, ASSIGNMENT AND SECURITY AGREEMENT, dated October 27, 2016 (this "Agreement"), made by QUALCOMM RIVER HOLDINGS B.V., a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) organized under the Laws of The Netherlands ("Pledgor"), in favor of NXP SEMICONDUCTORS N.V., a public limited liability company (*naamloze vennootschap*) organized under the Laws of The Netherlands ("Pledgee").

WHEREAS, Pledgor and Pledgee have entered into that certain Purchase Agreement, dated October 27, 2016 (as the same may be amended, supplemented or otherwise modified from time to time, the "Purchase Agreement");

WHEREAS, Pledgor is the beneficiary to that certain letter agreement, dated October 27, 2016, by and between Pledgor and QUALCOMM INCORPORATED ("Parent"), a Delaware corporation (as the same may be amended, supplemented or otherwise modified from time to time, the "Pledged Agreement"); and

WHEREAS, pursuant to the terms of this Agreement, Pledgor has agreed to pledge its rights under the Pledged Agreement.

NOW, THEREFORE, in consideration of the premises and other consideration, the receipt and sufficiency of which are hereby acknowledged, Pledgor hereby agrees with Pledgee, as follows:

1. Defined Terms. Unless otherwise defined herein, terms defined in the Agreement and used herein shall have the meanings given to them in the Purchase Agreement.
2. Security Interest. Pledgor hereby pledges, assigns and grants to the Pledgee a first priority security interest and lien in the "Collateral" (as hereinafter defined) to secure the payment and the performance of the "Secured Obligations" (as hereinafter defined).
3. Collateral. The pledge and security interest described above are granted in respect of the following collateral, whether now existing or hereafter from time to time acquired (the "Collateral"):
 - (a) All of Pledgor's right, title and interest in, to and under the Pledged Agreement; and
 - (b) All proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of Pledgor's interest in any of the foregoing described in clause (a) above or this clause (b).

4. Secured Obligations. The following obligations (collectively, the “Secured Obligations”) are secured by this Agreement:

(a) (i) The full and prompt payment and performance (both monetary and non-monetary) when due of all obligations of Pledgor owing to Pledgee under the Purchase Agreement; and

(b) All reasonable costs and expenses incurred by Pledgee, including, without limitation, reasonable attorneys’ fees and expenses, to enforce this Agreement and maintain, preserve, collect and realize upon the Collateral.

5. Procedure. Pledgor hereby authorizes Pledgee to file financing statements naming Pledgor as “debtor” and Pledgee as “secured party” and describing the Collateral, which financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner as Pledgee may determine, in its reasonable discretion, is necessary, advisable or prudent to ensure perfection of the security interest in the Collateral granted to Pledgee herein, including describing such property as “all assets” or “all personal property,” in each case, whether now owned or hereafter acquired.

6. Representations and Warranties. Pledgor hereby represents and warrants to the Pledgee as follows:

(a) Existence. Pledgor (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of formation, has the same legal name as it appears in Pledgor’s organizational documents and (ii) has all powers and all governmental licenses, authorizations, registrations, permits, consents and approvals required under all applicable laws and required in order to carry on its business as now conducted.

(b) Authority and Compliance. Pledgor has full power, authority and capacity to execute and deliver this Agreement and the Pledged Agreement and to incur and perform the obligations provided for herein and therein. The execution, delivery and performance by Pledgor of this Agreement and the Pledged Agreement, as applicable, has been duly authorized by all necessary action pursuant to its organizational documents, and a true, correct and complete copy of such authorization has been delivered to Pledgee.

(c) Binding Agreement. Each of this Agreement and/or the Pledged Agreement is duly authorized, executed and delivered by Pledgor and is enforceable against Pledgor in accordance with its terms.

(d) Ownership. Pledgor owns the Collateral free and clear of any setoff, claim, restriction, pledge, lien, security interest, encumbrance or other charge of any type, except for the security interests created hereunder or under the Dutch Pledge (as defined in the Pledged Agreement).

(e) No Conflict. Neither the execution and delivery of this Agreement or the Pledged Agreement, nor the consummation of the transactions contemplated hereby or thereby, nor the fulfillment of, nor the compliance with, the terms, conditions or provisions hereof or thereof, will conflict with, result in a breach of, or constitute a default under (i) any relevant statute, law, ordinance, rule or regulation applicable to Pledgor or the Collateral, (ii) any of Pledgor's organizational documents or (iii) assuming compliance with the matters referred to in Section 4.03 of the Purchase Agreement, cause or result in any breach of, or default (with or without notice or lapse of time, or both) under, or give rise to a right of, or result in, termination, cancellation, modification or acceleration of any obligation or to the loss of a benefit or right under, or result in the creation of any Lien in or upon any of the properties, assets or rights of Pledgor under, or require any consent, waiver or approval of any Person.

(f) Security Interest. The pledge of the Collateral pursuant to this Agreement creates a valid security interest in the Collateral and a perfected first priority security interest in the Collateral, including without limitation the Pledged Agreement, securing the payment of the Secured Obligations.

(g) Financing Statements. No financing statement or similar instrument covering the Collateral (other than in favor of Pledgee) is or will be on file in any public office, and no security interest, other than the one herein created, has attached or been perfected in the Collateral or any part thereof

(h) No Authorization Required. No authorization, approval, or other action by Parent is required either (a) for the pledge by the Pledgor of the Collateral pursuant to this Agreement or for the execution, delivery or performance of this Agreement by the Pledgor or (b) for the exercise by the Pledgee of the rights provided for in this Agreement or the remedies in respect of the Collateral pursuant to this Agreement.

7. Pledgor's Covenants. Until full payment and performance of all of the Secured Obligations, unless Pledgee otherwise consents in writing:

(a) Rights to Collateral. Pledgor shall defend the Collateral against all claims and demands of all persons at any time claiming any interest therein adverse to Pledgee. Pledgor shall keep the Collateral free from all claims, restrictions, encumbrances, security interests, pledges, liens, demands or charges of any type, except the security interest hereby created.

(b) Sale or Assignment. Except as contemplated by this Agreement and the Pledged Agreement, Pledgor shall not sell, assign, transfer, lease, lend or assign the Collateral or any interest therein nor reduce Pledgor's interest in any of the Collateral.

(c) Pledgee's Costs. Pledgor shall pay all costs necessary to enforce the security interest created by this Agreement and collect the Secured Obligations, including but not limited to taxes, assessments, reasonable attorneys' fees, legal expenses and expenses of sales. Whether the Collateral is or is not in Pledgee's possession, and without any obligation to do so and without waiving Pledgor's default for failure to make any such payment, Pledgee at its option may pay any such reasonable costs and expenses and discharge encumbrances on the Collateral, and such payments shall be a part of the Secured Obligations and bear interest at the applicable rate provided in the Pledged Agreement. Pledgor agrees to reimburse Pledgee on demand for any costs so incurred.

(d) No Changes. Without thirty (30) days' prior written notice to Pledgee, Pledgor shall not change its residence, domicile, jurisdiction of organization, corporate structure or name.

(e) Additional Documents. Pledgor shall sign and deliver, at the sole cost of Pledgor, any instruments furnished by Pledgee, including, without limitation, financing statements and continuation statements, which are necessary or desirable in the reasonable judgment of Pledgee to obtain, create, maintain and perfect the security interest hereunder and to enable Pledgee to comply with any federal or state law in order to obtain, create or perfect Pledgee's interest in the Collateral or to obtain proceeds of the Collateral.

(f) Power of Attorney. Pledgor appoints Pledgee and any officer thereof as Pledgor's attorney-in-fact with full power in Pledgor's name and on Pledgor's behalf, from time to time after the occurrence and during the continuance of an Event of Default (as defined herein), to do every act which Pledgor is obligated to do or may be required to do hereunder; provided, however, nothing in this paragraph shall be construed to obligate Pledgee to take any action hereunder nor shall Pledgee be liable to Pledgor for failure to take any action hereunder. This appointment shall be deemed a power coupled with an interest and shall not be terminable as long as the Secured Obligations are outstanding.

(g) Other Parties and Other Collateral. No renewal or extensions of or any other indulgence with respect to the Secured Obligations or any part thereof, no modification of the Pledged Agreement, no release of any security, no release of any person (including any maker, indorser, guarantor or surety) liable on the Secured Obligations, no delay in enforcement of payment, and no delay or

omission or lack of diligence or care in exercising any right or power with respect to the Secured Obligations or any security therefor or guaranty thereof or under this Agreement shall in any manner impair or affect the rights of Pledgee under any law, hereunder or under the Pledged Agreement. Pledgee shall not be required to file suit or assert a claim for personal judgment against any person for any part of the Secured Obligations or seek to realize upon any other security for the Secured Obligations, before foreclosing or otherwise realizing upon the Collateral. Pledgor waives any right that can be waived to the benefit of or to require or control application of any other security or proceeds thereof, and agrees that Pledgee shall have no duty or obligation to Pledgor to apply to the Secured Obligations any such other security or proceeds thereof. Pledgor waives any right to require that any action be brought against any other person or to require that resort be had to any other security. Pledgor further waives any right of subrogation or to enforce any right of action against any other obligor on any Secured Obligation or other pledgor to Pledgee of collateral for the Secured Obligations until the Secured Obligations are paid in full.

8. Pledgee Demands; Assignment of Rights.

(a) In the event that Pledgee determines that Parent has breached obligations under the Pledged Agreement, Pledgee shall have the right to make a written demand (the "Initial Demand") that Pledgor directly enforce its rights and interest against Parent under the terms of the Pledged Agreement.

(b) If Pledgor has not taken action satisfactory to Pledgee to enforce Pledgor's rights against Parent under the Pledged Agreement following receipt of the Initial Demand, then Pledgee shall have the right to make a subsequent written demand on Buyer (the "Default Demand") and, effective upon, and conditioned upon the occurrence of, delivery of such Default Demand and with no further action required on the part of Pledgee, an "Event of Default" shall be deemed to have occurred under this Agreement and Pledgor's rights to enforce the Pledged Agreement against Parent shall be automatically and unconditionally assigned to Pledgee, with full rights of enforcement thereunder.

(c) From and after the occurrence of an Event of Default, Pledgee shall be entitled to exercise all of the rights, powers and remedies (whether vested in it by this Agreement or by law) for the protection and enforcement of its rights in respect of the Collateral, including, without limitation, all the rights and remedies of a secured party upon default under the UCC then in effect, and Pledgee shall be entitled to sell, or instruct any agent to sell, all or any part of the Collateral, and direct such agent to deliver all proceeds thereof to Pledgee, and apply all proceeds to the payment of any or all of the Secured Obligations in such order and

manner as Pledgee shall, in its discretion, choose. Notwithstanding anything to the contrary herein, nothing herein shall grant Pledgee the right to sell, assign or dispose of the Collateral, other than a sale, assignment or other disposition of rights to receive cash proceeds of the Collateral, in accordance with the terms hereof.

(d) Pledgor specifically understands and agrees that any sale or redemption by Pledgee of all or part of the Collateral pursuant to the terms of this Agreement may be effected by Pledgee at times and in manners which could result in the proceeds of such sale or redemption being significantly and materially less than might have been received if such sale or redemption had occurred at different times or in different manners, and Pledgor hereby releases Pledgee and its officers and representatives from and against any and all obligations and liabilities arising out of or related to the timing or manner of any such sale or redemption.

9. General.

(a) Parties Bound. The provisions of this Agreement shall bind and inure to the benefit of Pledgor and its successors and assigns and Pledgee and its successors and assigns; provided, however, that no assignment or other transfer of Pledgor's rights or obligations hereunder shall be made or be effective without Pledgee's prior written consent, nor shall it relieve Pledgor of Pledgor's obligations hereunder. All representations, warranties and agreements of Pledgor shall be binding upon the successors and permitted assigns of Pledgor.

(b) Waiver. No delay of either party hereto in exercising any power or right shall operate as a waiver thereof; nor shall any single or partial exercise of any power or right preclude other or further exercise thereof or the exercise of any other power or right. No waiver by either party hereto of any right hereunder shall be binding upon such party unless in writing, and no failure by either party to exercise any power or right hereunder shall operate as a waiver of any other or further exercise of such right or power or of any further default. Each right, power and remedy of either party hereto as provided for herein or in the Pledged Agreement, or which shall now or hereafter exist at law or in equity or by statute or otherwise, shall be cumulative and concurrent and shall be in addition to every other such right, power or remedy. The exercise or beginning of the exercise by either party hereto of any one or more of such rights, powers or remedies shall not preclude the simultaneous or later exercise by such party of any or all other such rights, powers or remedies.

(c) Notice. Notices to be provided under this Agreement shall be delivered in accordance with Section 9.01 of Purchase Agreement.

(d) Modifications. No provision hereof shall be modified or limited except by a written agreement expressly referring hereto and to the provisions so modified or limited, which shall be signed by Pledgor and Pledgee. The provisions of this Agreement shall not be modified or limited by course of conduct.

(e) Partial Invalidity. The unenforceability or invalidity of any provision of this Agreement shall not affect the enforceability or validity of any other provision herein.

(f) Governing Law; Jurisdiction. This Agreement, and any action or controversy arising out of or relating to this Agreement, shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to choice or conflict of law principles thereof; provided that, notwithstanding the foregoing, any matters concerning or implicating Pledgee's Board's fiduciary duties shall be governed by and construed in accordance with the applicable fiduciary duty Laws of The Netherlands. Each party submits to the jurisdiction of the Court of Chancery of the State of Delaware (or, only if such court declines to accept jurisdiction over a particular matter, then in the United States District Court for the District of Delaware, or if jurisdiction is not then available in the United States District Court for the District of Delaware (but only in such event), then in any Delaware state court sitting in New Castle County) and any appellate court from any of such courts (the "Designated Courts").

(g) WAIVER OF JURY TRIAL. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ACTIONS OF THE PARTIES IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT HEREOF OR THEREOF. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT SEEK TO ENFORCE THE FOREGOING WAIVER IN THE EVENT OF AN ACTION, (B) SUCH PARTY HAS CONSIDERED AND UNDERSTANDS THE IMPLICATIONS OF THIS WAIVER, (C) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9(G).

(h) Final Agreement. This Agreement and the Pledged Agreement together contain the entire agreement and understanding of the parties with respect to the subject matter contained herein and supersede all prior communications, representations and negotiations with respect thereto.

SAN DIEGO, and EINDHOVEN, The Netherlands – October 27, 2016 – Qualcomm Incorporated (NASDAQ: QCOM) and NXP Semiconductors N.V. (NASDAQ: NXPI) today announced a definitive agreement, unanimously approved by the boards of directors of both companies, under which Qualcomm will acquire NXP. Pursuant to the agreement, a subsidiary of Qualcomm will commence a tender offer to acquire all of the issued and outstanding common shares of NXP for \$110.00 per share in cash, representing a total enterprise value of approximately \$47 billion.

NXP is a leader in high-performance, mixed-signal semiconductor electronics, with innovative products and solutions and leadership positions in automotive, broad-based microcontrollers, secure identification, network processing and RF power. As a leading semiconductor solutions supplier to the automotive industry, NXP also has leading positions in automotive infotainment, networking and safety systems, with solutions designed into 14 of the top 15 infotainment customers in 2016. NXP has a broad customer base, serving more than 25,000 customers through its direct sales channel and global network of distribution channel partners.

“With innovation and invention at our core, Qualcomm has played a critical role in driving the evolution of the mobile industry. The NXP acquisition accelerates our strategy to extend our leading mobile technology into robust new opportunities, where we will be well positioned to lead by delivering integrated semiconductor solutions at scale,” said Steve Mollenkopf, CEO of Qualcomm Incorporated. “By joining Qualcomm’s leading SoC capabilities and technology roadmap with NXP’s leading industry sales channels and positions in automotive, security and IoT, we will be even better positioned to empower customers and consumers to realize all the benefits of the intelligently connected world.”

The combined company is expected to have annual revenues of more than \$30 billion, serviceable addressable markets of \$138 billion in 2020 and leadership positions across mobile, automotive, IoT, security, RF and networking. The transaction has substantial strategic and financial benefits:

- **Complementary technology leadership in strategically important areas:** The transaction combines leadership in general purpose and automotive grade processing, security, automotive safety sensors and RF; enabling more complete system solutions.
 - **Mobile:** A leader in mobile SoCs, 3G/4G modems and security.

-
- **Automotive:** A leader in global automotive semiconductors, including ADAS, infotainment, safety systems, body and networking, powertrain and chassis, secure access, telematics and connectivity.
 - **IoT and Security:** A leader in broad-based microcontrollers, secure identification, mobile transactions, payment cards and transit; strength in application processors and connectivity systems.
 - **Networking:** A leader in network processors for wired and wireless communications and RF sub-segments, Wave-2 11ac/11ad, RF power and BTS systems.
 - **Enhanced go-to-market capabilities to serve our customers:** The combination of Qualcomm's and NXP's deep customer and ecosystem relationships and distribution channels enables the ability to deliver leading products and platforms at scale in mobile, automotive, IoT, industrial, security and networking.
 - **Shared track record of innovation and commitment to operational discipline:** Both companies have demonstrated a strong commitment to technology leadership and best-in-class product portfolios with focused investments in R&D. Qualcomm and NXP have both taken action to position themselves for profitable growth, while maintaining financial and operational discipline.
 - **Substantial financial benefits:** Qualcomm expects the transaction to be significantly accretive to non-GAAP EPS immediately upon close. Qualcomm expects to generate \$500 million of annualized run-rate cost synergies within two years after the transaction closes. The transaction utilizes Qualcomm's strong balance sheet and will be efficiently financed with offshore cash and new debt. The transaction structure allows tax efficient use of offshore cash flow and enables Qualcomm to reduce leverage rapidly.

Mollenkopf continued, "We have taken significant action to build a foundation for profitable growth and the acquisition of NXP is strongly aligned with our strategy. Our companies both have substantial expertise in delivering industry-leading solutions to our global customers, built upon a shared commitment to technology innovation, focused R&D investments and strong financial and operational discipline."

"The combination of Qualcomm and NXP will bring together all technologies required to realize our vision of secure connections for the smarter world, combining advanced computing and ubiquitous connectivity with security and high performance mixed-signal solutions including microcontrollers. Jointly we will be able to provide more complete solutions which will allow us to further enhance our leadership positions, and expand the already strong partnerships with our broad customer base, especially in automotive, consumer and industrial IoT and device level security," said Rick Clemmer, NXP Chief Executive Officer. "United in a common strategy, the complementary nature of our technologies and the scale of our portfolios will give us the ability to drive an accelerated level of innovation and value for the whole ecosystem. Such a strong fit will bring opportunities for our employees and customers, as well as provide immediate attractive value for our shareholders, in creating the semiconductor industry powerhouse."

Sir Peter Bonfield, Chairman of NXP's Board of Directors, said, "This is a major step in my ten years' Chairmanship of NXP, and I am very pleased to see that the board of NXP has unanimously approved the proposed transaction and fully supports and recommends the offer for acceptance to NXP shareholders."

Transaction Details

Under the terms of the definitive agreement, a subsidiary of Qualcomm will commence a tender offer to acquire all of the issued and outstanding shares of NXP for \$110.00 per share in cash.

Qualcomm intends to fund the transaction with cash on hand and new debt. The transaction is structured to enable tax efficient use of offshore cash flow to rapidly reduce leverage. Qualcomm is committed to maintaining its strong investment-grade credit ratings.

The solid combined cash flow profile will support Qualcomm's current dividend and dividend growth. Qualcomm is committed to anti-dilutive repurchases of its common stock as it de-levers its balance sheet to pre-transaction leverage levels. The pro forma cash flow profile provides a strong foundation for long-term capital returns to stockholders.

The tender offer is not subject to any financing condition. The transaction is expected to close by the end of calendar 2017 and is subject to receipt of regulatory approvals in various jurisdictions and other closing conditions. The tender offer is conditioned on the tender of at least 95% of the outstanding ordinary shares of NXP or, if NXP shareholders approve the asset sale contemplated in the purchase agreement, the tender of at least 80% of the outstanding ordinary shares of NXP. An Extraordinary General Meeting of NXP's shareholders will be convened in connection with the offer to adopt, among other things, certain resolutions relating to the transaction.

The offer will be described in more detail in a tender offer statement on Schedule TO to be filed by a subsidiary of Qualcomm and a solicitation/recommendation statement on Schedule 14D-9 to be filed by NXP.
