Subject Company: Qualcomm Incorporated (Commission File No. 000-19528)

January 5, 2018

DEAR QUALCOMM STOCKHOLDER,

On November 6, 2017, we made a proposal to acquire Qualcomm for \$70.00 per share in cash and stock, which would provide you with substantial and immediate cash value, as well as the opportunity to participate in the upside potential of the combined company.

On November 13, 2017, Qualcomm's Board rejected our proposal. Since that time, we have spoken with many Qualcomm stockholders and customers, and we have heard their desire for Qualcomm to engage with us regarding our compelling proposal. It remains our strong preference to engage cooperatively with Qualcomm's Board and management team, and we are prepared to meet immediately to work toward a mutually acceptable definitive agreement.

At Qualcomm's Annual Meeting of Stockholders on March 6, 2018, you will have an important opportunity to influence the value of your investment by voting the **BLUE** proxy card for 11 independent and highly qualified individuals.

By voting for all 11 nominees on the **BLUE** proxy card, you can send a clear message that you want the Qualcomm Board to engage with Broadcom to maximize stockholder value.

BROADCOM OFFERS COMPELLING VALUE FOR QUALCOMM STOCKHOLDERS

Our \$70.00 per share proposal for Qualcomm — consisting of \$60.00 in cash and \$10.00 in Broadcom stock — will provide you with substantial and immediate cash value upon the closing of the proposed transaction, as well as the opportunity to participate in the upside potential of the combined company. We are confident that our proposal, which provides a 28% premium over the closing price of Qualcomm's common stock on November 2, 2017, the last unaffected trading day prior to media speculation regarding a potential transaction, and a premium of 33% to Qualcomm's unaffected 30-day volume-weighted average price, is the best path to create value for Qualcomm stockholders. Our proposal stands whether Qualcomm's pending acquisition of NXP Semiconductors N.Y. ("NXP") is consummated on the currently disclosed terms of \$110 per NXP share or is terminated.

With enhanced scale, R&D resources, product diversification and financial flexibility, the combined company will be positioned to accelerate innovation and deliver the most advanced semiconductor solutions to customers around the world.

We have a clear roadmap ahead, and expect that the proposed transaction would be completed within approximately 12 months following the signing of a definitive agreement.

Our acquisition track record speaks for itself. Since 2013, we have completed and successfully integrated six major acquisitions. Over this period, we have created significant stockholder value, consistently outperforming the S&P 500.

11 INDEPENDENT NOMINEES WILL ACT AS FIDUCIARIES TO QUALCOMM'S STOCKHOLDERS

The 11 nominees that Broadcom has nominated to stand for election at Qualcomm's 2018 Annual Meeting of Stockholders are independent and highly qualified, with expertise in areas critical to Qualcomm's business. Having served as executives and as board members of both public and private companies, they bring years of operational experience across the semiconductor and technology industries, as well as expertise in finance, corporate strategy and mergers and acquisitions. These 11 director nominees have the necessary expertise and credentials to act as your fiduciaries.

Consistent with our desire to ensure board continuity, Broadcom would support a decision by the 11 new directors, upon their election, to increase the size of the Board and reappoint three existing Qualcomm directors — Mark McLaughlin, Tony Vinciguerra and Jeffrey Henderson — as directors.
