Equity Compensation Plan Information as of June 30, 2013

Employee Stock Options and Restricted Stock Awards

Our equity plans are part of a broad-based, long-term retention program that is intended to attract and retain talented employees and directors and align stockholder and employee interests.

The 2006 Long-Term Incentive Plan (the 2006 Plan) was adopted during the second quarter of fiscal 2006 and replaced the 2001 Stock Option Plan and the 2001 Non-Employee Directors' Stock Option Plan and their predecessor plans (the Prior Plans). The 2006 Plan provides for the grant of incentive and non-qualified stock options, restricted stock units (RSUs), stock appreciation rights, restricted stock, performance stock units (PSUs) and shares and other share-based awards and is the source of shares issued under the Executive Retirement Matching Contribution Plan (ERMCP). The shares authorized under the 2006 Plan were approximately 573,284,000 at June 30, 2013, which included 90,000,000 shares that were approved by the Company's stockholders in March 2013. The share reserve remaining under the 2006 Plan was approximately 283,970,000 at June 30, 2013. Shares subject to any outstanding option under a Prior Plan that is terminated or cancelled (but not an option under a Prior Plan that expires) following the date that the 2006 Plan was approved by stockholders, and shares that are subject to an award under the ERMCP and are returned to the Company because they fail to vest, will again become available for grant under the 2006 Plan. The Board of Directors of the Company may amend or terminate the 2006 Plan at any time. Certain amendments, including an increase in the share reserve, require stockholder approval. The Board of Directors may grant share-based awards to selected employees, directors and consultants to the Company to purchase shares of the Company's common stock at a price not less than the fair market value of the stock at the date of grant. Certain share-based awards include dividend-equivalent rights. Share-based awards vest over periods not exceeding five years. Options are exercisable for up to ten years from the grant date.
